

Mission

Under the auspice of The Genus, ART POST connects the community to a diverse range of artists and provides a space that inspires creative and innovative artistic practices and activities.

Vision

To provide new, emerging and young artists with support, encouragement, mentorship and professional development within a collaborative framework that prepares them for exhibiting their artwork in the space.

To offer artist-in-residence and exhibition space to established artists with the understanding that they provide professional development, workshops, and or mentorship.

To support a regular program of activities that invite the community to celebrate artistic achievement.

Values

Within a framework of respect for diversity and inclusiveness, ART POST encourages flexible art modes and practices that are supported within an accessible and inspiring art space. Our Volunteers are the heartbeat of ART POST.
