

Privacy Policy

Effective Date: June 13, 2026

Thank you for playing [Nom du jeu].

This Privacy Policy explains how information is handled when you use this application.

Information Collection and Use

This application does not collect, store, or share any personally identifiable information.

The app does not require account creation and does not request personal data from users.

Third-Party Services

The application may use third-party services provided by Google, including Google Play Services. These services may collect information in accordance with their own privacy policies.

Google Play Services Privacy Policy:
