

GLENWOOD MIDDLE SCHOOL

STUDENT SUPPLIES, 2023-2024

The items below are maximum quantities needed and are merely a guide. Due to the nature of the middle school schedule, teachers may request fewer quantities than those listed below. We suggest you keep all receipts and original packaging in case items need to be returned.

TISSUES*	Requested Donation	Requested Donation	Requested Donation
----------	--------------------	--------------------	--------------------

*NOT REQUIRED BUT A REQUESTED DONATION ☺

Parents/Guardians: Please help your child by replenishing supplies during the year, as needed.

Donations: Throughout the year, your child's teacher(s) may identify items for donation that they may need for their classrooms. If you would like to donate such items, it is certainly appreciated. Thank you.

The TI-84 Plus Silver Edition or CE (handheld) graphing calculator will be used in Howard County mathematics courses beginning with Algebra 1 and extending through the end of the mathematics course sequence. Although students will be provided with a graphing calculator for use in school, and have the ability to borrow one for out of school use, students may opt to have their own personal handheld graphing calculator. Students who go on to take mathematics courses in college will often be able to use the same calculator for college coursework.

Please note: Student Planners will be provided to students, thanks to our awesome PTSA.
