2023 Riverside Cross Country

Interested in joining RHS XC, but missed the info meeting? Don't worry - it's not too late to join! Summer training will begin at the end of May, so just complete this form to be added to our team Google Classroom and gain access to our team Band communications -> <https://forms.gle/icdyR6S42oyorPwG9>. Cross Country is a great sport with no time requirements or cuts that is open to 7th-12th graders who attend (or are zoned to attend) Riverside High School. Cross Country is perfect for athletes who enjoy distance running, but can also be an excellent cross-training and conditioning sport for basketball, soccer, lacrosse, track, and summer swimmers. We have a place on our team for athletes at every skill level and everyone will have opportunities to compete! Reach out to Coach Dena Long (dglong@greenville.k12.sc.us) with any questions.
