Our Vision
Shaping the Future of Education Through Technology

Our Mission
To lead, develop, and support technologists and education organizations to foster student success.

Point of Arrival One: Advancing Technologists in Education CITE members are diverse, highly qualified, and highly sought after as innovators and leaders of information technology in education.	**Point of Arrival Two: Engaging and Serving Members** CITE is the professional home for all technologists in education, connecting them to an innovative and supportive community, and empowering them with the resources they need to advance education organizations and the students they serve.
Point of Arrival Three: Advocating for Technology in Education CITE is recognized by policymakers, the media, and allied associations as the authority in California for advancing technology and technologists in education.	**Point of Arrival Four: Ensuring Our Ability to Serve** CITE is a diverse organization with a strong leadership pipeline and portfolio of programs that ensures the association has the human and financial resources it needs to achieve its vision.
