

Baby it's cold outside rules

Rules:

1. No tracing
2. No gacha
3. Can be pmv or amv just nothing choppy and sloppy
4. Must cut your own audio and I promise the parts are cut exactly how I'm intending!
5. No Cutoffs or x2 on the vid pls (makes editing easier)
6. Characters can be from any fandom or even just ocs but they must be animalified and a canon or uncanon ship! Sorry it's for the better flow of the map :(
7. Make it the fandom or oc couple just singing to each other or just hanging out on Christmas or just winter
8. Some fandoms are blacklisted. I'll list a few below but please be sure to ask in case I just forgot the one you want to use!
9. 1-2 parts per person
10. This is a 2 week map but it's not a enforced deadline all parts must be in by December 24th (Christmas eve) however
11. Wips are due after a week
12. NOT BEGINNER FRIENDLY
13. Extensions don't really exist for this map but when I ask for a wip it is also a good opportunity to drop out if needed! Do not overwork yourself for me.
14. Must have animation examples on channel
15. If you break 2 or more rules you're out.

If you saw this comment what fandom or oc you'll be using
