

ONE CITY SCHOOLS: 2021 SALIVA SPIT TEST

Mandatory for Staff & 5K and up scholars

Click [HERE](#) for a copy of CONSENT FORM:

Please follow guidelines below & drop-off (1) test tube on **TUESDAY** and **FRIDAY** mornings each week:

Staff & families with in-person 5K+ up scholars, please spit in (1) tube each testing day **at HOME**. Please **bring** one tube each Monday morning & second tube each Wednesday morning during drop-offs. Unless your scholar has a valid excuse, he/she will **not** be able to enter our school building with**OUT** submitting their saliva tube each testing day. If, however, an extra tube is needed, one may be provided so that your scholar can spit in it while still remaining inside your car.

1. Give your (child's) test sample -- ONE TUBE ONLY -- directly to Ms. Isabel or Ms. Simone and *not* leave it in your (child's) backpack to avoid spillage.
2. HALF of the tube shall be filled with spit.
3. Each tube should have a number assigned to your child. If it doesn't, inform us.
4. Don't eat, chew gum 30 min before and if you do, rinse your mouth and wait 15 min.
5. Tests will be run on Tues and Fri EACH WEEK.

Thanks for your cooperation!

For questions or are in need of tubes, please contact our Wellness Manager, Ms. Isabel Perea: iperea@onecityschools.org
