

Kennett Indian PEP Band

Basketball Pep Band Schedules

Every band member is required to participate in the Basketball Pep Band.

The band is split into two bands (**Black & Gold**) to evenly distribute the parts.

- Uniform is jeans with no rips or holes and the gold band shirt.
- If you need to miss a game, contact Mr. Bush. You must find a replacement. In most cases you will just switch with someone from the other band. If you are sick you will need to find another game to attend (*on the other band's schedule*). Get this schedule to your employer ASAP.
- You can receive **extra credit** for playing additional games, but switching with someone does not count toward this goal.
- Be flexible. The AD will send out an announcement if there are any alterations to the schedule.
- You can receive points for lettering by ensuring you're at all games.
