

Date	Hours	What i did	Total Hours
7/19	8	On the first day of mentorship i was given an orientation of the physical therapy area. They allowed me to watch the work they did and handed them whatever that they needed.	8
7/26	4	On the second day of therapy I did all sorts of work. With the help of one of the P.Ts i cleaned the ice machines. After i watched some of the procedures and helped with whatever I could.	12

<b>8/2</b>	<b>4</b>	<b>Third of mentorship I helped the P.Ts with some of the patients. I helped a patient to her car and handed ice pack and set / cleaned beds.</b>	<b>16</b>
<b>8/9</b>	<b>4</b>	<b>Fourth day of mentorship I have new fellow interns. We split the work into thirds, but there is more than enough work so we are all kept busy. Today we all helped with the P.Ts work and also made some copies of folders for a presentation.</b>	<b>20</b>

8/16	3/12	On the fifth day of presentation we helped the P.Ts with their patients and this time we saw a presentation given to patients with back problems. It explained the importance of the back and certain exercises that can be done throughout the day that can be done to help your back.	23 1/2
