A Thought to Ponder from The Urantia Book

Get to Know Other Religionists

“While your religion is a matter of personal experience, it is most important that you should be exposed to the knowledge of a vast number of other religious experiences (the diverse interpretations of other and diverse mortals) to the end that you may prevent your religious life from becoming egocentric—circumscribed, selfish, and unsocial.”

結識其他宗教人士

「儘管你的宗教是關於個人體驗的事務，但最重要的是，你應該接觸大量有關其他宗教體驗（即其他多樣凡人的多樣闡釋）的知識，最後，你可以防止你的宗教生活變得以自我為中心——即受到局限、自私和不善交際。」
