Interested in pursuing a trade after high school?

The Peterson School in Woburn is hosting an Open House & Career Fair on Thursday, 10/24 from 1:00-4:00 pm. Engage with experienced instructors, explore labs and classrooms, and discover a wide array of educational possibilities!

The Senior class of Stoneham is going to be FLOCKING Stoneham houses from October 24th-November 5th! We need the families and residents of Stoneham to apply to help support our class!

You may ask, what even is flocking? Seniors from the class of 2025 are going secretly to place dozens of plastic flamingos in your front yard, leave them there for 2 days, then pick them up and move them to the next house! It will be a surprise when you get them! It is also a great gift for any child/friend of yours who lives in Stoneham! Great for a Halloween "spook" as well for your child or friend!

Student Council Community Fund 2024-2025

The Student Council has a significant amount of money that is available for clubs and classes to apply for funding of up to \$350 for various activities that will better the school community. With this Activity Fund, clubs can receive financial support for important projects that they cannot completely cover from their own accounts. If your organization is interested in applying for the funds, you are invited to fill out the attached [Community Fund Form](#) with the details of your request in preparation for a meeting with the student council. For these presentations, students are welcome to bring any supporting documents or information that would be helpful to the Council members deliberations.

Appointments with the Student Council may be made on the second or fourth Friday of every month and meetings start at 7:45am in room 240. After filling out the form, the council will reach out to you via email to confirm your appointment.

After your presentation, the Student Council will vote, discuss, and get back to you with a decision the following week.

Sincerely,
