

BOARD OF EDUCATION**Inter-Agency Relationships**

The School Board may enter into joint agreements with other School Boards or agencies as provided in Illinois School Code, the Constitution and the Intergovernmental Cooperation Act. Such inter-agency relationships may include but are not limited to coordinating educational programs, joint facilities usage, purchasing supplies or materials, shared employment of personnel, participation in group insurance and employee benefit programs. Such agreements may provide for the employment of professional personnel for a cooperative program conducted in one or more districts.

The District enters into and participates in joint programs and intergovernmental agreements with units of local government and other school districts in order to jointly provide services and activities in a manner that will increase flexibility, scope of service opportunities, cost reductions, and/or otherwise benefit the District and the community.

The Superintendent shall manage these activities to the extent the program or agreement requires the District's participation, and shall provide periodic implementation or operational data and/or reports to the School Board concerning these programs and agreements.
