

Faith is partnering with LaHaie's Jackets to offer families a chance to buy a letterman jacket. A representative from LaHaie's will be at Faith High school Monday Oct 29th for a fitting of the jackets. I want to encourage everyone to try one on so LaHaie's will have your size on file if you do ever decide to order a jacket.

LaHaie's is a local Oregon family owned business in Hillsboro. Their jackets are made with 100% northwest produced wool fabric. The jackets are manufactured in Portland, and all patches and embroidery are made at their Hillsboro location. They provide service and updates for your jacket allowing you to add additional patches, awards, etc as needed.

Our very own Faith lettermans jacket will be made with a navy wool body with white leather sleeves. The jacket will also include a chenille falcon mascot on the back of the jacket and well as the sewing of student's letter and inserts for letter. Student must provide letter and inserts (already received from Faith) For this basic design the jacket would be \$235. Orders can be taken over the phone (503.648.2341) if the student has had a jacket fitting. Or you can stop by LaHaie's store in historic downtown Hillsboro to place your order. (277 E. Main St. Hillsboro, OR 97123).

Orders require a \$150 deposit and the balance may be paid upon pick-up.

Optional add-ons are embroidered name \$24, chenille four digit graduation year \$24, chenille last name on back \$42, chenille Falcons on back \$42.

This would be an amazing Christmas present and you still have time to order your jacket and receive it before Christmas. The deadline to order your jacket and get it by Christmas is Nov 6th!

You can visit LaHaie's website at: www.lahaies.com
