

Hello,

My name is Peter Marx. I am the instructor for Basic Hands-On Home Repair and Maintenance and Basic Carpentry and Woodworking at Seattle Central College Continuing Education. I look forward to meeting you at the [WOOD TECHNOLOGY CENTER \(WTC\)](#), located at *2310 S. Lane St, Seattle, WA 98144*.

Thank you,

Peter Marx - 206 778 5686 voice, text or Pdzteach@comcast.net

For a map of the Wood Technology Center location please click [here](#) and scroll down to page bottom to view the map.

Please bring and use the following:

- Tape measure and pen & paper.
- Respiratory protection: dust mask, cloth mask, N95 mask or respirator.
- Hearing protection: pods or inserts, ear- muf style.
- Vision protection: safety glasses or goggles.

Safety equipment can be purchased from Big Box stores: Lowes, Home Depot, Fred Meyer, Ace and True Value hardware stores and some Drug Stores. Purchase what seems comfortable for you to use and wear. Please bring and use your safety equipment to all classes and please wear sturdy shoes. No opened toe shoes.
