

Group 9

Group Name / Grade: _____ **Topic to research and teach:** _____

There are **three tasks to be completed** by your group. The are:

- Group work (6 groups). How to teach this content – **3 slides – no more than 5 minutes per group**. Be prepared to present this to the large group.
- Perceived barriers / resistant voices to teaching LGBTQ history and your standard response to questions from students or parents.
- Curriculum Calendar Planning – Integrate in the LGBTQ lessons with the curriculum you already teach. See Curriculum Calendars below and adjust as needed.

To Do:

1. Group Work - LGBTQ Topic.

a) Spend some time learning about your topic from the curriculum guide or from the following online resources.

- [8th Lesson Plan](#) Topics
- [11th Lesson Plan](#) Topics
- [LGBT History Timeline](#)
- [Other Resources](#) (Archives, Podcasts, etc.)

b) What are some resources that would be useful for teaching this topic?

c) Where in the curriculum that you teach would this topic fit?

d) Describe how you would teach this topic in the curriculum. Could be a new lesson plan or adding onto a lesson you already do.

e) Prepare some visuals to share your learning (no more than 5 minutes and/or 3 slides)

2. What might be some barriers or challenges to teaching LGBTQ history? When thinking about **possible resistant voices** in your school community. What will be your standard response about why you are teaching LGBTQ history? For **students?** For **parents?**

3. Curriculum Calendar Work. Modify the curriculum calendar below to fit with your curriculum calendar and fill in how you will add in LGBTQ history content. (Note: Different schools may want to create different documents for this purpose so they can do specific planning for the upcoming school year.
