**Introduction:** Hello everyone, welcome!

### **Spotlight: Accounting and Finance Club**

- Focus on leadership, financial confidence, and professional development.
- Guest speakers and networking opportunities
- Ensuring their mission extends beyond accounting majors
- It's fun! Not just business.
- Hosts 9/11 remembrance ceremony every year, Soccer tailgate, STARS Program.
- Club Advancements: increased social media presence, Adulting 101 to Launch: Financial Foundations for the Future, made more accessible to all majors, held more meetings,
- The main goal is to prepare students directly for leadership and careers. Increasing professional confidence, internships, and resumés.
- A lot of growth this year within the club, and they are excited for what is ahead.

### **Sara Sauers, Marywood Chief Information Officer**

- Been at Marywood for 14 years, started at the help desk. Oversees the IT department.
- Marywood is possibly looking into it; nothing has been decided, moving to Microsoft and away from Google.
- Why: Much more security with Microsoft, more than Google.
- What does it mean for students: Single sign-on. You won't have to log in over and over again on MarywoodYou, Brightspace, Email, etc. Will make all emails one domain instead of the two separate ones we have right now, will be able to see Professors' availability, and more.
- Most used Google in high school, when you graduate, you are going to be going into the Microsoft world, so by doing this, you would be even more prepared with both environments, no matter what you go into.
- Would be fully planned over the summer, and a good transition would be provided with training.
- Will try to migrate all documents for faculty and students, so you don't have to worry about losing your things. If they are not able to, just try to save documents and add them to Microsoft.

### **Budget Requests:**

- Commuter Student Association \$312 for St. Patricks day event.
- MSA: \$1000 for Eid celebration
- Psych Club: for annual Psych Fair \$1550
- Kindness Klub: \$155 for competitions during Kindness Week
- We've spent 46% of Club Accounts 23% of Rep Fund.
- ALL APPROVED

- Please get your headshot now if you need to get it done.

Vice-President (Sabrina Endriss):
