Chcesz ochronić Ziemię?

Nie kupuj zbędnych rzeczy. Zabieraj na zakupy torby wielokrotnego użycia.

Do you want to protect the Earth?

Don't buy unnecessary things. Take reusable bags for shopping.

We can teach students how to recycle waste, how to make new items from it. E.g. Make musical instruments - maracas and perform songs from plastic.

Songül ŞEN /DURALİLER PRİMARY SCHOOL ANTALYA /TURKEY

First of all, our students should understand the importance of recycling. They should know that it can be recycled without wasting anything.

Aysel ERSÖZ / ATATÜRK PRİMARY SCHOOL BURSA / TURKEY

The sooner we start doing something about global climate change, the better off we will be.

There is an urgent need for understanding how climate change will affect our lives.

NURSEL İGAÇ /ZEYYAT MANDALINCI PRİMARY SCHOOL

The importance of recycling can be explained. Recycling activities can be done. It would be nice to make a variety of musical instruments with t-shirt shopping bags and the remaining different materials.

Aysun Bozkurt/ Zeyyat Mandalinci Primary School

The benefits of each waste we recycle to the world can be explained. Experiments can be conducted on this subject.
