This is their
main TikTok.

Two versions.

Everyone will be listed anonymously except for Hex's gooner defenders, because his defenders are HEARTLESS SERVANTS OF SATAN, and so is the SMG4 fandom.

If you are a defender of Hex, then I hope you realize you are supporting a problematic person that hurt so many people. You are just as disgusting as Hex to be this dense and defend him, but you have the option to switch up before people come at you for being blind. So you better make your choice now, or you'll be in a deeper pit than you should be.

Let's begin the listings, shall we?

Sending NSFW to a minor.

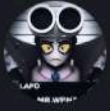

The groomed victim will be named M.

M has released this art piece of SMG3 in a Stocking costume, originating from the show Panty and Stocking. M was 13 years old at the time. Hex was 15.

In response, Hex has begged M to give SMG3 boobs in the drawing and also draw him in a skirt.

So... This?

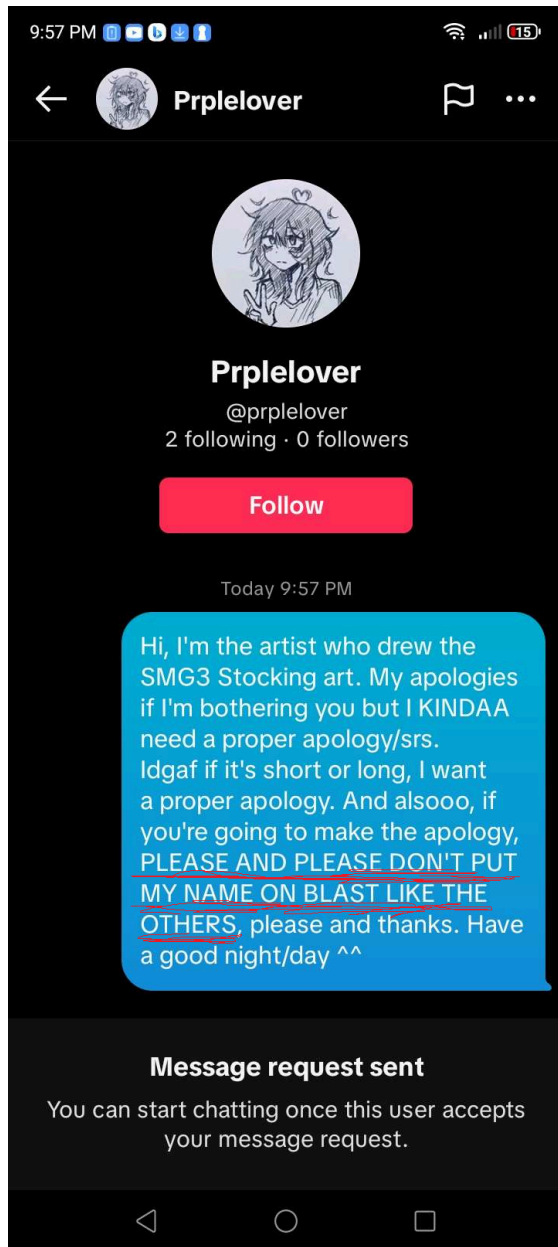

That's *part* of the message history, and Hex decided to put M's name on full blast too after posting his "***bitch tears***" online, proceeding to let his audience harass M and put M on **warning status** once M started retaliating against Hex's lies.

THIS IS GROOMING. HEX HAS CHOSEN TO BEG A 13 YEAR OLD TO DRAW SMG3 SUGGESTIVELY AND GIVE HIM BOOBS. BEING 15 AS A MINOR DOES **NOT** EXCUSE THESE ACTIONS. TEENS CAN STILL GET GROUNDED FOR BULLYING AT SCHOOL OR GETTING WITH GANGS. I WILL STATE THIS RIGHT NOW AND IF YOU STILL EXCUSE ANYTHING OVER IT, THEN I DON'T KNOW WHAT TO TELL YOU.

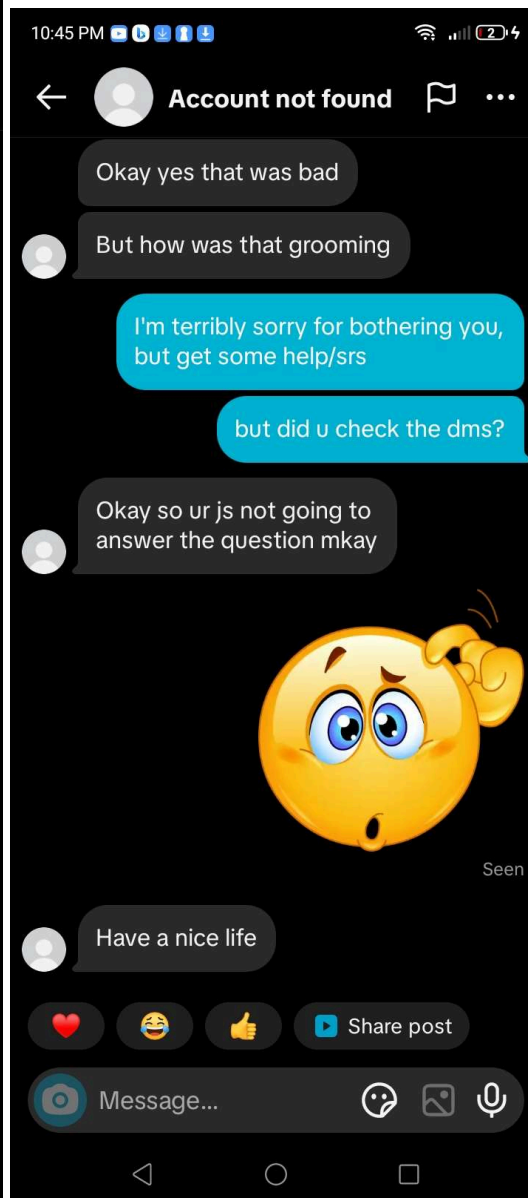

Hex put their name on blast before these messages were sent. So this memory screw up doesn't make so much sense to us.

M confronted Hex by his alt, prplelover.

Hex did not listen, and put M's name on public blast anyway.

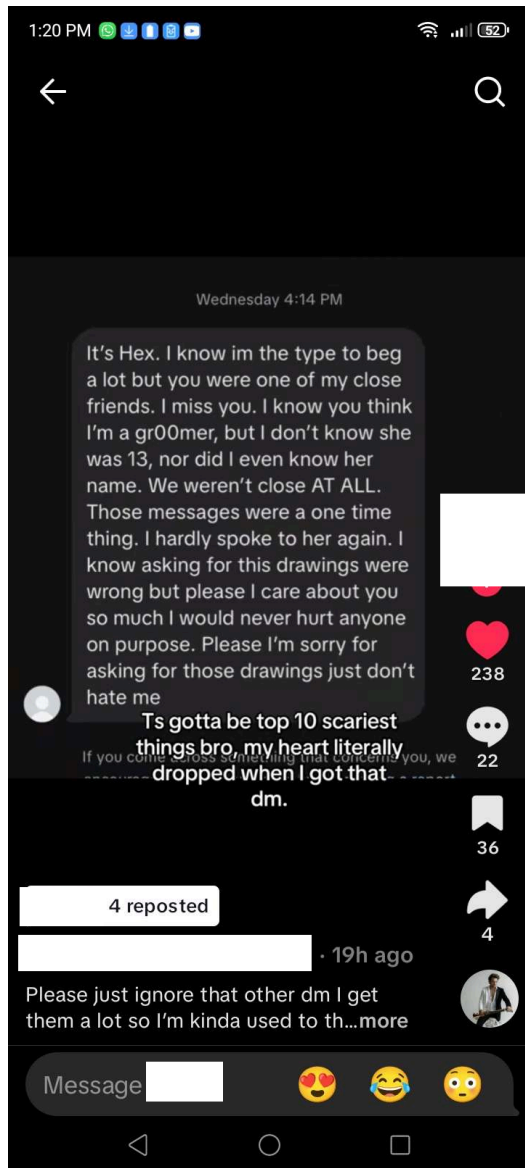

Immediately Hex throws M away like trash just because they aren't cooperating. Do you really expect them to cooperate with you when you just groomed them? **No. It doesn't always go like that.**

This DM sent to M by his alt? I will state it now because EVERY groomer does this.

ANYONE CAN GROOM A MINOR, WHETHER IT'S AN ADULT OR A MINOR. HEX IS 17 AND IS ACTING LIKE A CHILD AT AGE 13 WHEN HE IS ALMOST AN ADULT. **IN THE EYES OF THE LAW, THE ELDEST WILL GET IN TROUBLE.** AND THAT. IS. **HEX.**

More was given on how Hex reacted to the situation.

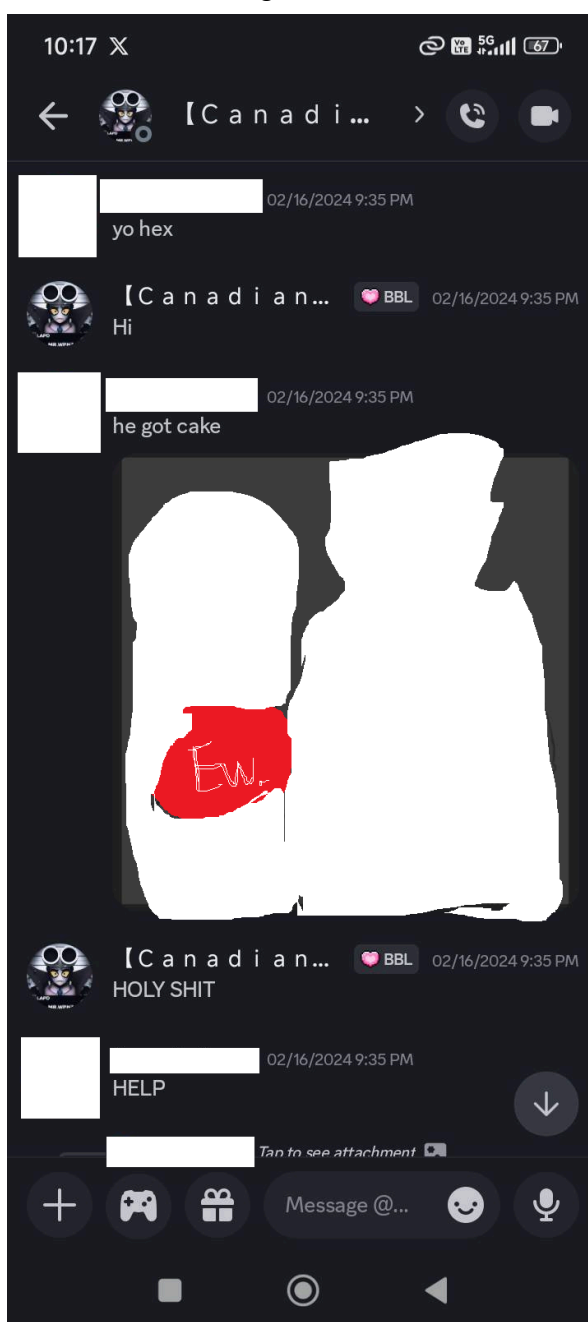

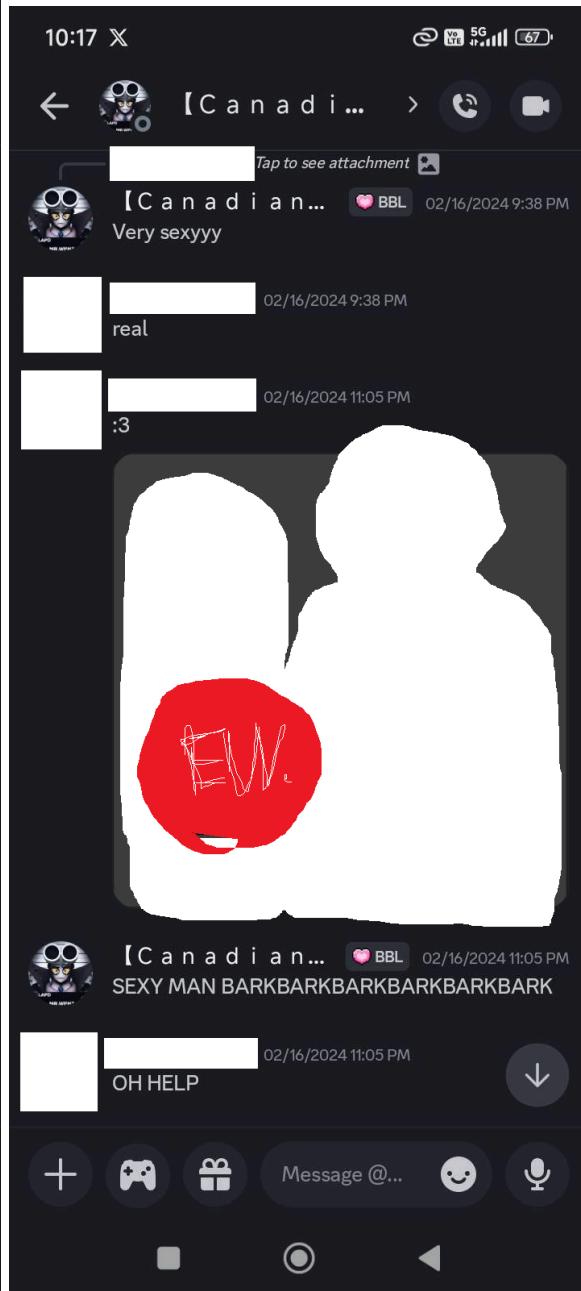

Even if M and Hex were never close, this should have never been done. So in summary of this, Hex has groomed a minor. Does not matter what age he was, does not matter if both were minors, ANYONE CAN GROOM A MINOR. The one who instigated it will be in trouble, and Hex has not taken accountability for it, rather than putting M's name in public and continuing to defend himself like M was the one in the wrong.

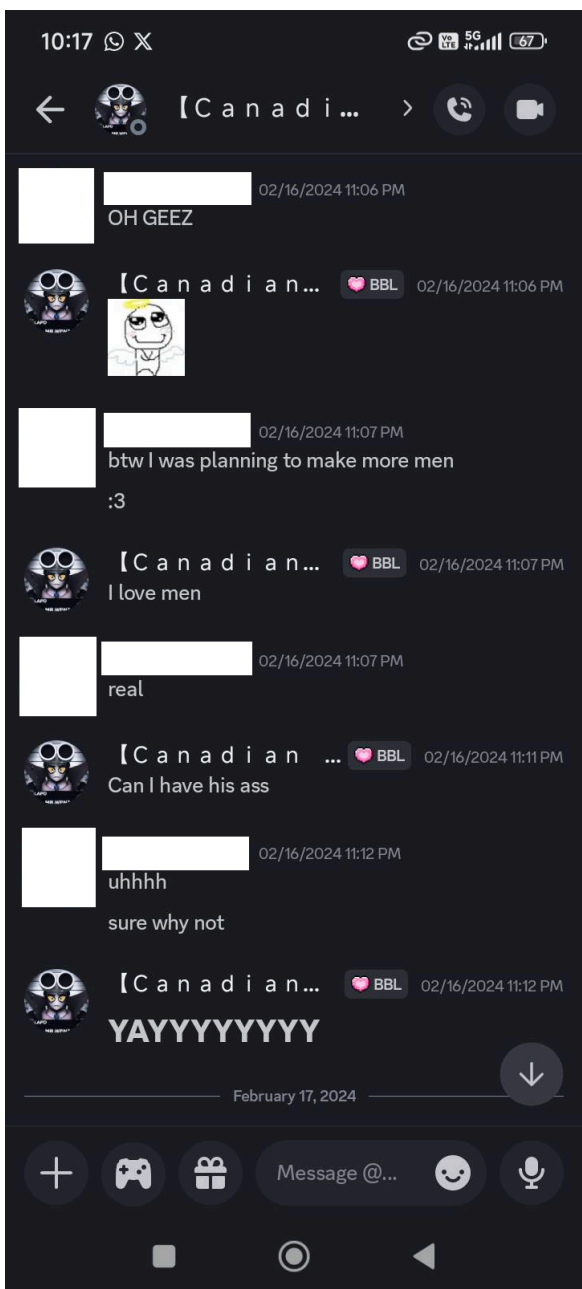

Falling in love with OCs from minors.

There is lots of evidence confirming that Hex has been drooling heavily on people's OCs. The anon listed here will be F. One defender suspect here will be named Azi.

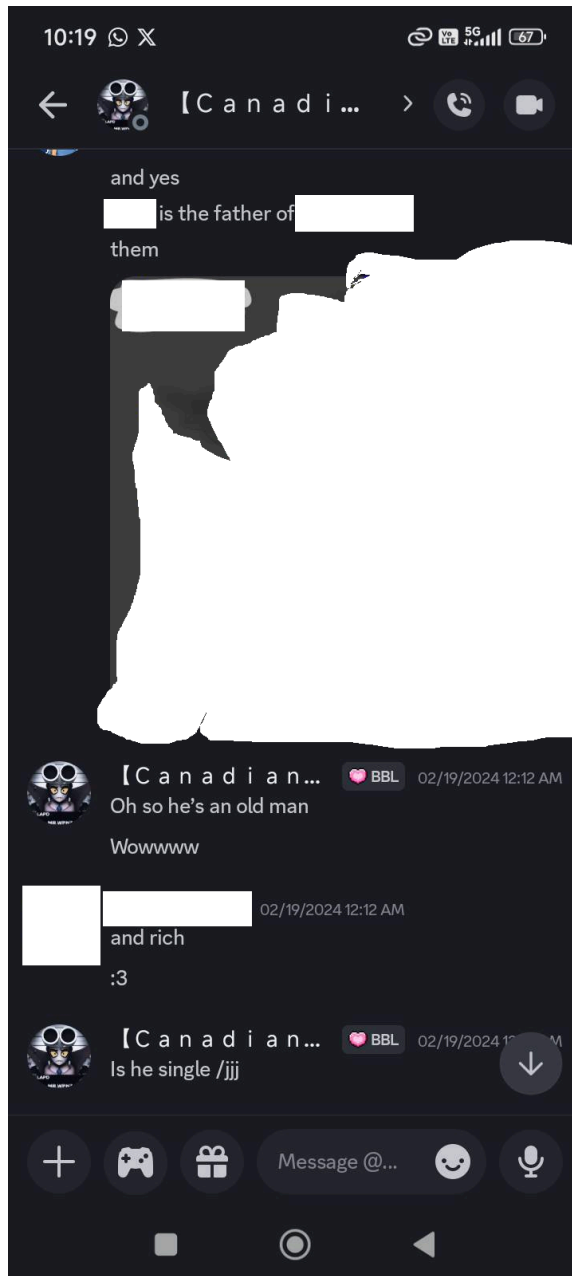

F was a minor as well, 16 years old, and wanted to make fanart for Hex and his now current ex Azi (was 17-18, but it's not Azi's age that counts here.), even proceeding to make NSFW art for him because of how pleased he was with it. Now this may cause contradiction due to the law, but again. Hex has instigated this and continued with it, not F. If anything, F just made fanart and Hex proceeded to enable the horny talk and the suggestive art. He let them make and say more of it, involving Azi in it.

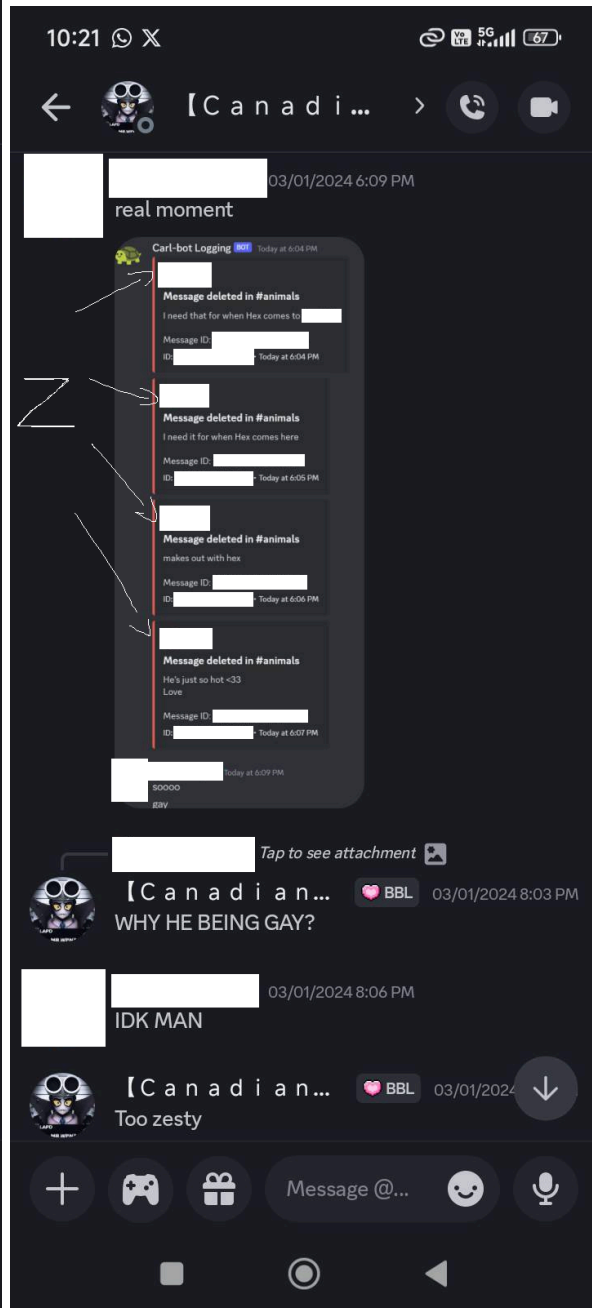

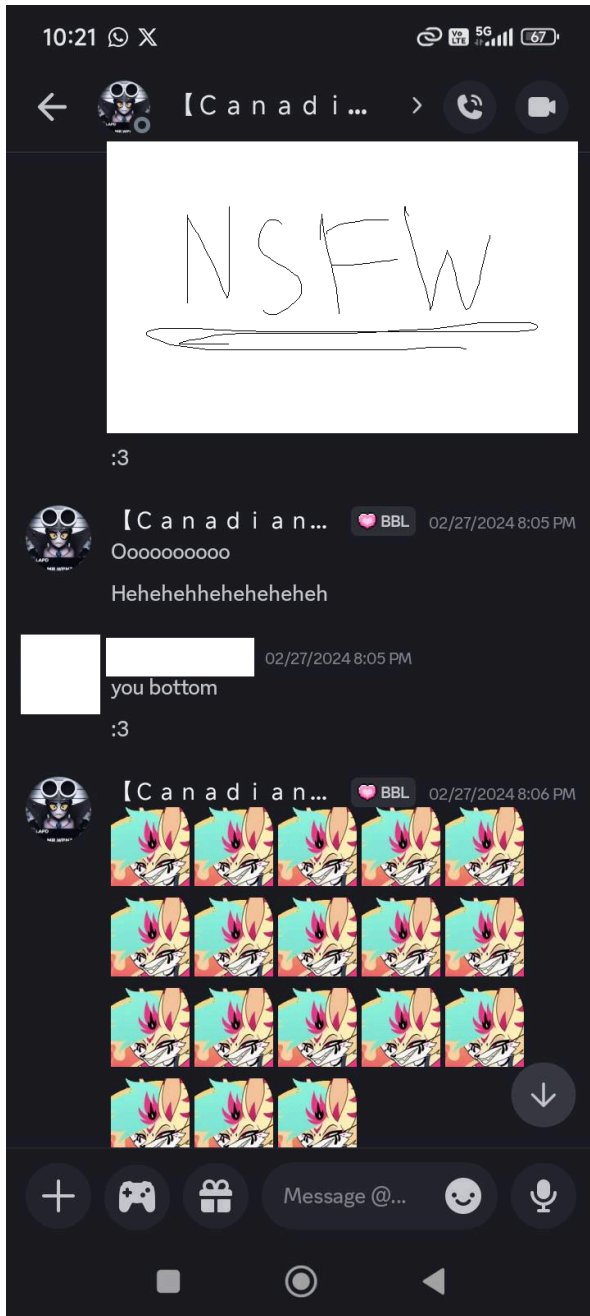

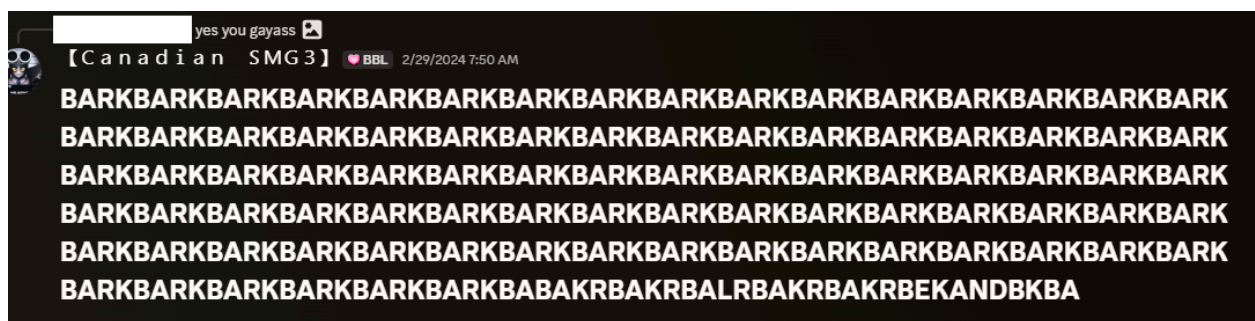

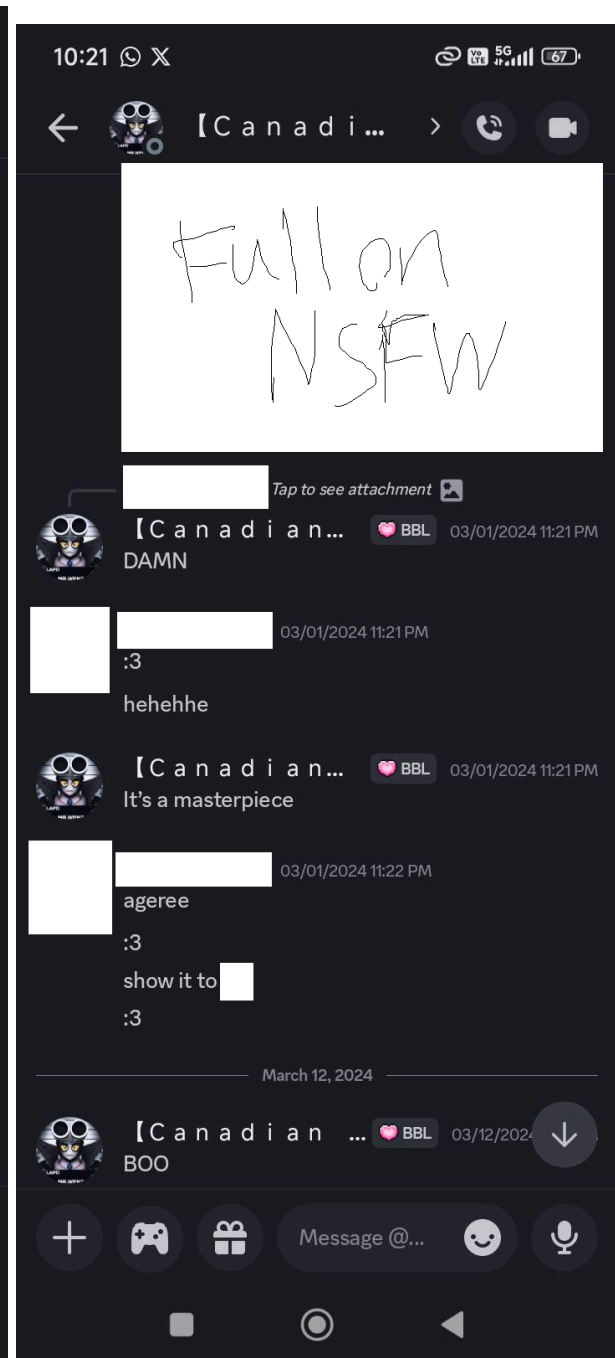

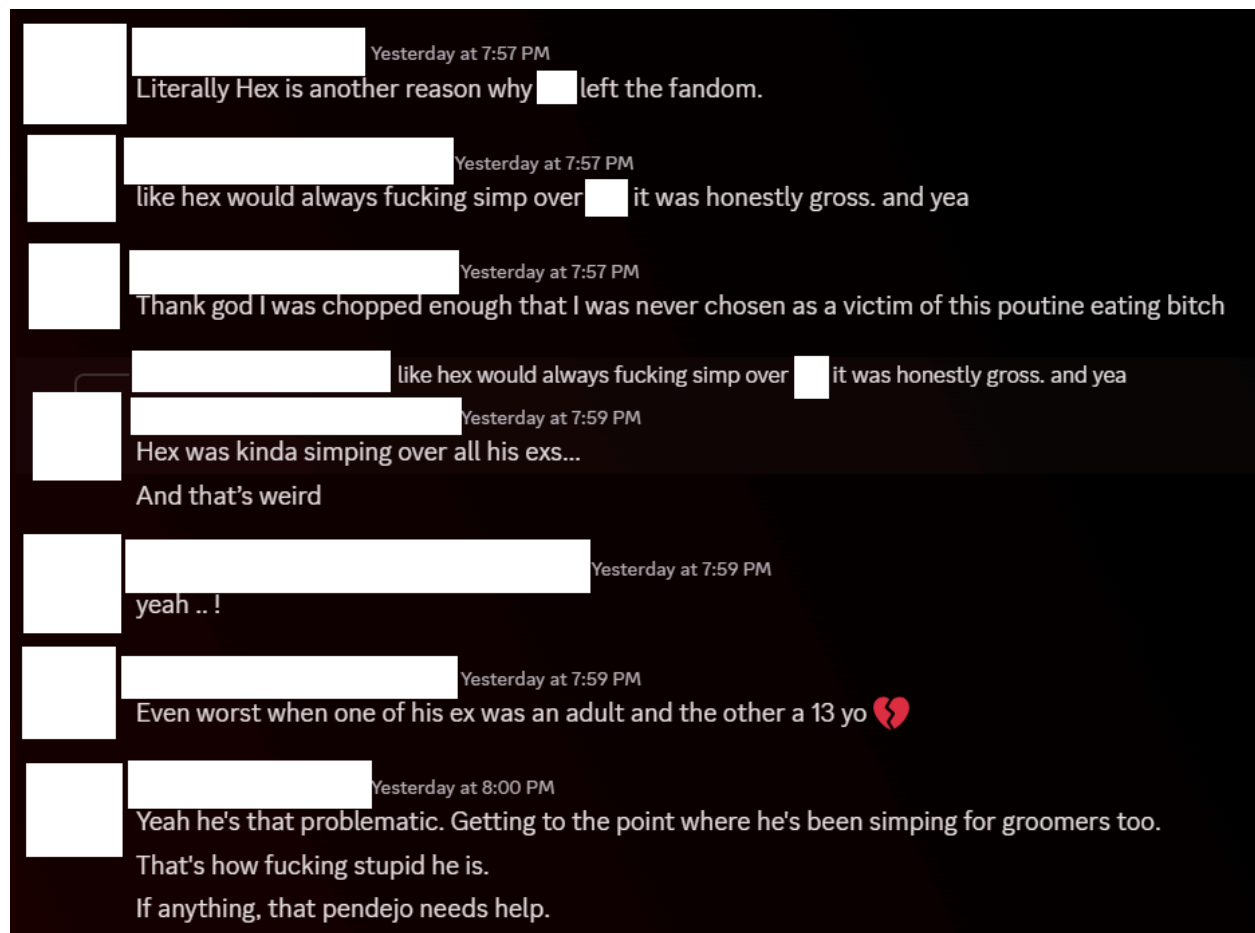

All of this was F wanting to please Hex for his relationship with Azi even going so far as to talk about NSFW and make it. Evidence from another server confirms some more reasons on why Hex and Azi broke up; his uncontrolled hypersexuality and desire to be together with anyone, even **adults**. Azi didn't go to Hex first. **HEX DID.**

The ex in question is Azi. The other ex is a minor that will be elaborated on later by the name of K.

To summarize this evidence, he has enabled NSFW talk with another minor despite the fact that they're older. Doesn't matter if they were older, some people don't know as much as people younger than them do, and in this case, Hex instigated it when he should NOT have done it. Law says otherwise, but the instigator is the real problem. **Do not try to defend Hex over this because you are ignoring the fact I just stated before that he groomed M. He has groomed more than only the person M.** F is a minor too. Azi has left the fandom and it could be because they have broken up with Hex along with the fandom's intoxications, but it was also confirmed that he is just in the

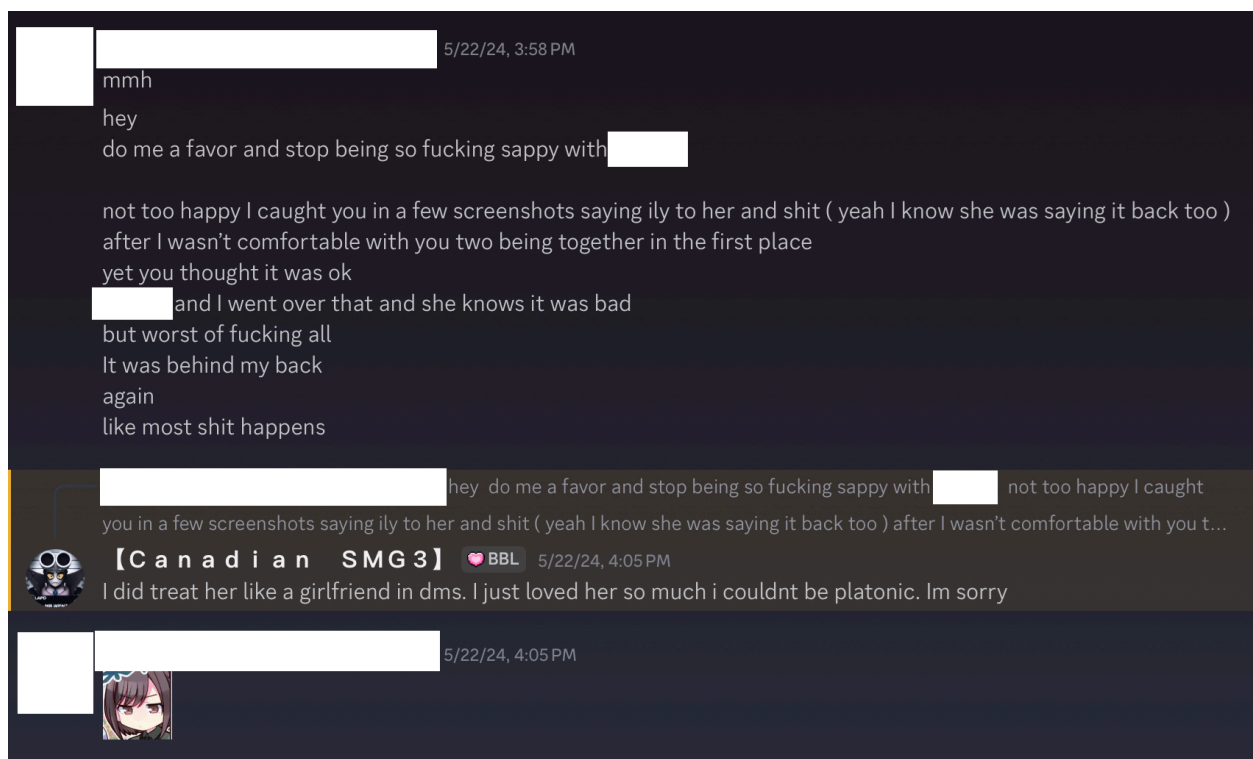

same allegation field as Hex; grooming minors and posting implied NSFW to his server full of minors. His callout document is listed here.

Callout on Azi/Azr0/Azryel

The worst case scenario is that Hex inflicted his actions onto Azi, but we don't know. It does not excuse Azi for his actions anyway. Overall, yeah. Hex has groomed another minor and that's that.

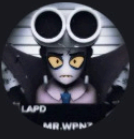

Flirting with someone's partner.

The users named here will be known as O and H. They are both together and are both minors with a two year age gap. Keep this in mind as this will be for the next section. Hex has flirted with H and tried to make them go against O behind their back. This message confirms the incident.

Platonic? ***You couldn't be platonic? This doesn't excuse ANYTHING.*** Hex's trauma of being groomed doesn't do anything to excuse the fact he flirts randomly with people like H and he openly admits he loves H when they're TAKEN by O. Here is proof that he was flirting with H head first.

I'm always here for you

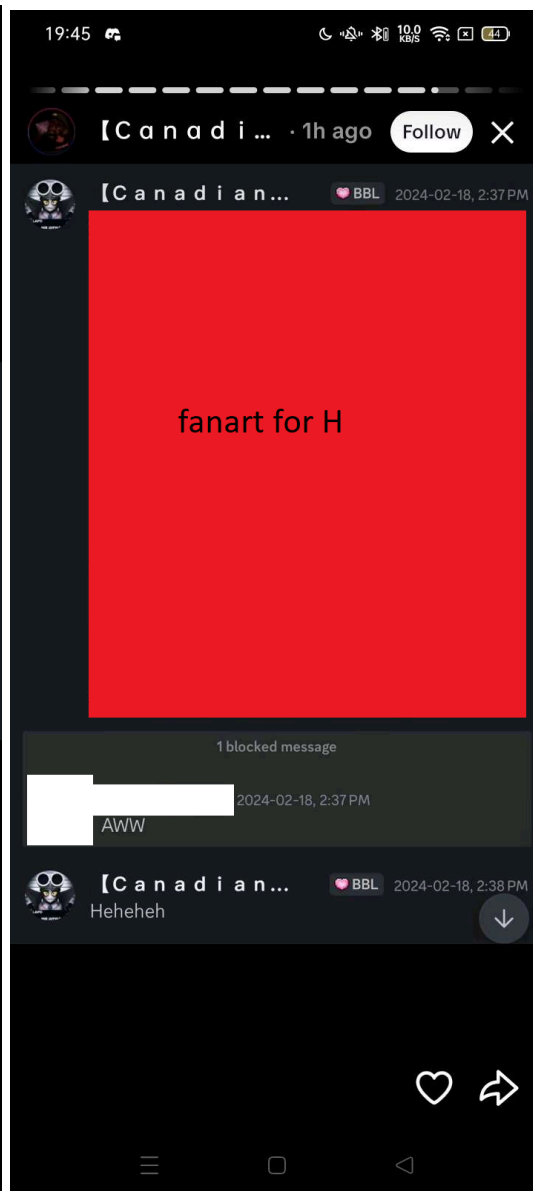

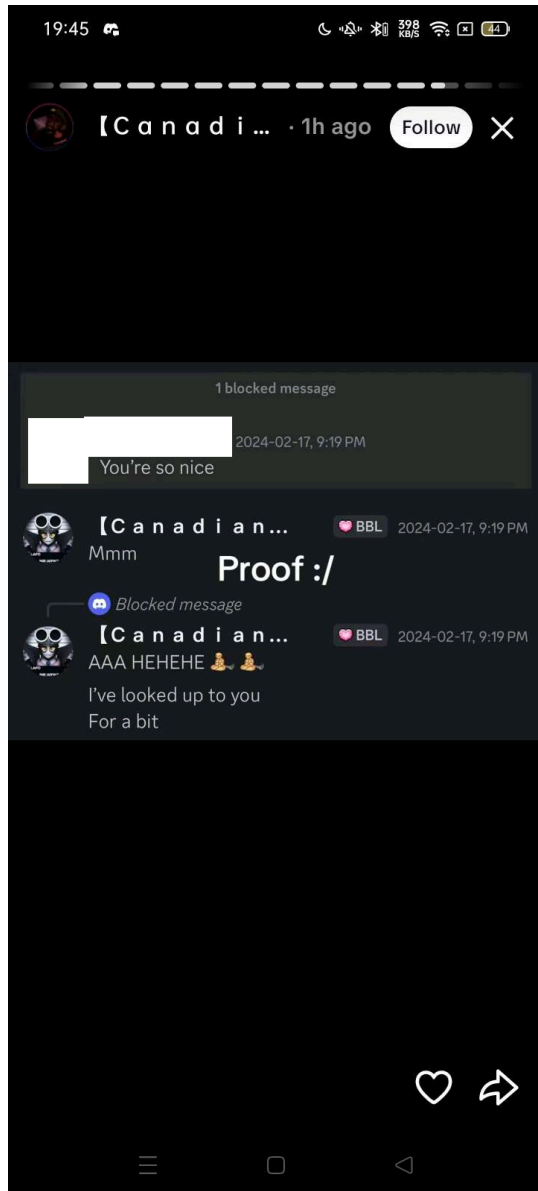

This was done by Hex only and not H.

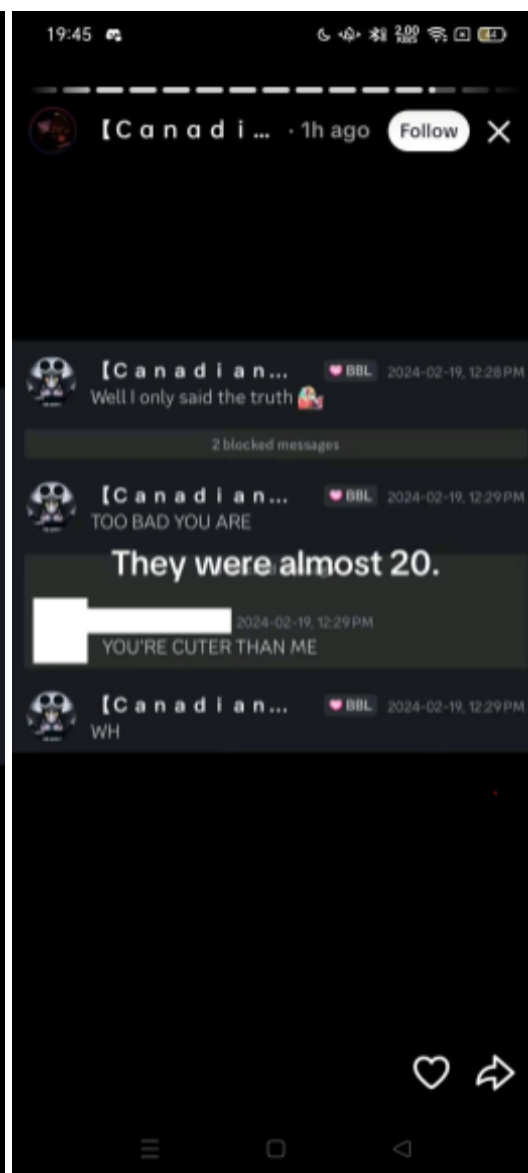

More proof with him trying to prove that H was a groomer when Hex flirted first. These are all fake, and Hex is in fact the one who's being the groomer, not H.

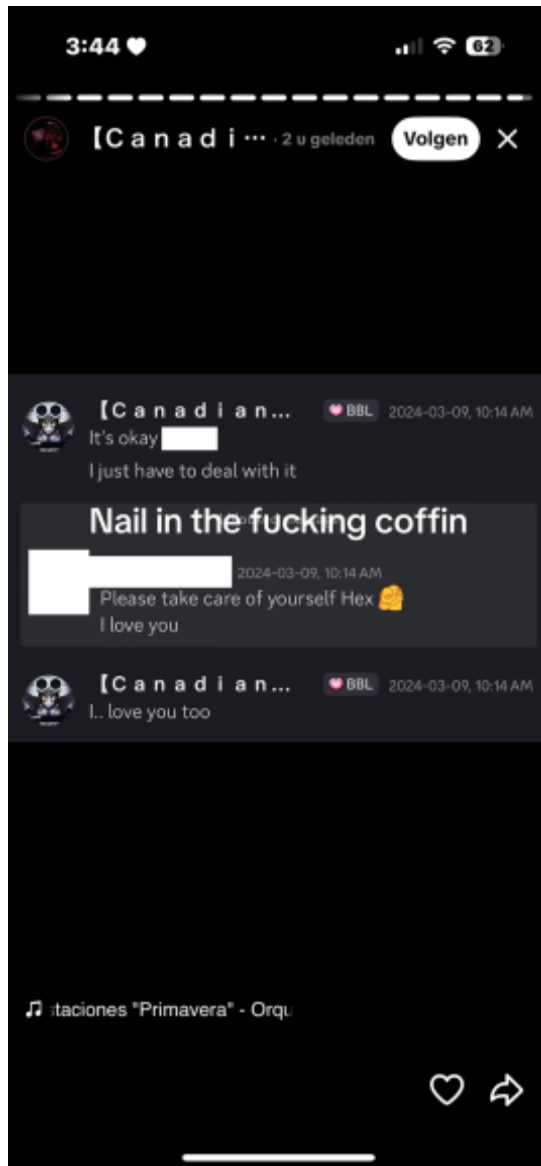

H has confirmed that they never started this, only going with the flow.

I will repeat again, Hex started the chain and not H.

Text in the screenshots are by another user and not the writer of this document.

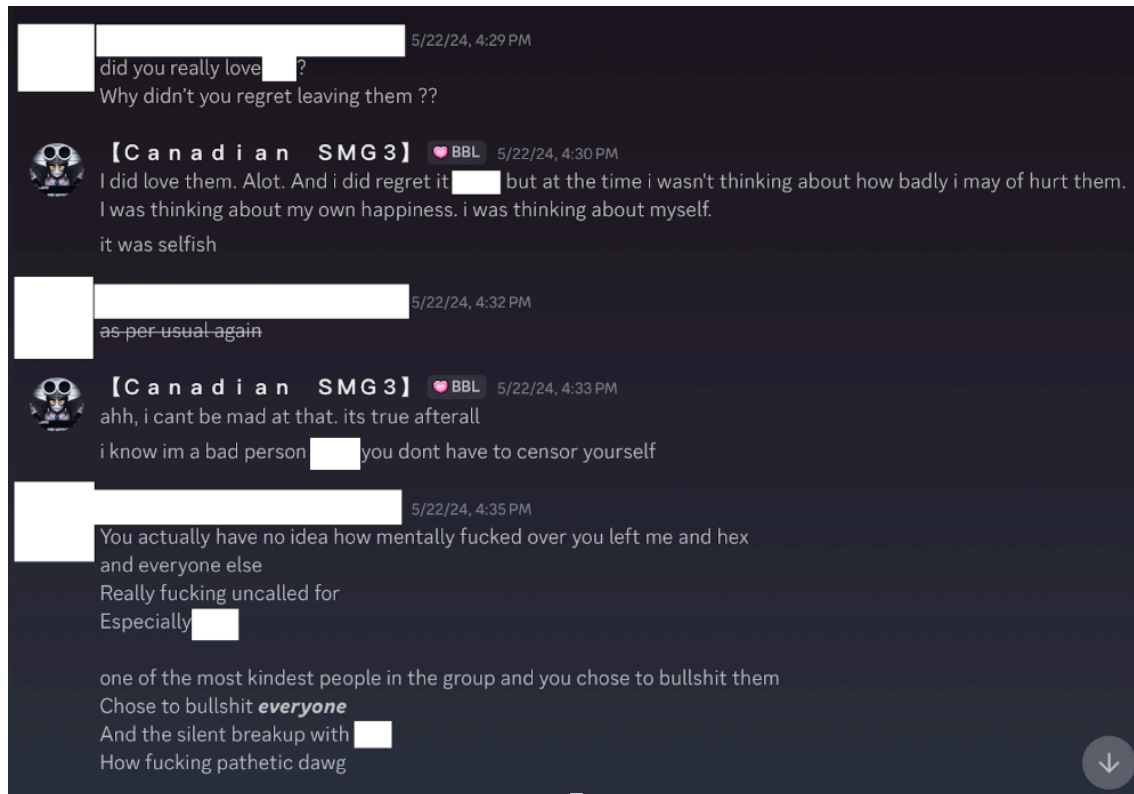

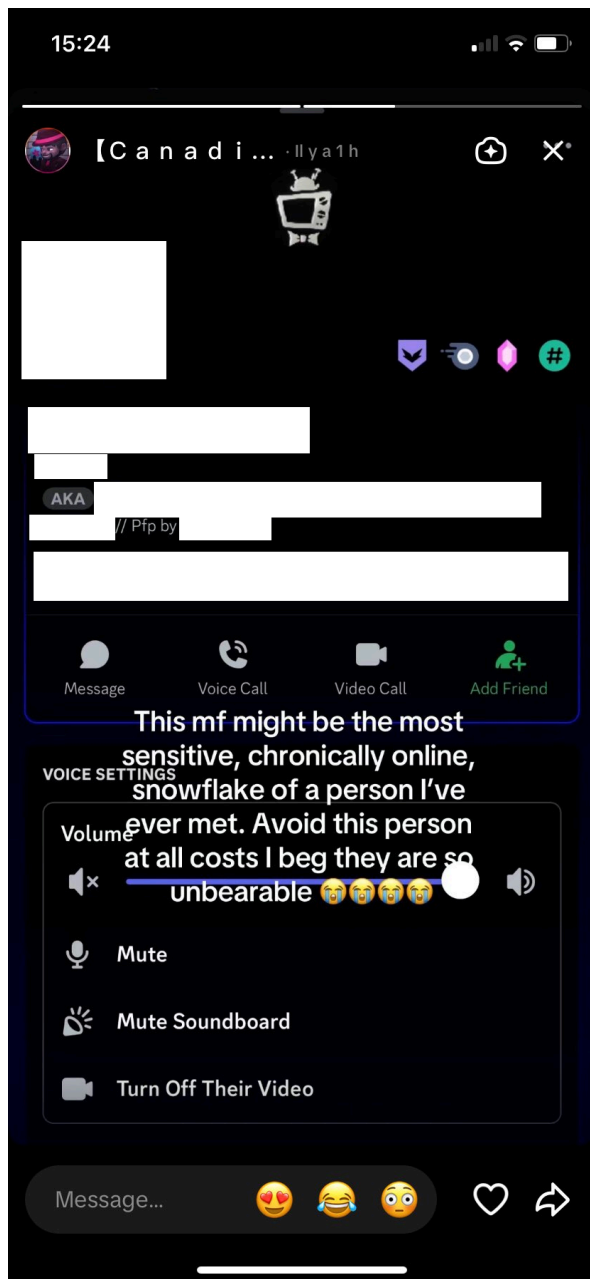

H's response to this along with others.

He was confirmed to have treated one of his exes, who will be named L, like garbage when breaking up with them according to this piece of evidence containing him explaining his ugly actions to O.

So yeah, he's thrown not Azi, but L to the dump thanks to his problematic self. Out of nowhere, Hex threw O's name into the public for petty reasons making L a target for harassment.

Drama went in fast, and he made an apology video that every dense person accepted. Then, once the allegations hit, he vents on to O saying that his desperate demeanor for Azi was the reason why he acted like that.

[Canadian SMG3]

5/22/24, 3:27 PM

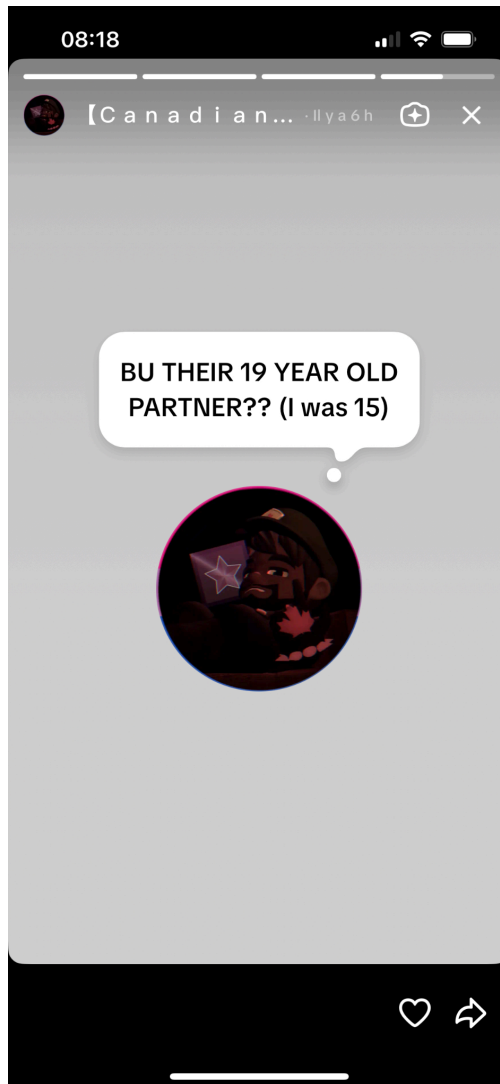

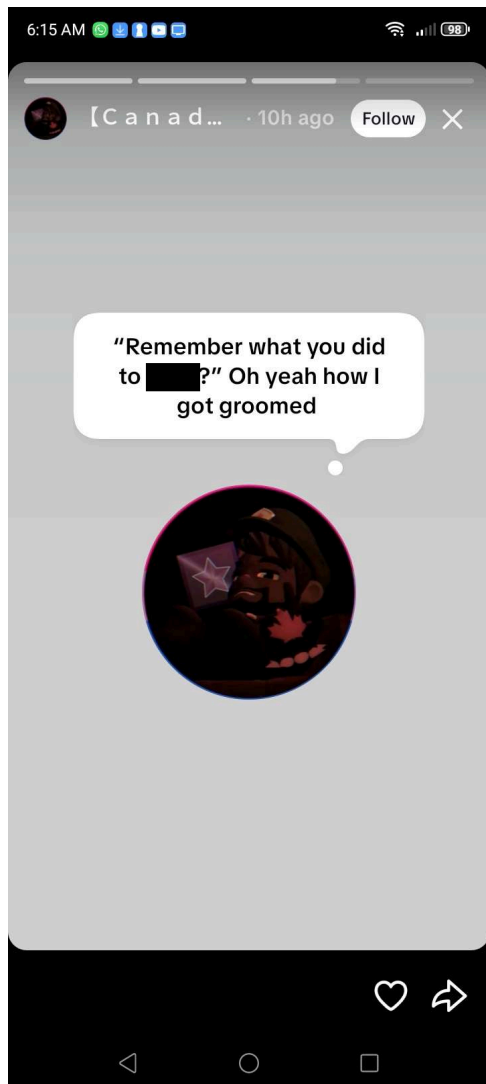

oh. when we dated? yeah, bitch move. i was so desperate for [redacted] to love me i did anything to make you look bad. that was wrong. i was wrong. I deserved your hatred in all honesty. i tried so hard to be on your good side, but at the same time i was a piece of shit. i juist wanted [redacted] to love me. such a horrible thing to do. and i know you wont ever forgive me, but its not like anyone likes me at tyhe moment. haha. but.. besides me, i hope you get the best in life. and i mean it too. i was a bitch. i did shitty things, shitty accusations that were blantant lies to tell the turth. and i know that.

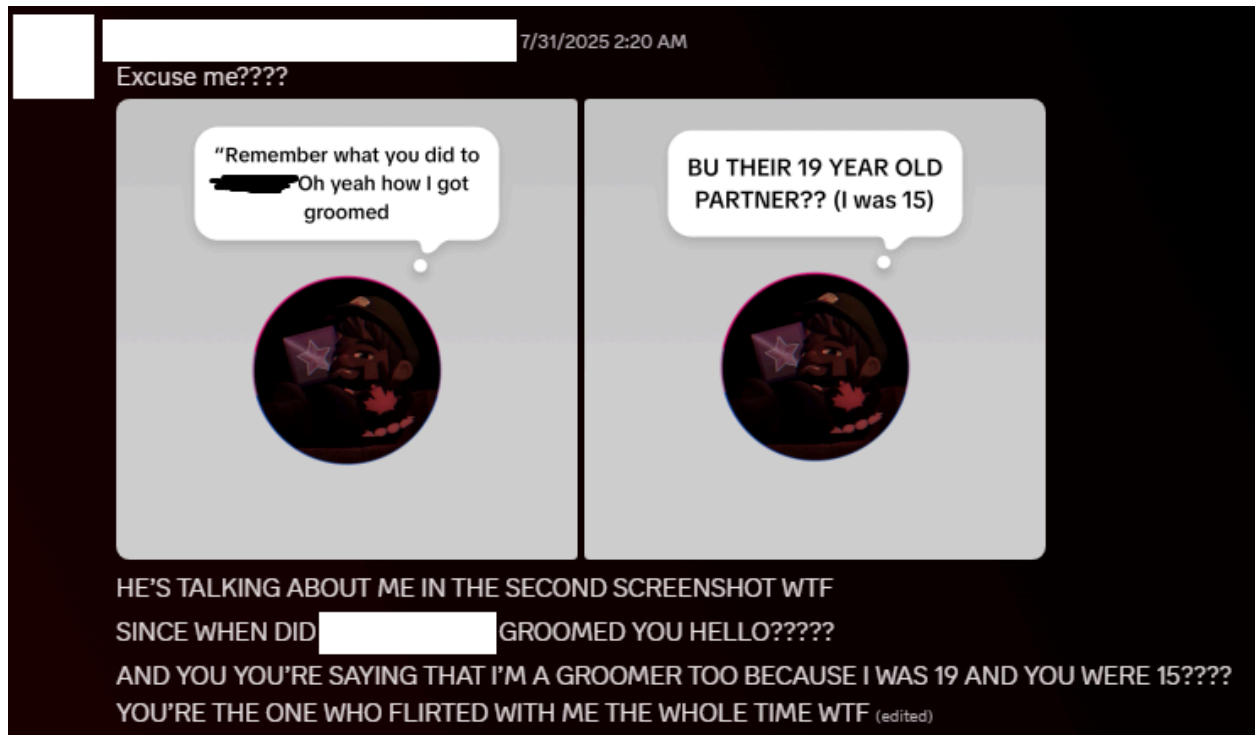

Yeah. ***Bitch move for YOU, Hex.***

So Hex uses Azi as a scapegoat for his behavior against O. We can assume that this is why Azi left the fandom because he was burdening them with his trauma and his ugly behavior towards your friends.

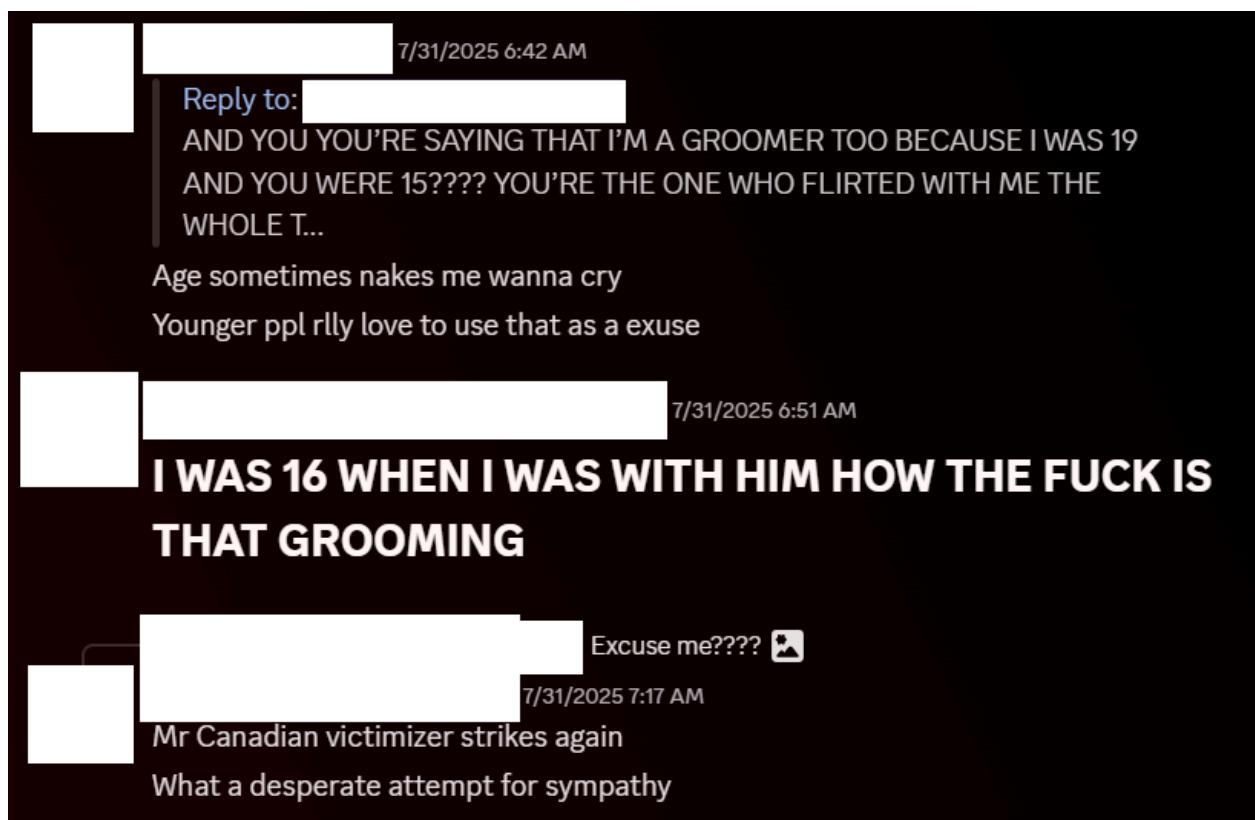

In summary, Hex has been problematic to O ever since they told him not to flirt with their partner H, but gives in to intoxication and throws O's name in public for nothing, and then guilt trips using his crap with Azi as a scapegoat. Disgusting.

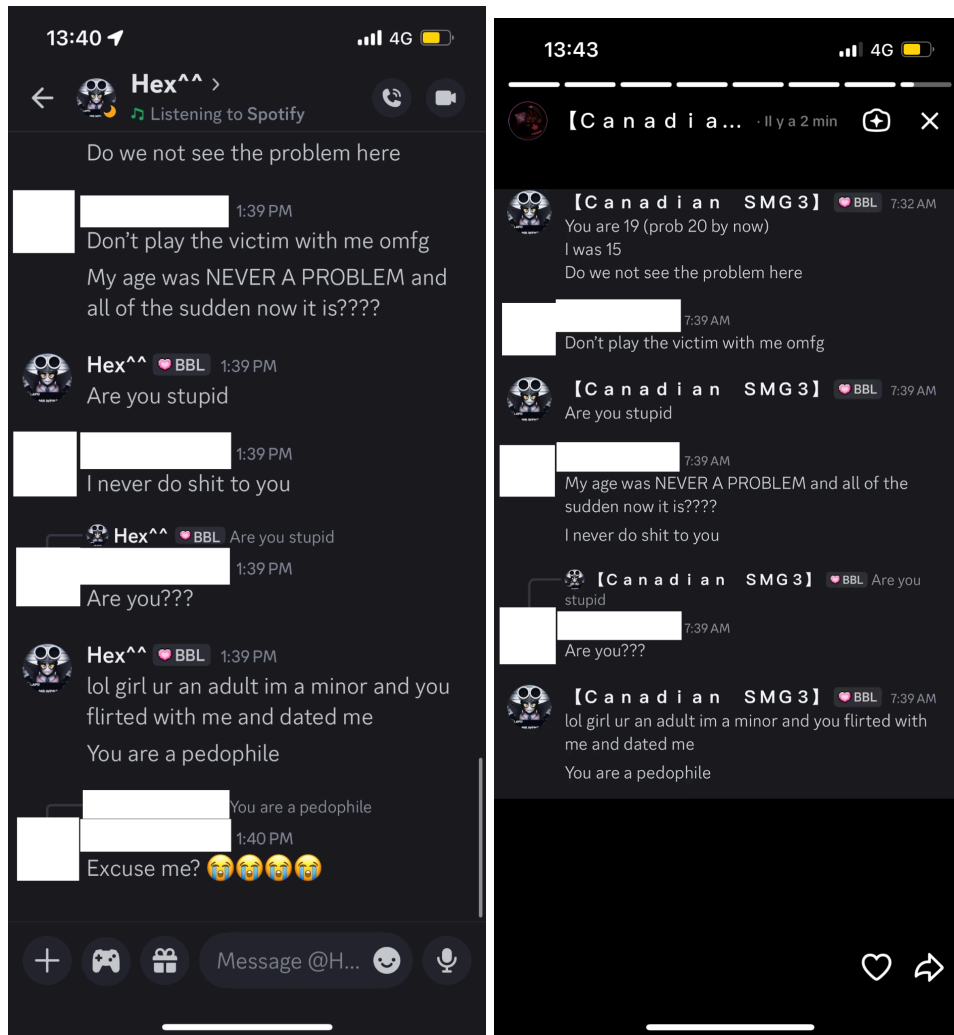

As of right now in 2025, he is now accusing H of being a groomer when he flirted with H first, and still throwing O's name on blast once more.

Yes, it is also confirmed that O has dated Hex too, but that will be elaborated on later.

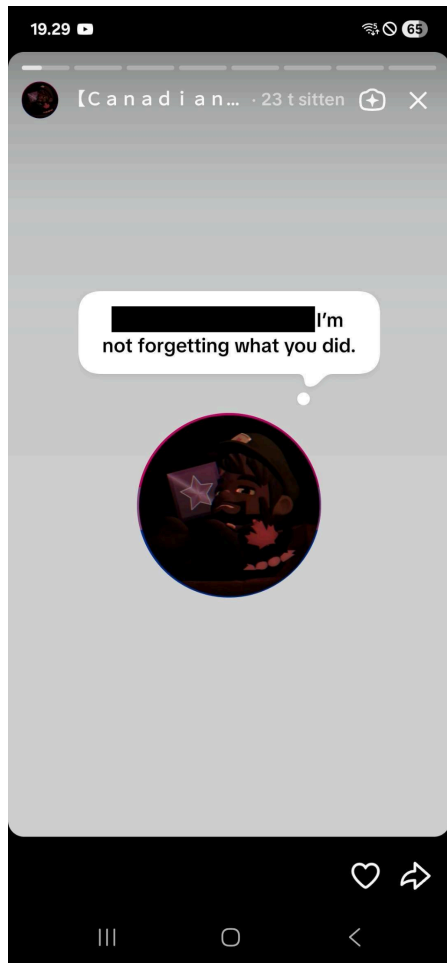

There will be more elaborated on this situation within the next section I will discuss.

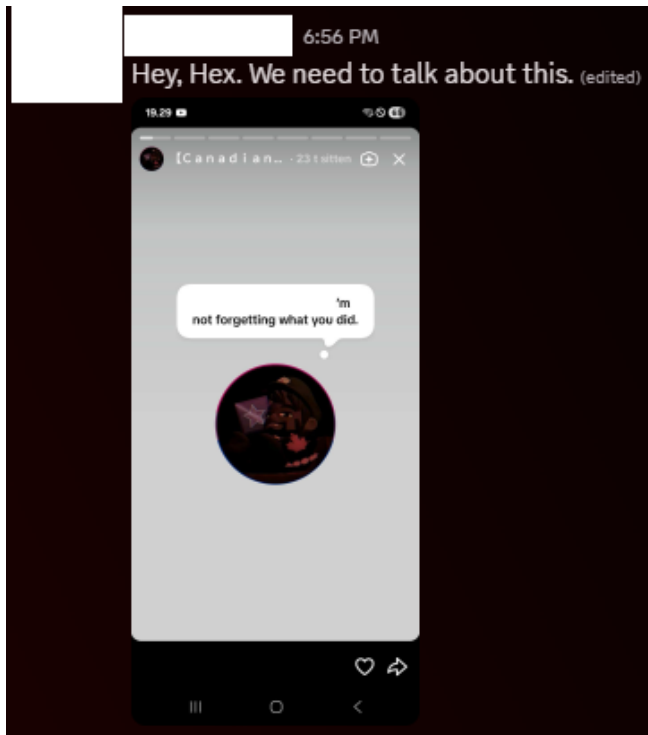

Falsely accusing someone of sending porn to others.

This user will be named D.

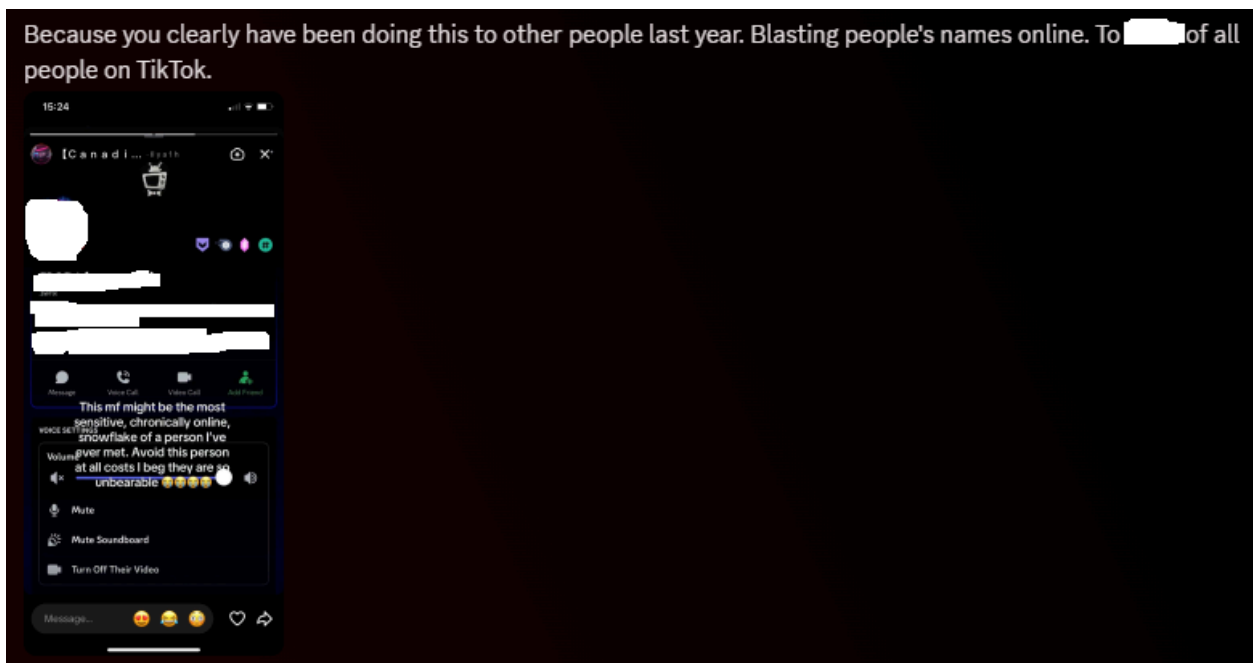

M has notified D of Hex putting D's name on blast over something they did, that D was unaware of.

D, still having his DMs on Discord, went to confront him.

They have also brought up the actions they've done to O too.

This is what D got in response before they got blocked afterwards.

I don't know what the heck I did, but that doesn't permit you to act like this, especially with kids online in the SMG4 fandom.

Now. Explain to me in a civil manner. Why are you talking shit behind my back? What do you have against me that is so bad that you do this? If I did something wrong, then explain what I did and I *will* account for it. (edited)

If you refuse to be civil, you're just gonna get called out for repeating this behavior.

【Canadian SMG3】  7:24 PM

You're an adult and I'm a minor

You sent me porn of smg3 and smg4

7:25 PM

I didn't??

I don't see any history in this Discord chat showing that

I don't even remember sending that to you, plus I already knew you were a kid at some point (edited)

【Canadian SMG3】  7:27 PM

7:27 PM

...I didn't make that render. Someone else did.

But I don't remember sending this at all.

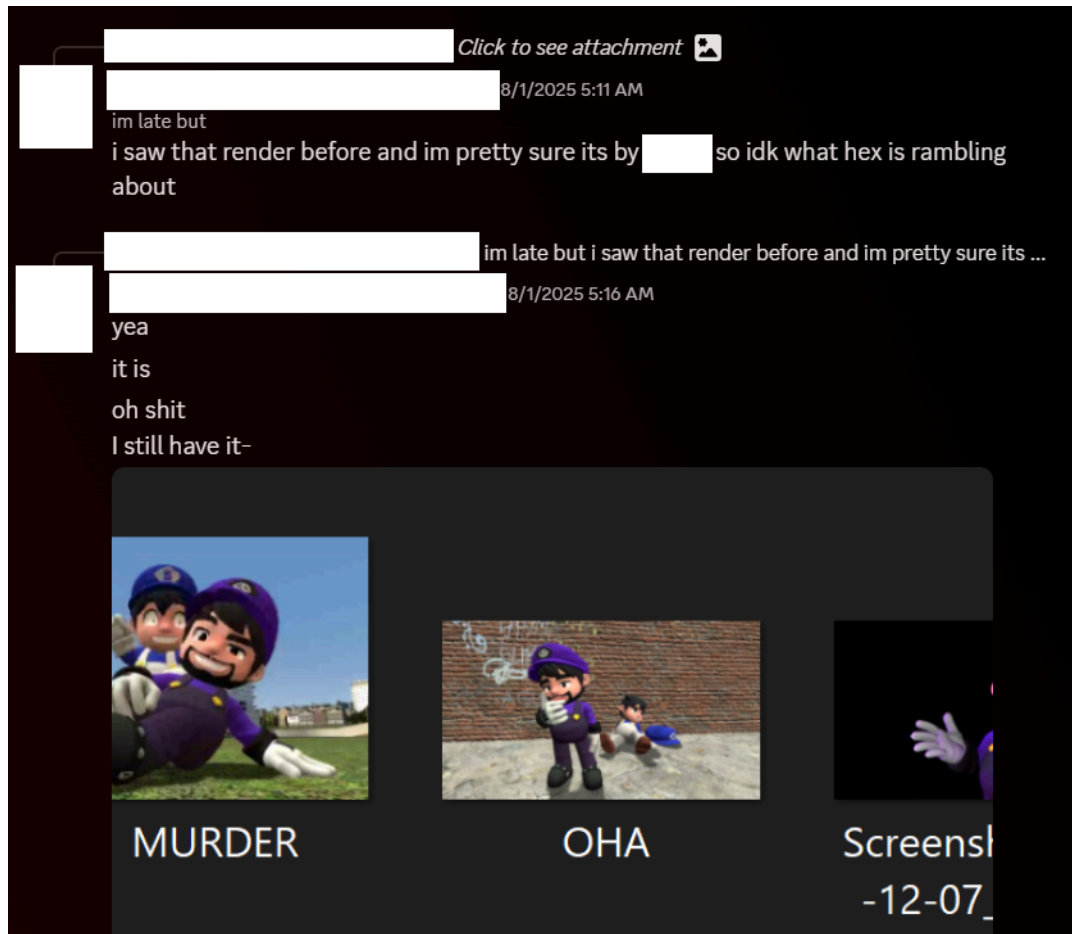

Neither do I remember the context.

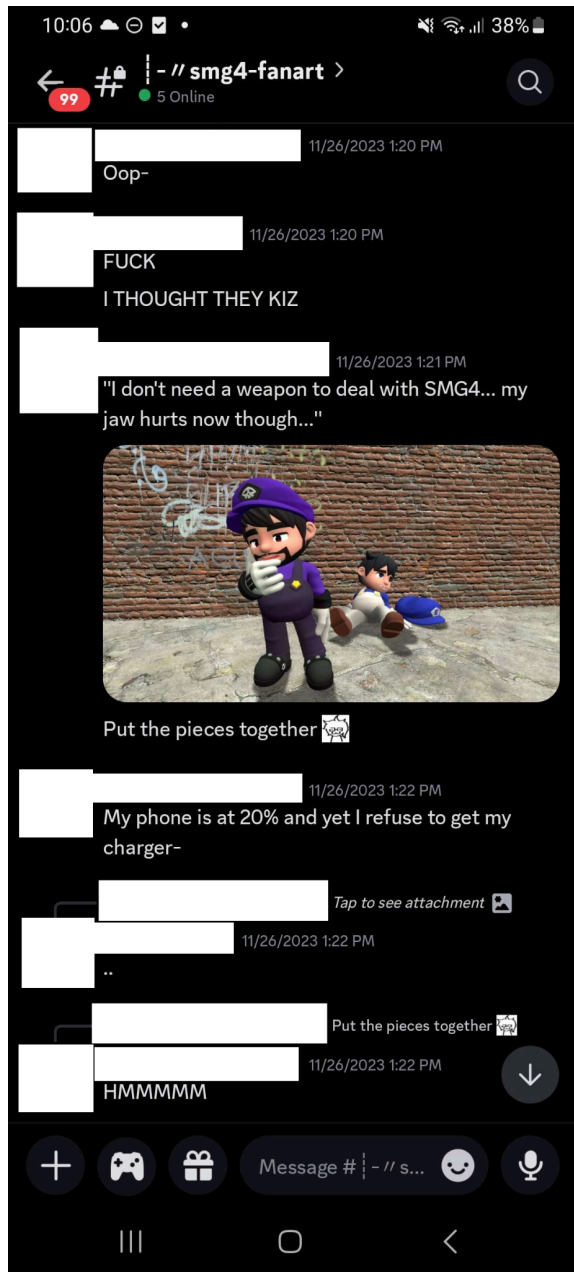

【Canadian SMG3】  7:27 PM

Leave me alone

So... No proof, but he still put their name on blast anyway. This raises the red flag more. Here is proof that the render wasn't made by D and was in fact made by Azi sent to others. ***Unfortunately, Azi did this on his own accord, and Hex tagged along with it.***

Once the callouts were posted and more callouts came to light, D was then messaged by Hex from their Tiktok alt, @prplelover.

I'm a minor too please just leave me alone

Message request accepted. You can start chatting.

I don't even know who you are. Look, I'm not trying to attack anyone, I'm just spreading awareness. If that scares you, I'm sorry. But I'm not staying silent about this. If I am ever going too far, at least let me know and I'll tone it down.

August 1, 2025 20:03

I'm Hex on an alt account

I'm sorry okay?

I know I'm a mistake and I wish I could die and not be a burden anymore I'm sorry okay

I- Hex. You literally accused me of sending porn. I never did that. AT ALL.

I know you hate me I just don't know why other than the SMG3 thing and I'm sorry

If you come across something that concerns you, we encourage you to let us know by **submitting a report**

Replied to you

I- Hex. You literally accused me of sending porn. I never did that. AT...

I know because you've sent me really suggestive gmod art before and it got wiped after you unfriended me and restarted our chat

I don't know what the heck happened, but I checked through my message history and it shows nothing hinting of what I sent

It was probably me messing up my messages on laptop or mobile and deleting it quickly, that could be the case.

But again, I don't remember sending that image to anyone since my memory's screwed.

Look. I wasn't happy with what happened. I was given message from a friend about what you sent and believe me, I was not having it. I know you're going through a lot and yes, I am partially a part of that due to my mercilessness, but it doesn't excuse you to do this stuff to your friends and me.

If you're really sorry, then prove to me that you are and account to your actions instead of sulking around and talking crap about [REDACTED] when it's been almost a year that you made that apology video.

I'm not forgiving you either because all of this is just horrible and what you have done to [REDACTED] and their partner is just disgusting. It made me sick. What I want is accountability and peace from this mess.

If that can be done, then I will leave you alone for good.

If you're really sorry, then prove to me that you are and account to...

I do not give a rats ass about [REDACTED] He's my ex boyfriend and that drama was settled way over a year ago.

All I care about is bringing my groomer to light

Replied to you

I'm not forgiving you either because all of this is just horrible and what...

Their partner is 20!! I was 15!!! Why am I taking the blame??

15 too!!!

Wait. How old was [REDACTED] then when they were with their partner??

...age gap.

Dear God. That's more I learn by the day.

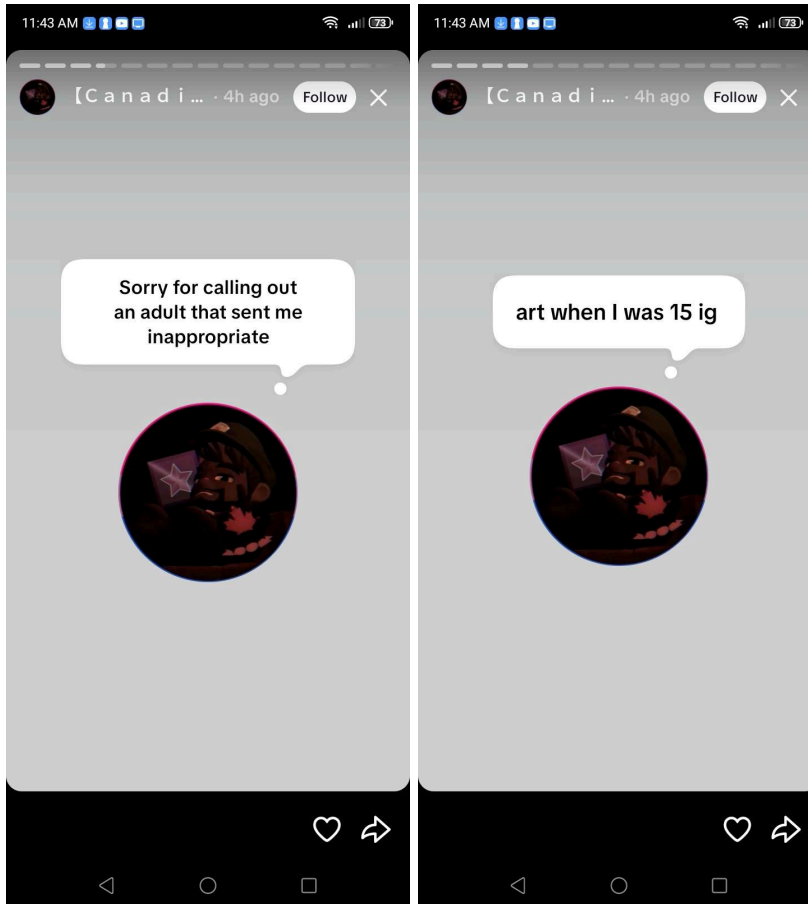

So Hex admitted to O that he was disgusting towards H but is now convincing D that H is a groomer and wants to bring them to light when he flirted with H first, and admitted that he never cared about O.

The confusion on D's belief of this will be elaborated on soon.

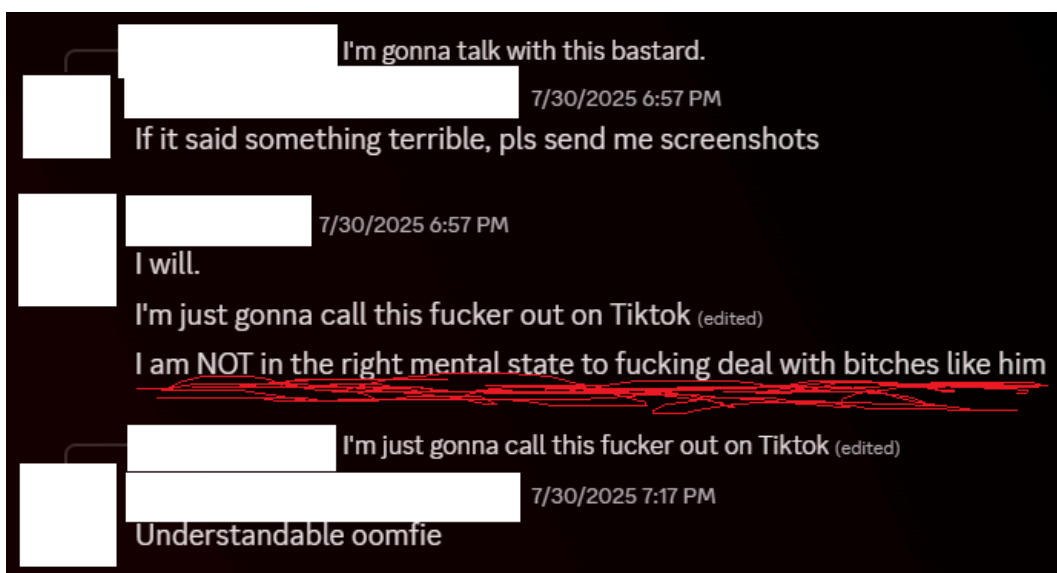

The responses were definitely a lie, as he soon threw M's name into the public and D retaliated afterwards with a block.

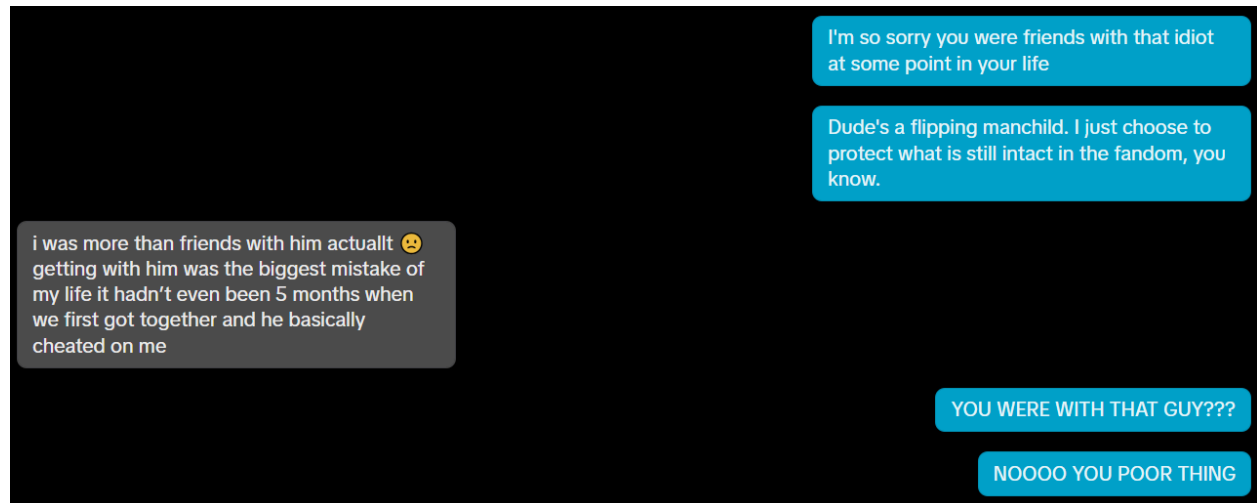

Hex proceeded to still talk publicly about what happened with him and D.

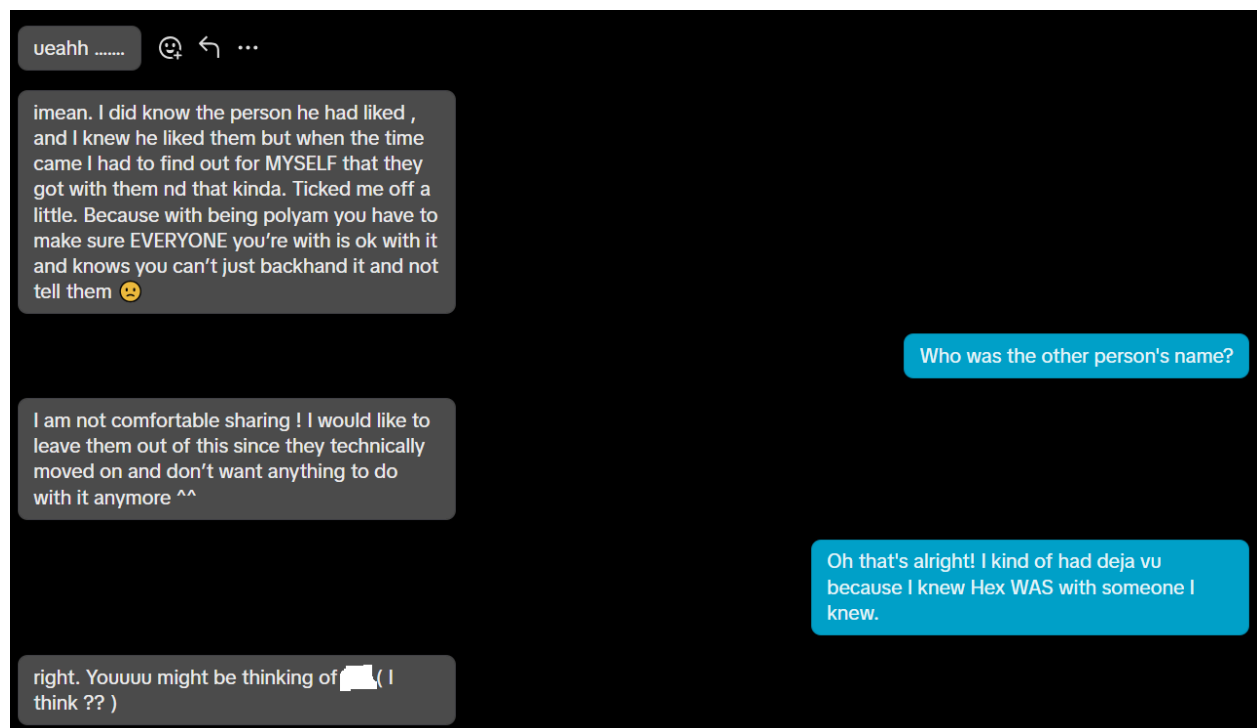

People will be mad at D for submitting to Hex, but it was confirmed that D was in a rough mental state due to other circumstances during the spiraling drama.

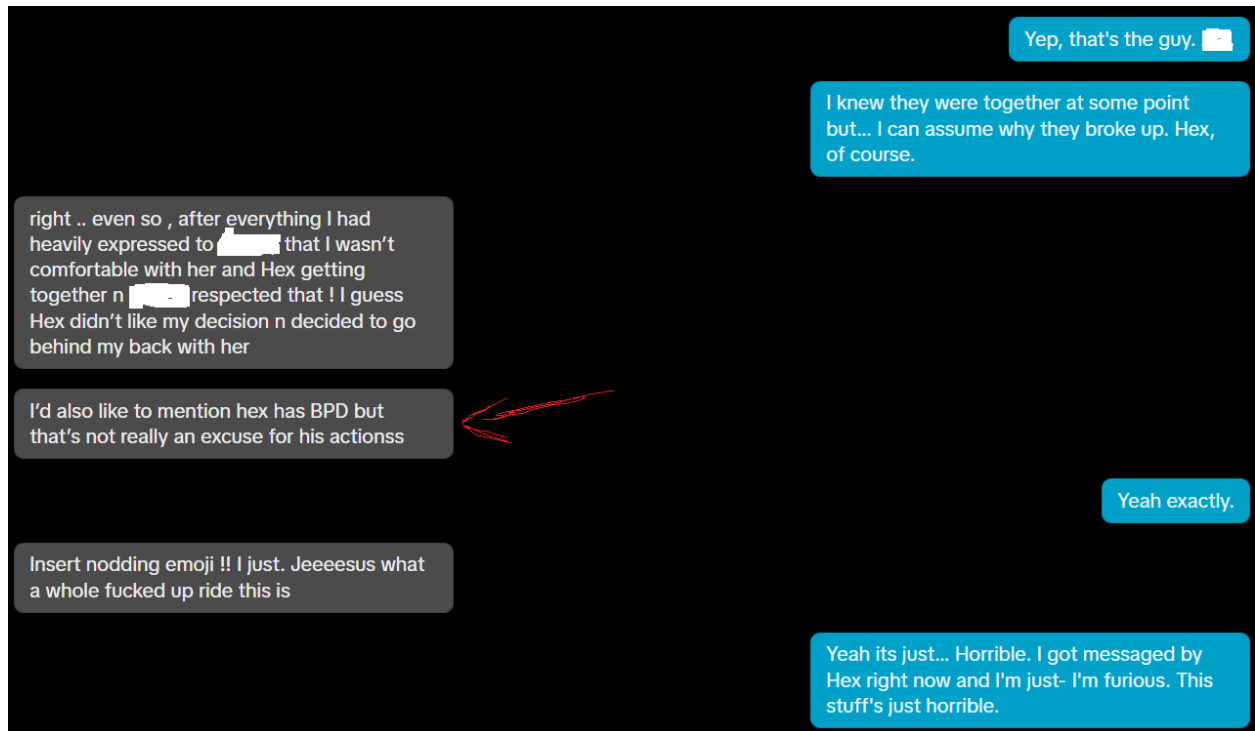

To elaborate on D's belief with the age gap, D was later contacted by O and was given more information between them and Hex.

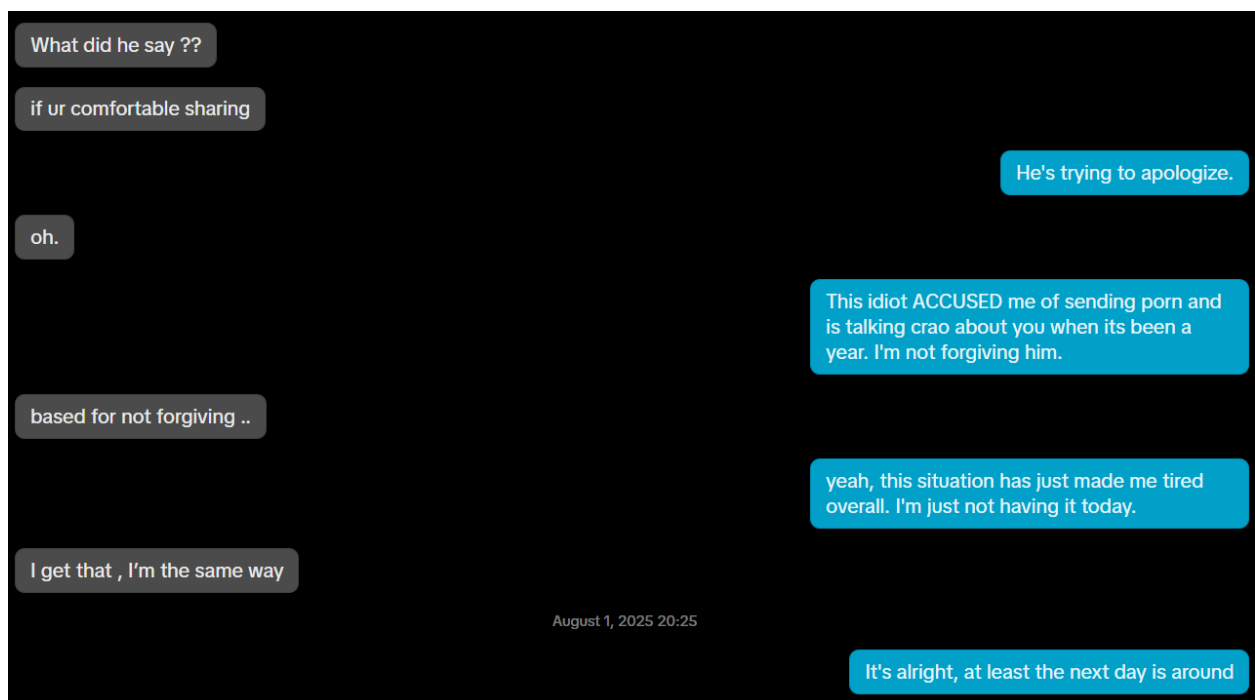

So it's confirmed that Hex was together with O for five months and then cheated on them for someone else, confirming on why he has a high online body count of exes. Continuing on, it was confirmed that the five year age gap was a lie and O and H have a two year age gap which is fine to everyone on the internet.

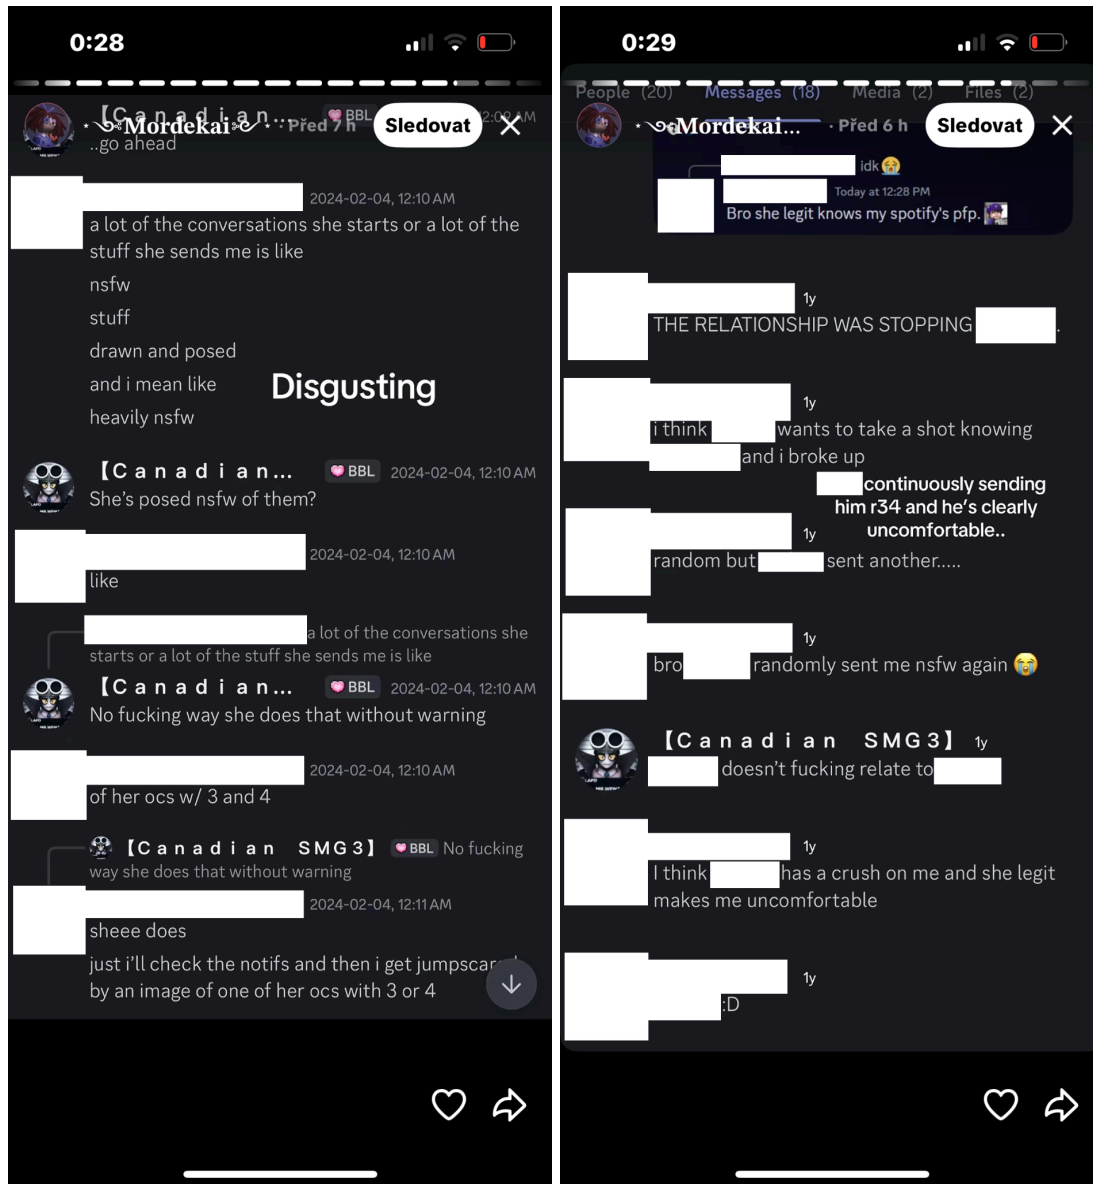

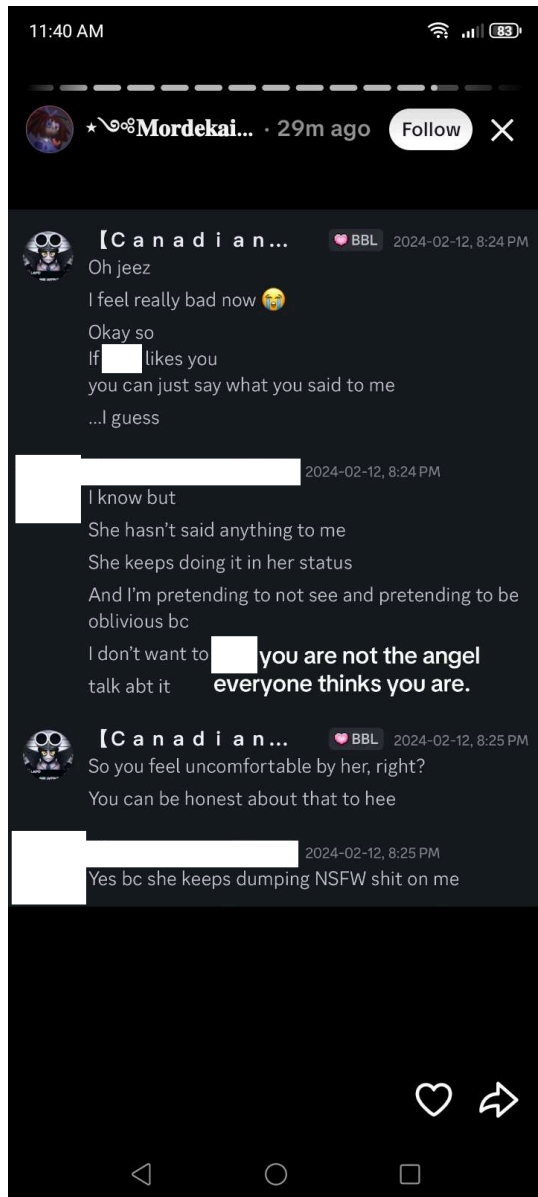

D also revealed the true motives that they were unable to assert when Hex messaged them in his alt.

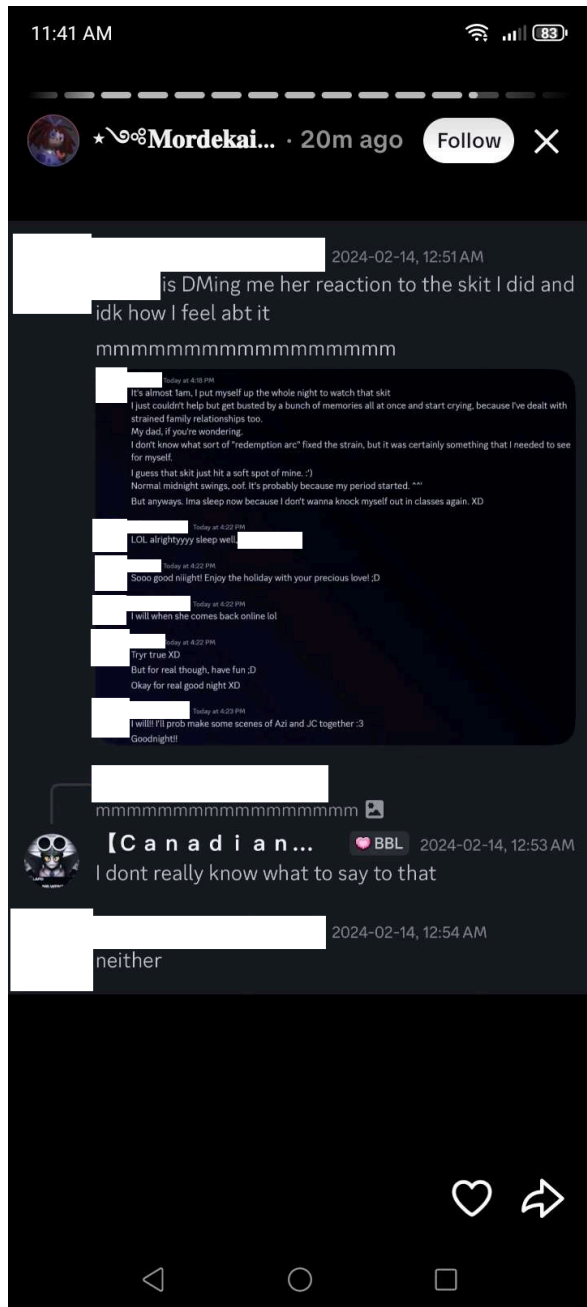

We have confirmation that Hex has BPD, but it doesn't excuse his actions whatsoever. D was at a rough time before the drama even came to light and the proof is right there.

Then Hex created more false allegations against D by using his DMs with Azi while putting Azi's name on public blast **WITHOUT PERMISSION**.

Proof that D never made NSFW of Z.

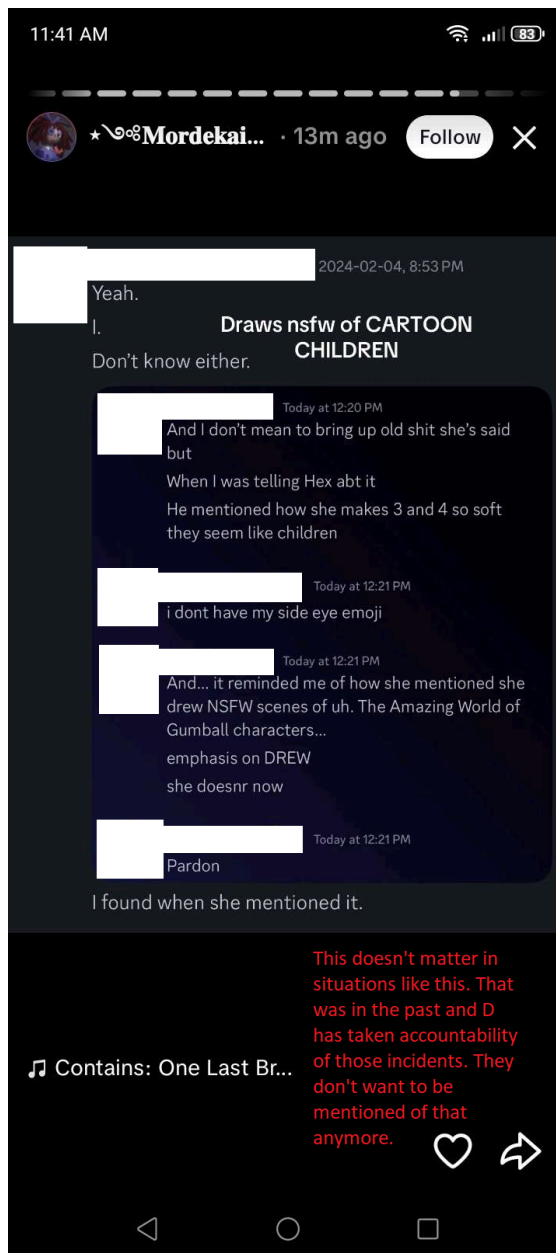

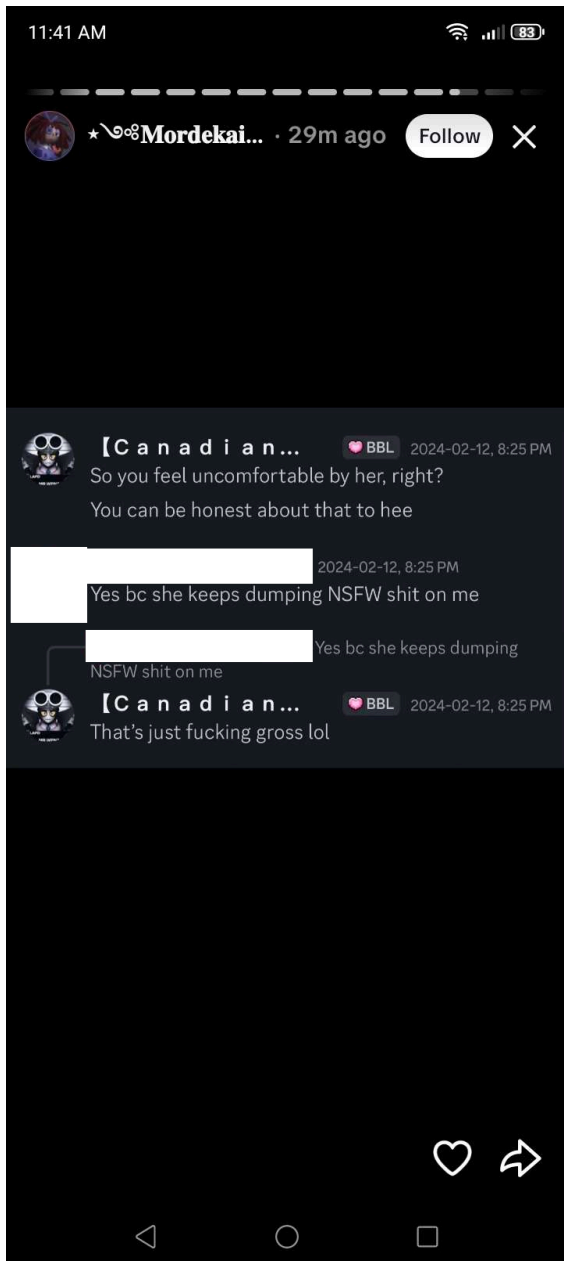

4:49 PM

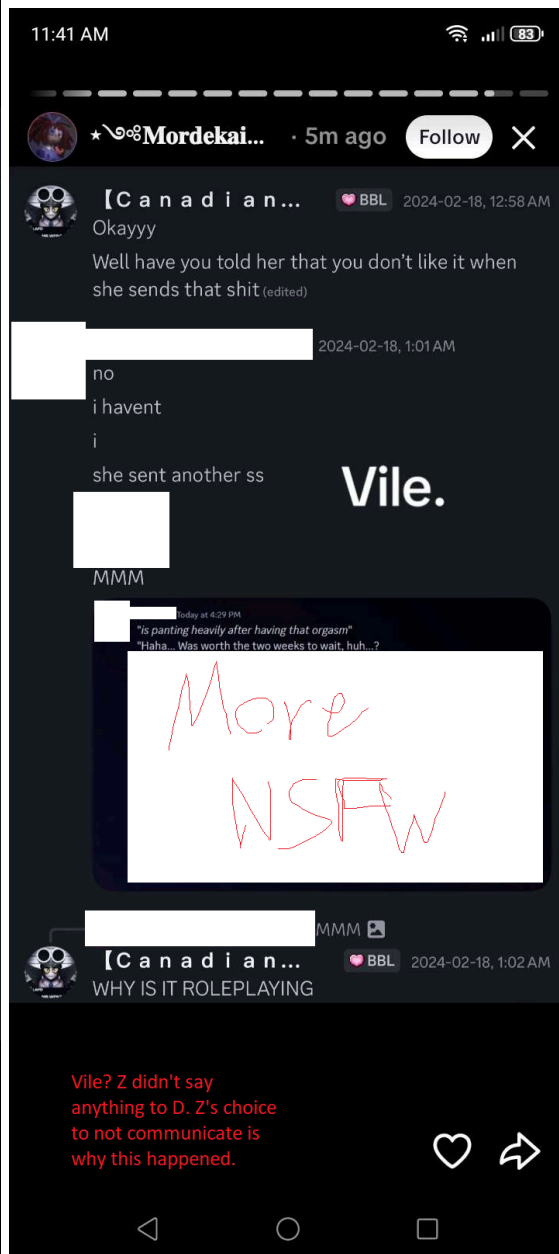

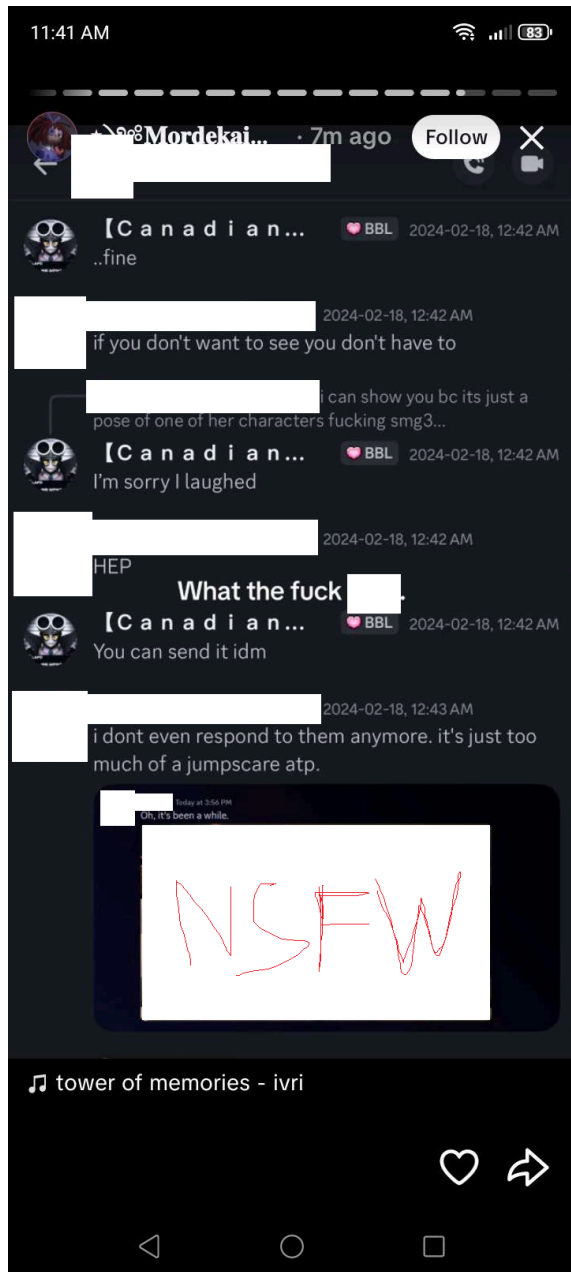

Also yes. I had a crush on [REDACTED] too. But it drifted away after I got hacked. Listen, I was out of it myself due to other shit, and I feel bad for even acting like that.

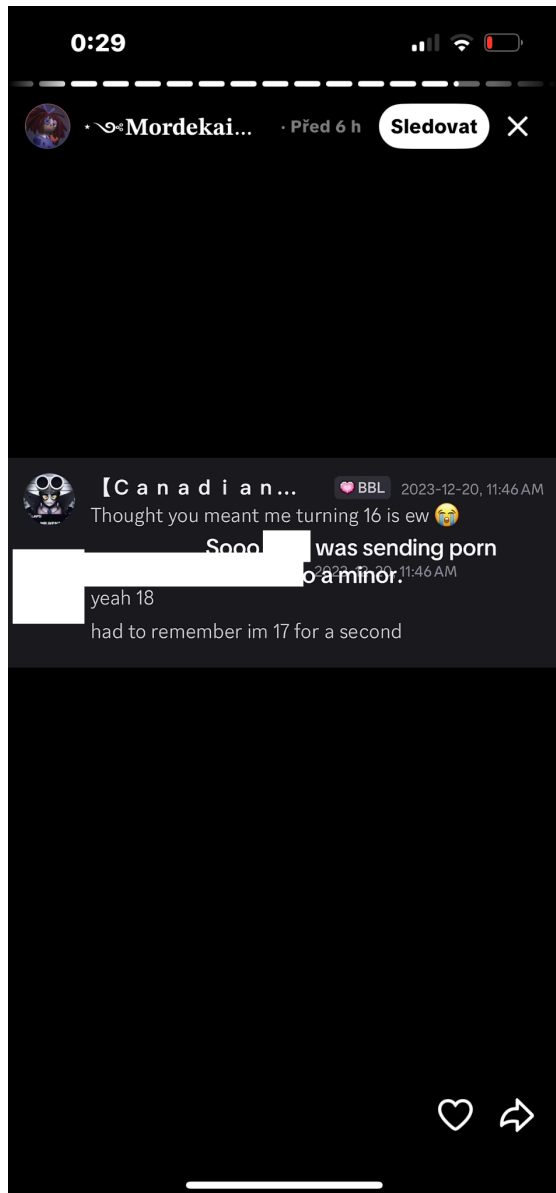

Hell, I fucking apologized for how too comfy I got. Even if [REDACTED] did shit too, I do gotta compensate for how messy I was as well.

AND FUCK NO I DIDN'T MAKE NSFW OF [REDACTED]'S CHARACTERS. I RESPECTED HIS BOUNDARIES BECAUSE THAT'S WHAT A FRIEND DOES.

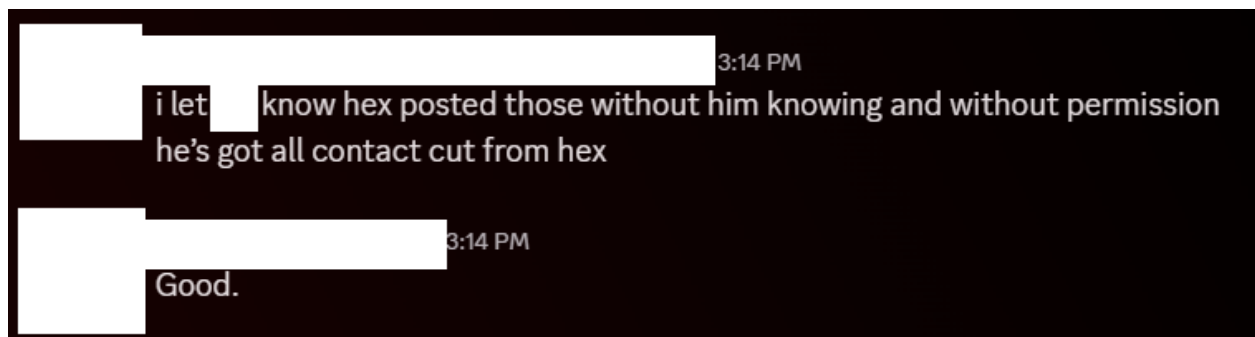

Continuing on.

Once this came out, O contacted Z, and Z cut off Hex for good.

Here is D's response to all of this. It's confirmed that D is NOT on good terms with Azi anymore thanks to his status of grooming her and more minors.

  [Click to see attachment](#) 

 5:24 PM

Just so everyone knows, I'm not looking at  the same way again. We're NOT on good terms anymore until he apologizes for this. He betrayed me and chose to vent to Hex about this instead of telling me upfront that I was making him uncomfortable, and that's the reason why this happened. If he told me sooner, *I would listen*. I get that he was afraid to say the truth but nonetheless I WOULD listen and respect his boundaries like I do to everyone here.

His lack of communication is what led to this shit, and I can't fucking deal with it. I don't like it when people don't tell me anything I did wrong because I never know what I did wrong until someone TELLS ME what I did wrong. If they're afraid because of my behavior, I get it, but it's better to say it than to run to someone and talk shit about me behind my back.

So much for the nickname  too... I feel sick knowing I was called that now.

 4:59 PM

 thinks I did. NO I FUCKING DIDN'T, WOULDN'T THAT BE SIMPING FOR OCS AND SHIT LIKE HEX DID?!

  thinks I did. NO I FUCKING DIDN'T, WOULDN'T THAT BE SIMPING FOR OCS AND SHIT LI...

 5:00 PM

WHAT.

WHAT

WHAT.

 THINKS UR LYING??

.

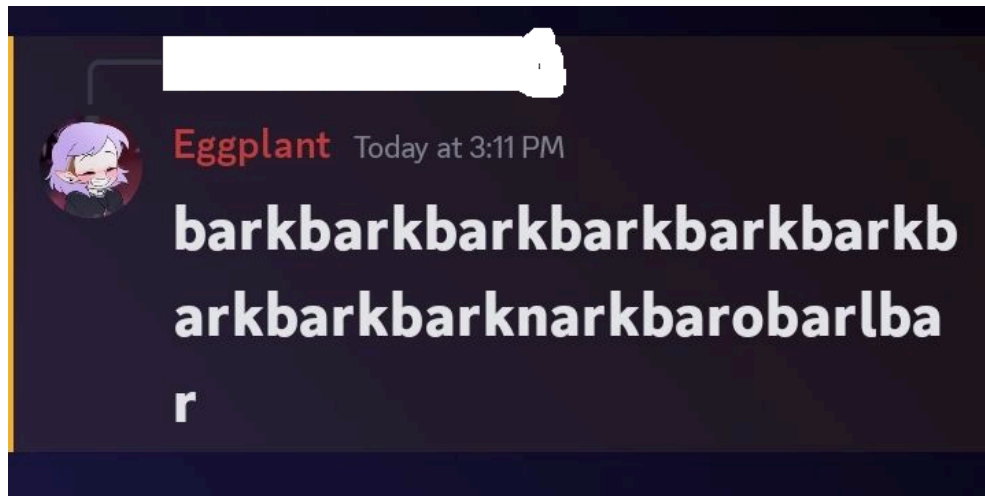

nahh, he got the hex's disease smh

 5:01 PM

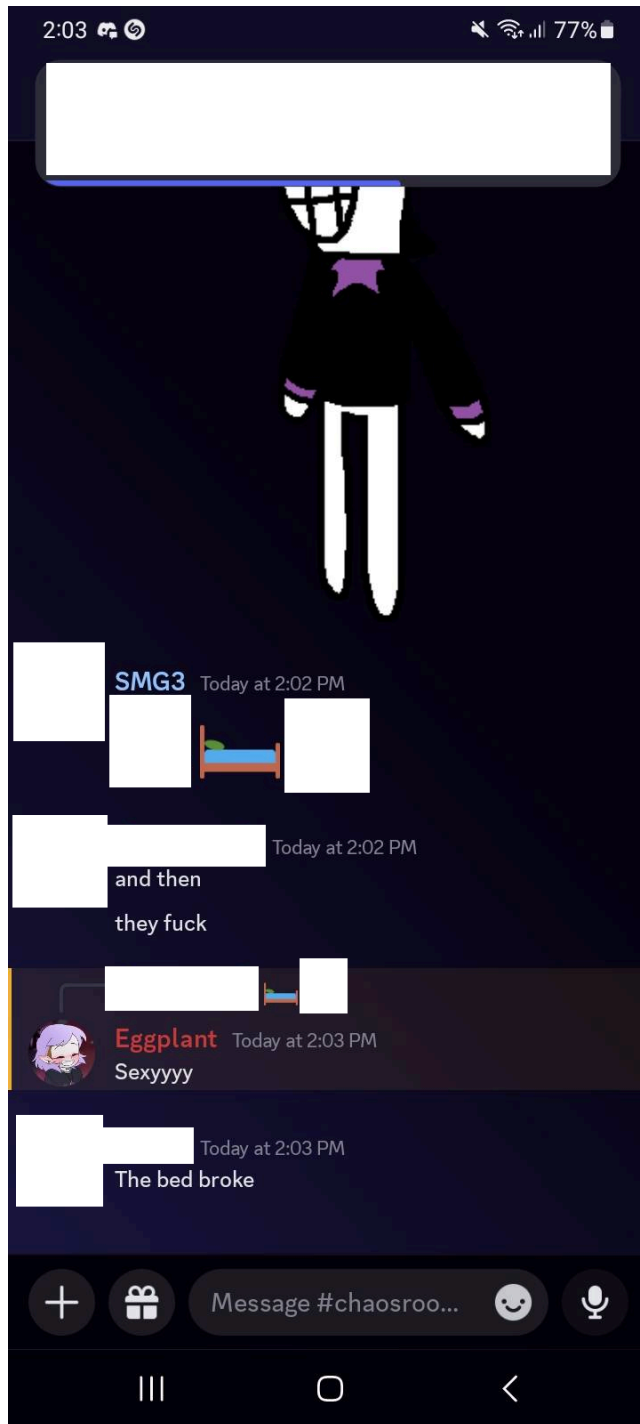

WELL YEAH I FUCKING CRUSHED ON  BUT I WASNT FUCKING PUBLIC ABOUT IT BECAUSE I KNOW IT WOULD MAKE HIM UNCOMFORTABLE

BUT NOW HE LETS HIS OWN FEAR SAY I DID. HIS LACK OF COMMUNICATION STARTED THIS, NOT ME.

More evidence was given of Azi and Hex's public invitation of NSFW in a server full of minors.

Hazbin Hotel is for adults by the way. The two were *minors*.

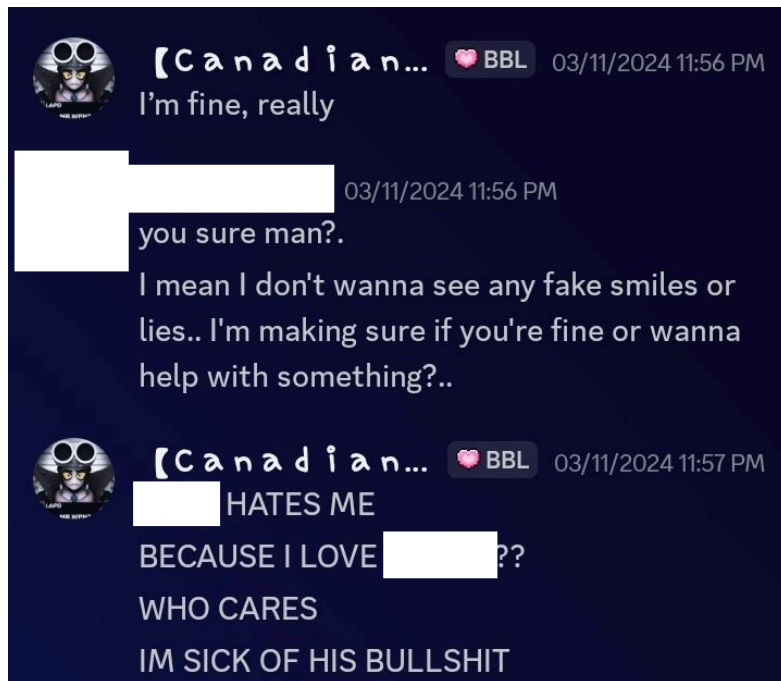

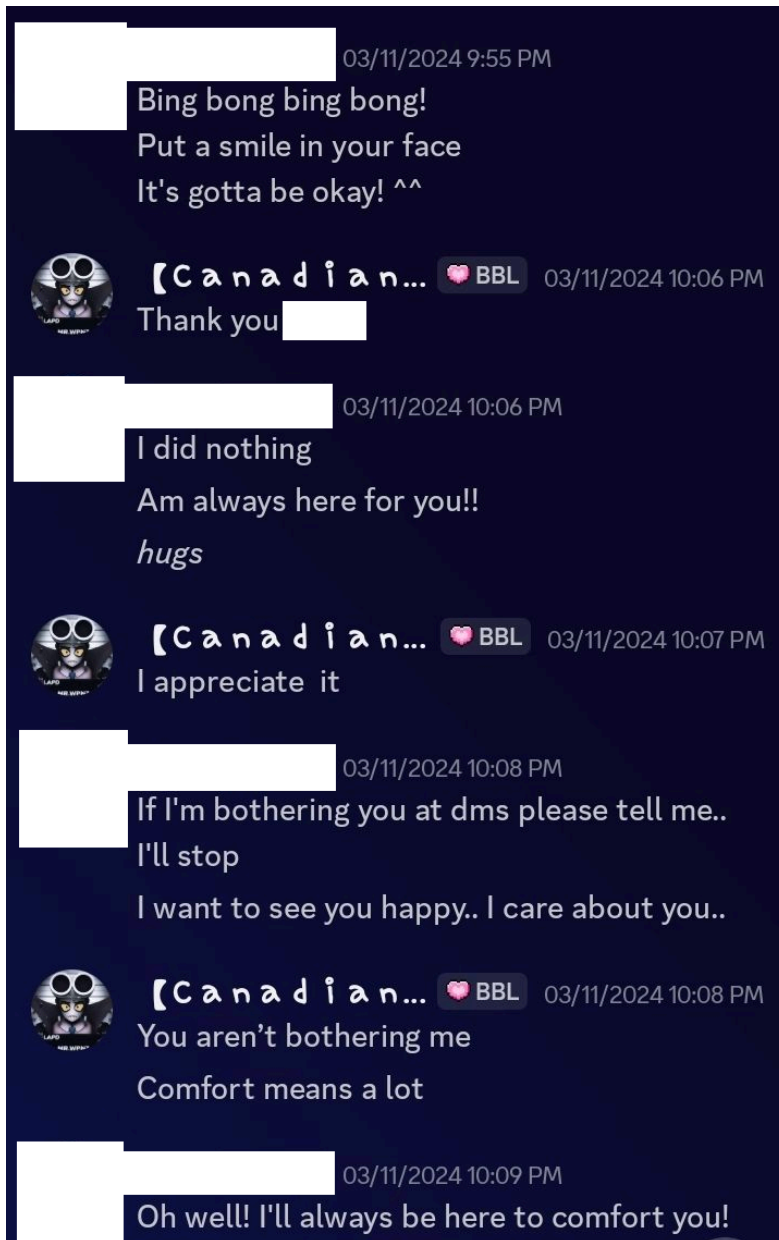

In summary, Hex has misaccused D of sending porn with NO PROOF whatsoever, and is now lying to them about O and H having a five year age gap instead of actually two. To add insult to injury, Hex falsely accuses D of sending Azi porn when Azi could not tell D to stop and *Azi sent NSFW first*. Because of Hex's actions and enabling, D and Azi are now strained in terms of friendship and Azi is facing allegations. Very horrible.

Burdening his friends with his guilt-tripping problems.

This user will be named Y.

They have offered to be by Hex's side during a drama situation in which someone hated Hex, despite how **DIFFICULT** he was over it. These were all the DMs with Y and Hex.

Doesn't mean a lot considering he's still continuing to be a problem, which means that Y's support *never* helped at all. Hex used Y to be an attention seeker.

In summary, Y has devoted all their love to Hex who is a lost cause and has been a moping mess over someone that hated him and made Azi trust them. He proceeded to use Y for attention and so that someone can tend to his irredeemable ego. These were their old DMs with Hex on TikTok.

This is what Y said when sending all of this.

I was stupid for believing him since I was a "people's pleasure" I cared about everyone and everything and got me so stressed out this time and I think this is a fact that [REDACTED] left me because I was defending him
and I'm paying for it...

Sending this screenshots might help... it's not an excuse for my doing with stressing myself out to help and defending him.. But he deserve it

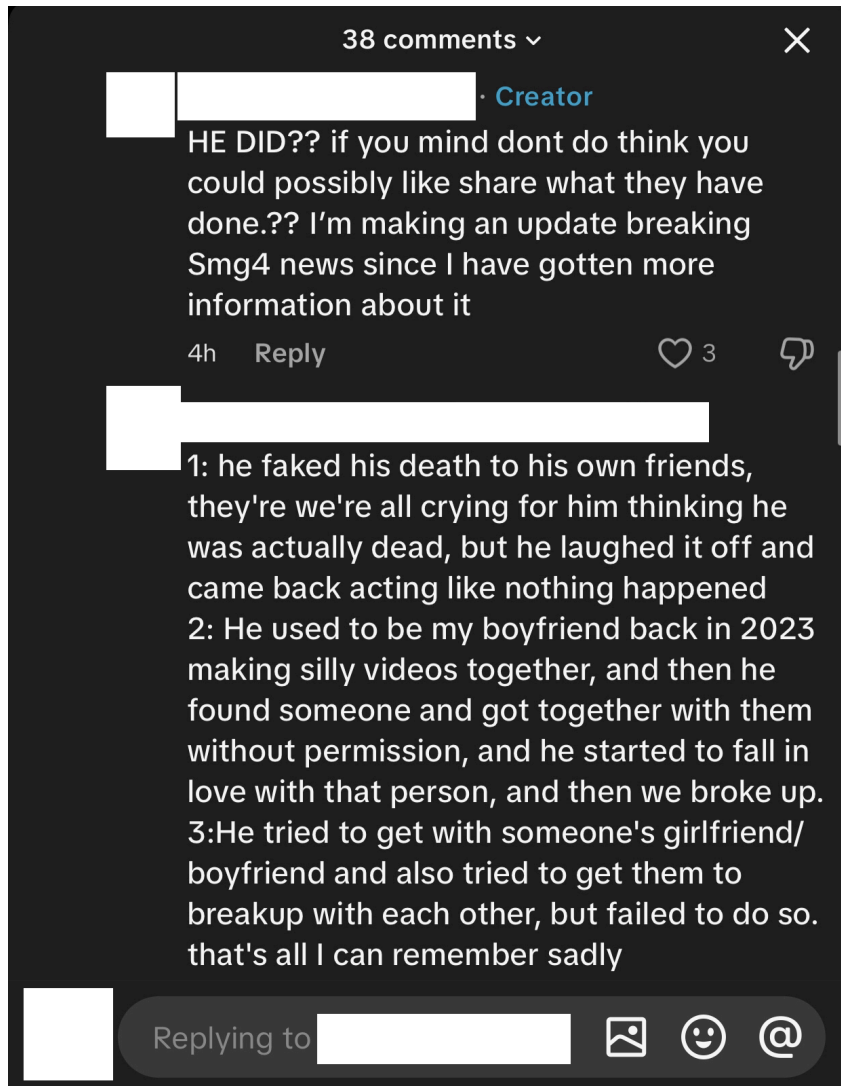

I was so blinded

whatever it is.. I'm ready to pay for it..

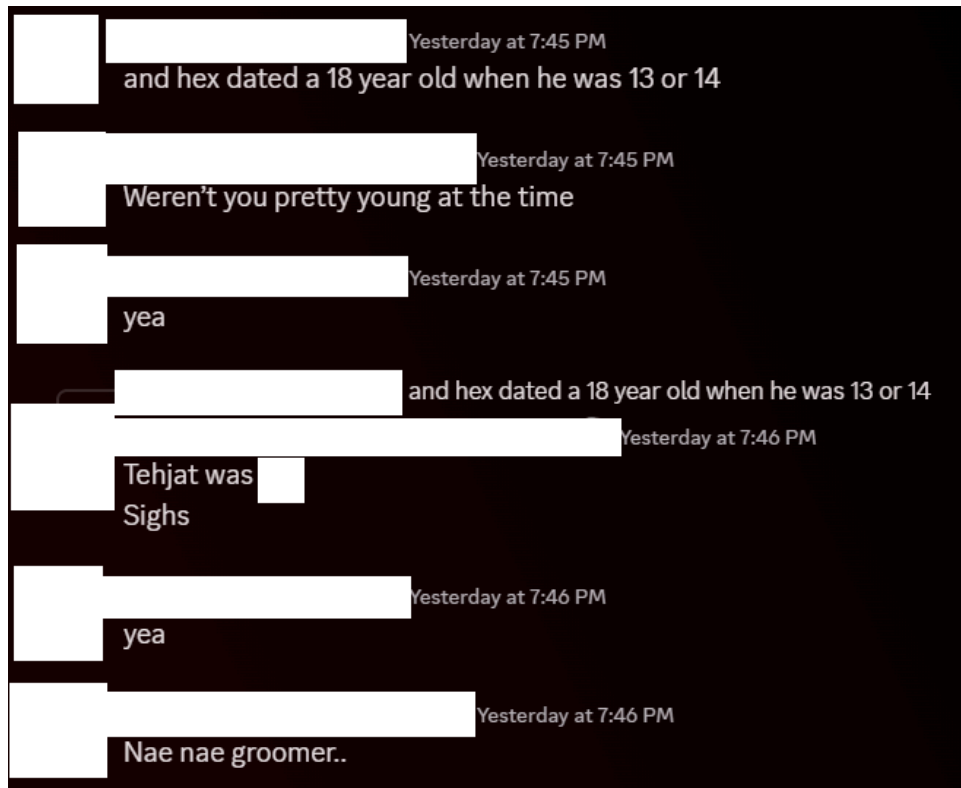

Y has admitted that defending Hex was the reason why Azi left them, including some others and the SMG4 fandom itself. So in general, Hex is also a burden to his friends too.

More ugly actions Hex has done.

There was extra information given by someone about Hex, and it was confirmed that he has played with the suicide card against everyone and has another ex that he has cheated on.

There is more on Hex's dating history too.

And more from the user K on Twitter, who dated Hex before.

okay.

1. He manipulated EVERYONE into hating [redacted] for a bit.

while [redacted] was also a part of that, [redacted] was unaware about a ton of stuff. Hex WAS. And made himself seem like the victim. "[redacted] the toxic one", he says.

2. Tried to get [redacted] partners to leave him to get with him

did this via guilt trip. Sadly, I felt required to leave due to what state he acted like at the time. I was CONSTANTLY comforting him, and when he started being all like "it's okay, i'll just be alone and sad since Murr doesn't want me with you" or some shit like that i felt the need to be there. even if it meant.. well.. yeah. was a very tough situation for me. but me and Murr are on good terms now

3. Be toxic and hypocritical
self explanatory, to be honest.

4. Be a horrible partner

me, [redacted] ect know about this.

as a person that WAS his partner, I drained myself (as in, SEVERELY drained.), devoted a ton of time to him,

started hating people because he did, ect. he later blocked me one day with ZERO explanation and IMMEDIATELY got a new partner (i hope that new partner is okay)

We all tried to understand Hex. we seriously did. dude's just a MAJOR asshole.

5. "Tell them i'm d3ad, that would be funny!" -Hex himself

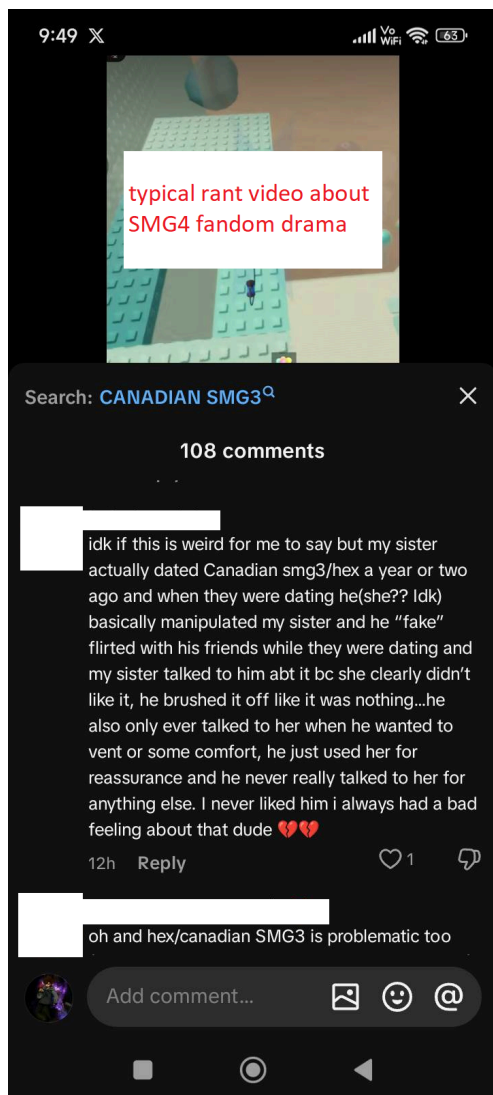

told this to one of the people in our friend group to TELL US HE WAS DEAD. IDC WHAT YOU THINK THATS NOT FUNNY AT ALL WE COULD HAVE GOTTEN WORRIED TO DEATH

There's more i'm sure, but point is I personally just dislike him.

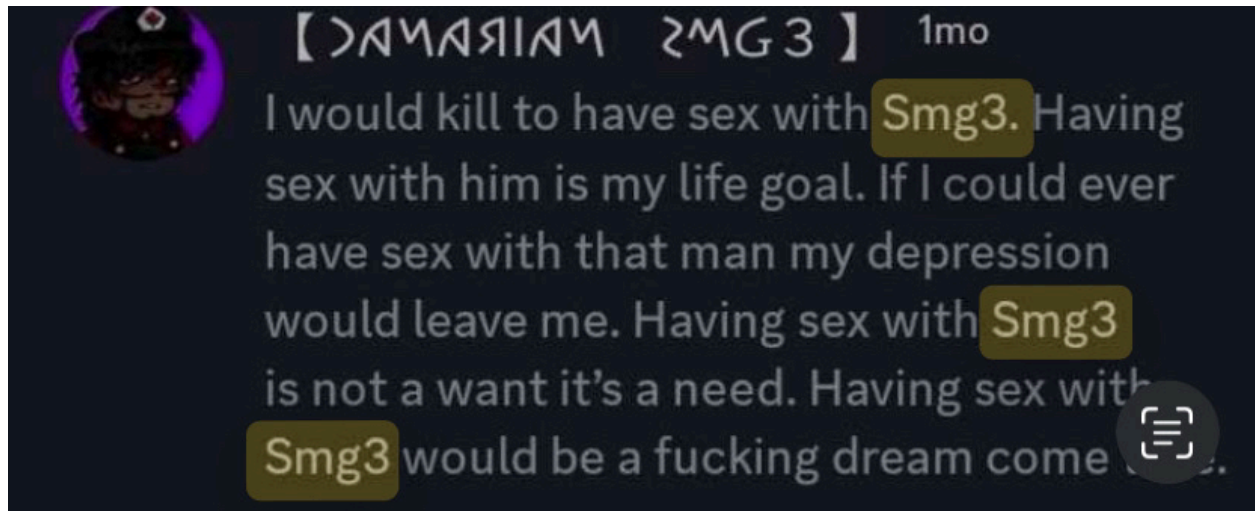

Hint hint, the kid posting this was 13 and Hex was 16-17. **He GROOMED one of his exes. Manipulated all his exes and groomed one of them.**

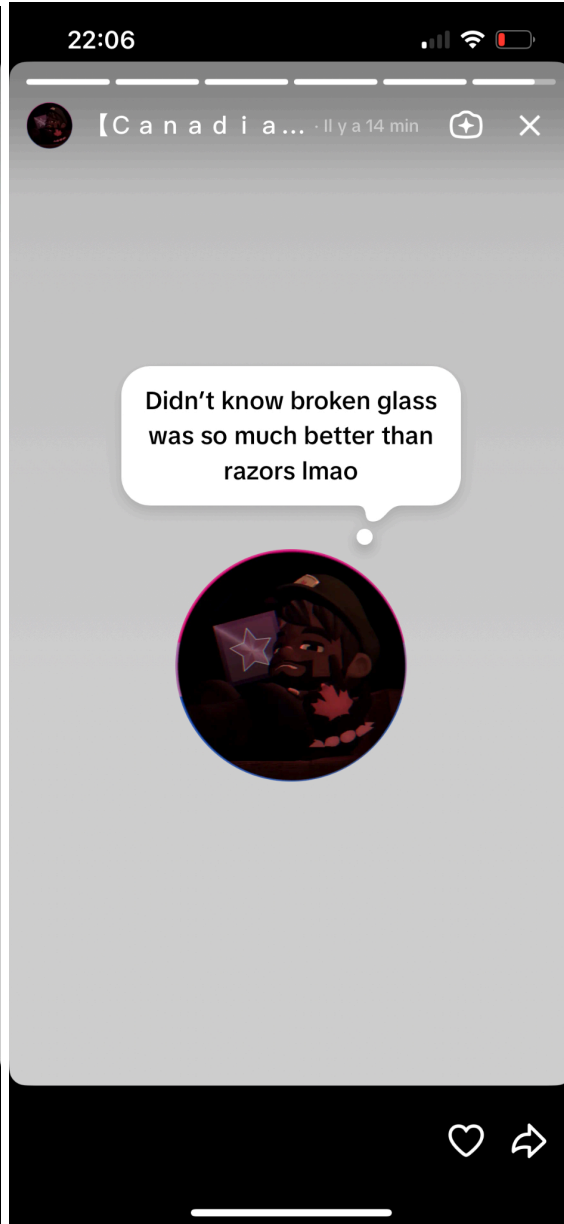

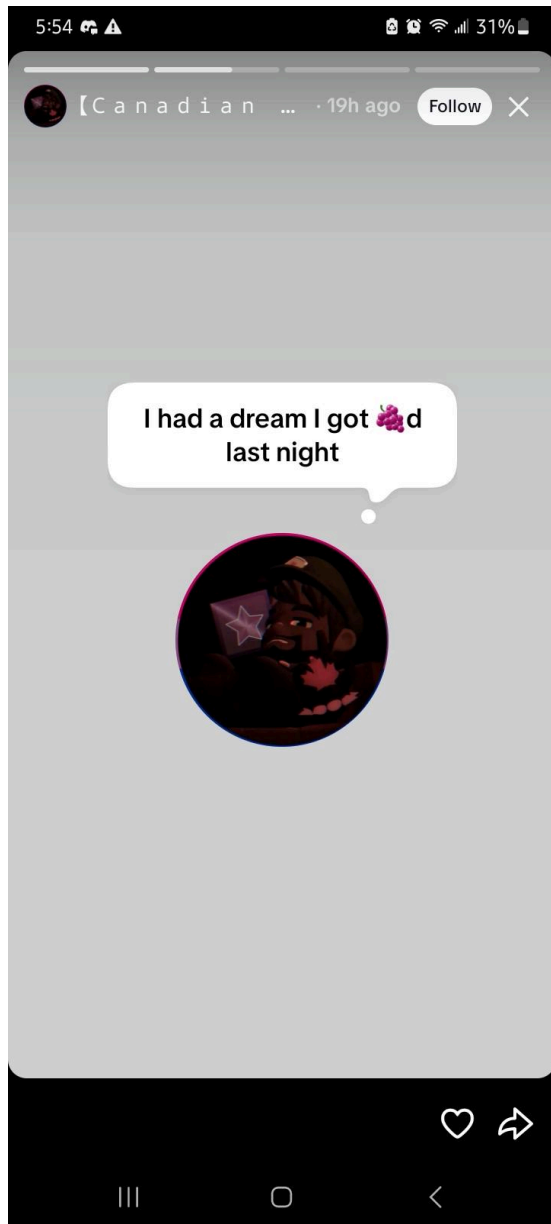

Here is another victim who dated Hex.

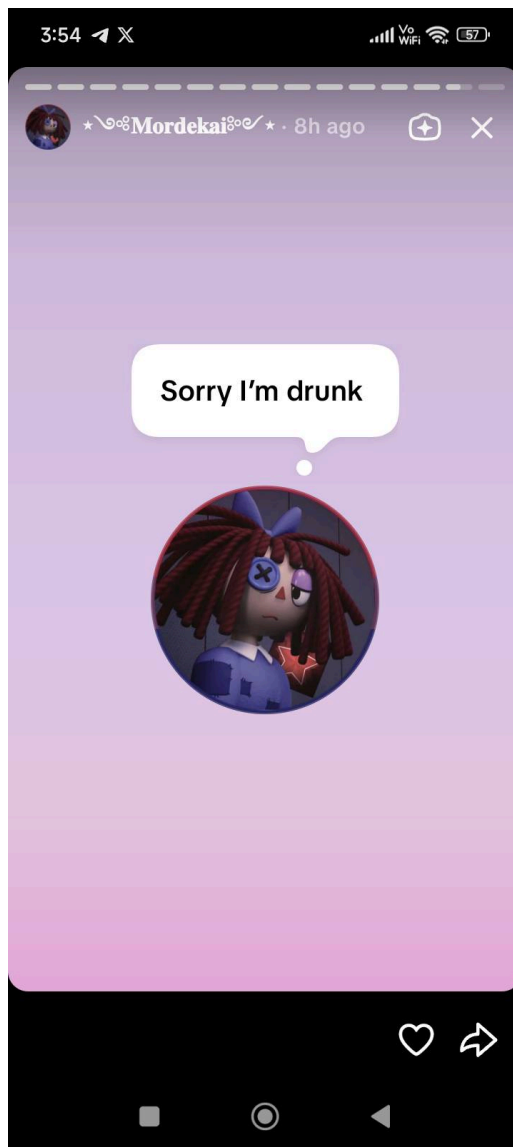

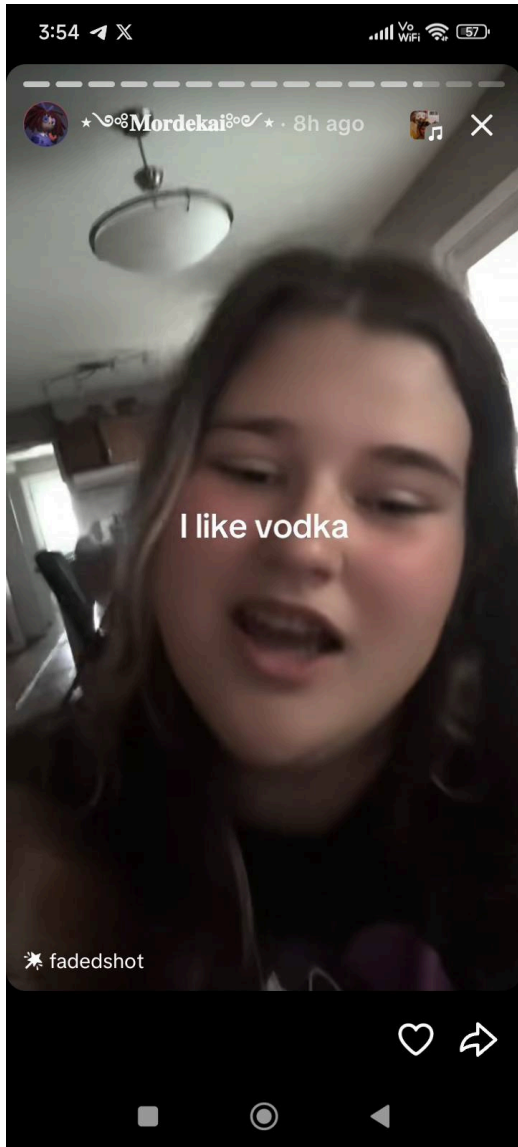

Hex has publicly incited his inappropriate love for the fictional character SMG3 too saying that sex washes away the depression. This proves more on why he broke up with all his exes, as he was hypersexual and couldn't get help to handle it.

Hex has posted on his story to his audience (**13+ by the way, MINORS are in there**) about how he dreamed of getting raped, also posting about self harm, having sex with his girlfriend, drinking vodka, and also posts some disgusting content that many minors ARE uncomfortable with. **Laws on age of consent do not matter**, you are still a minor at 16-17 no matter what law says.

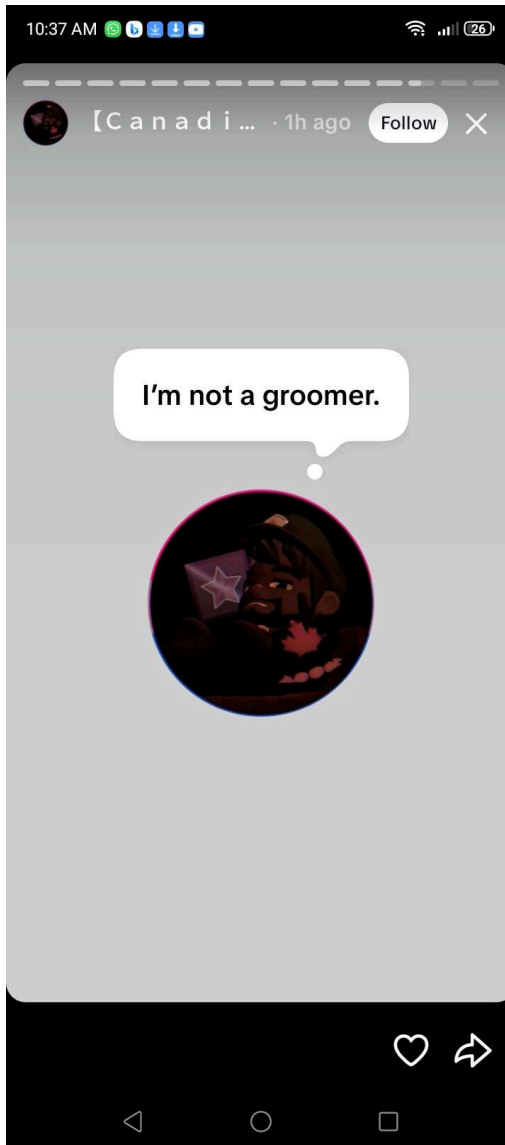

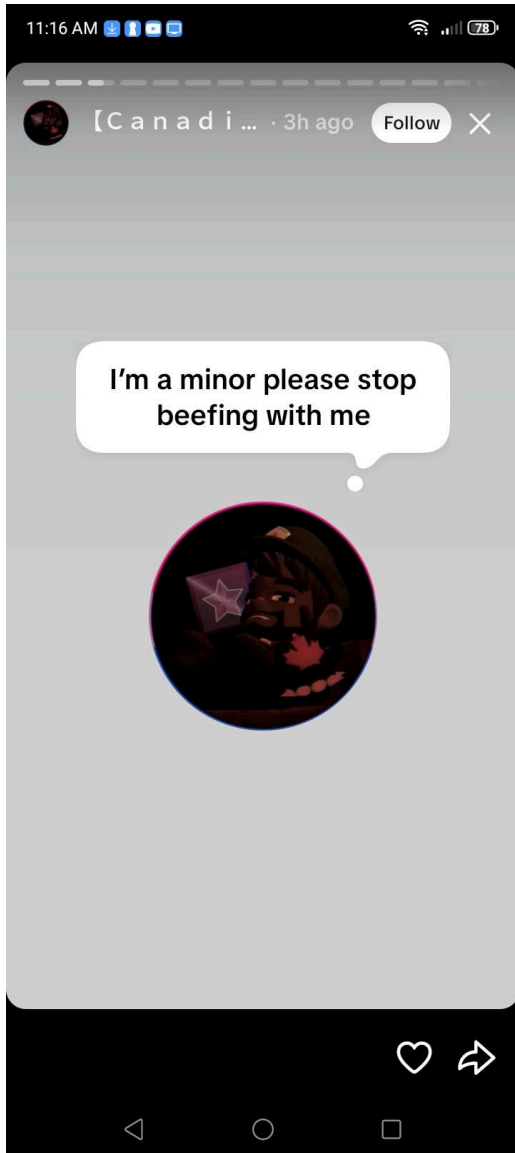

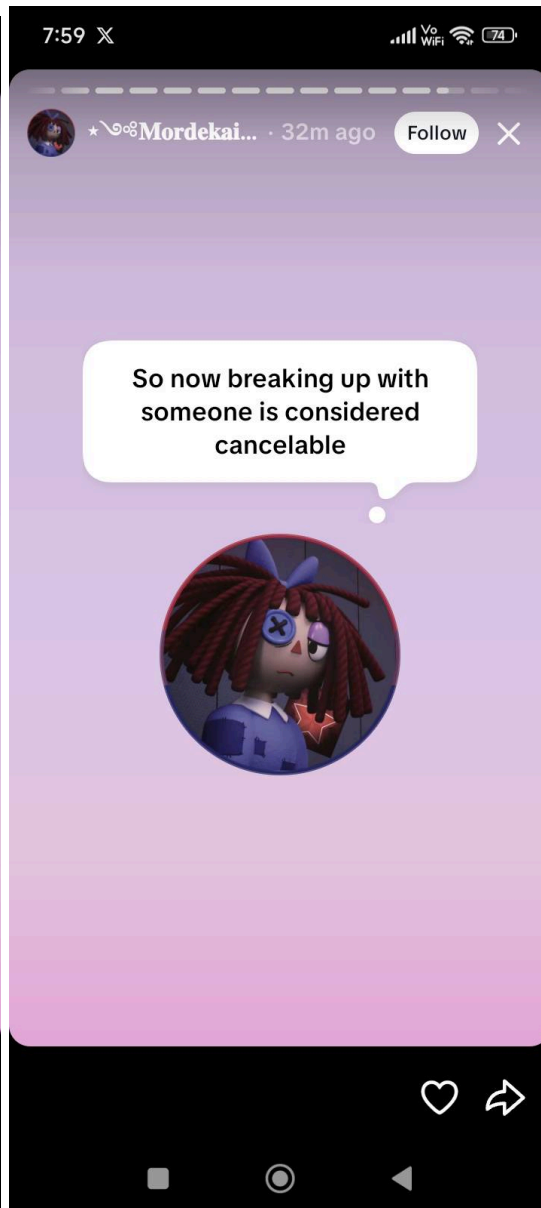

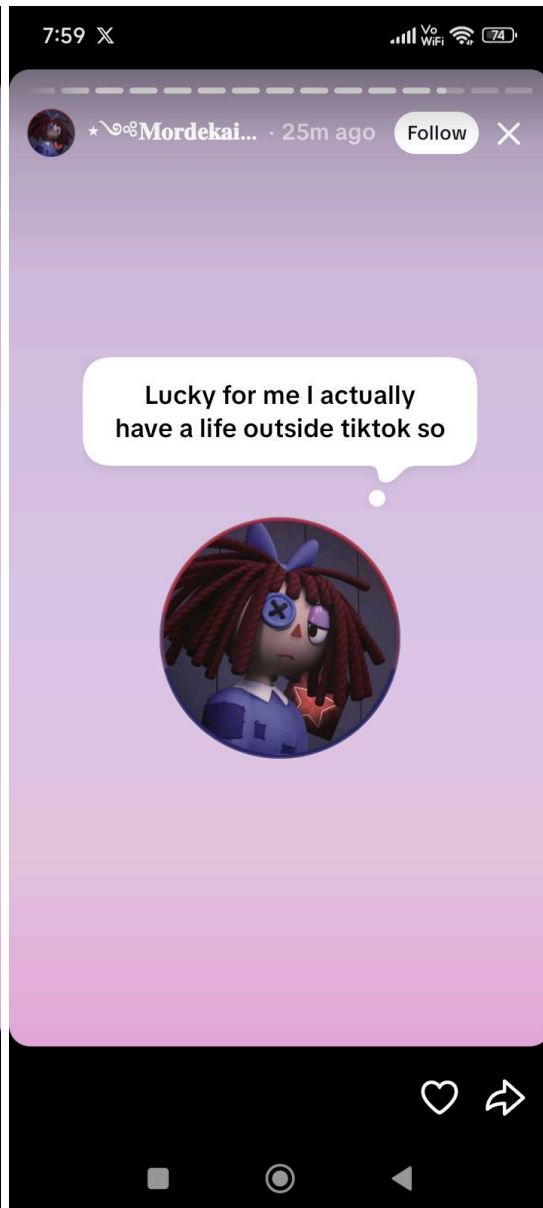

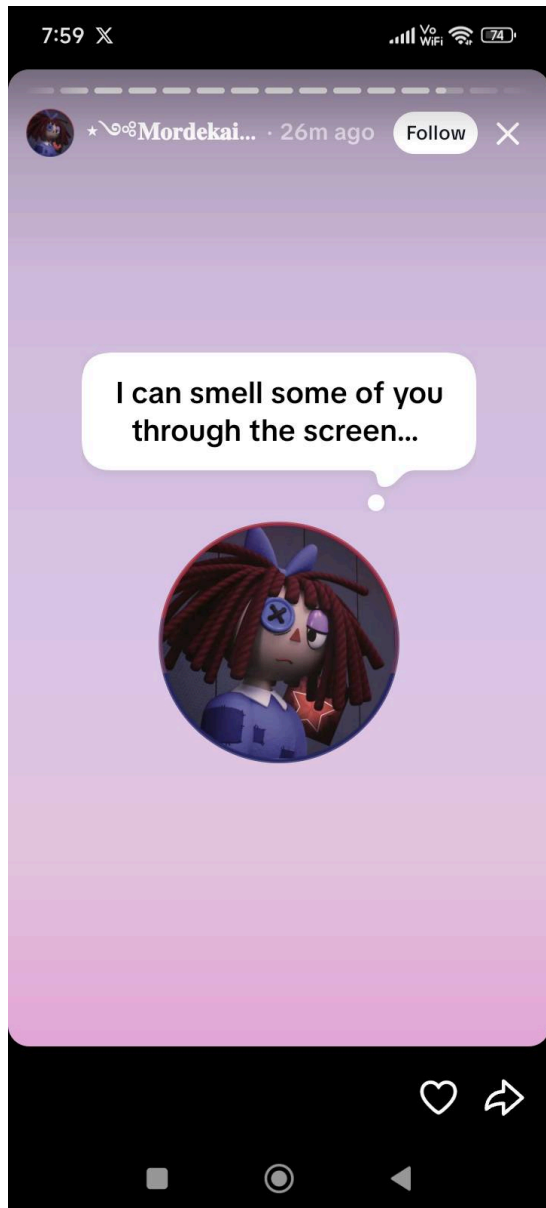

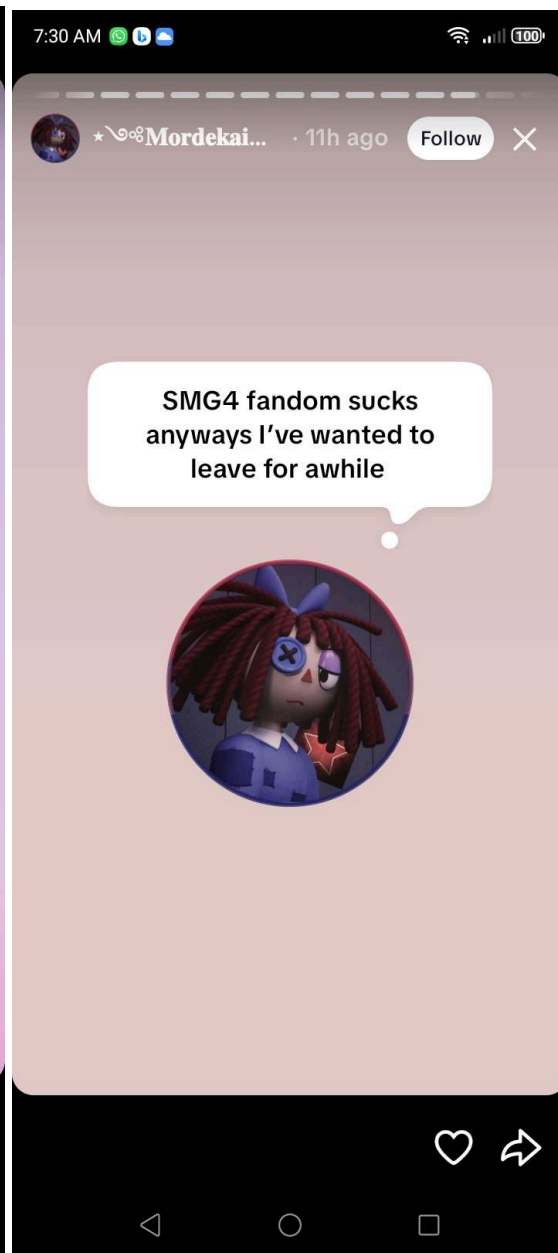

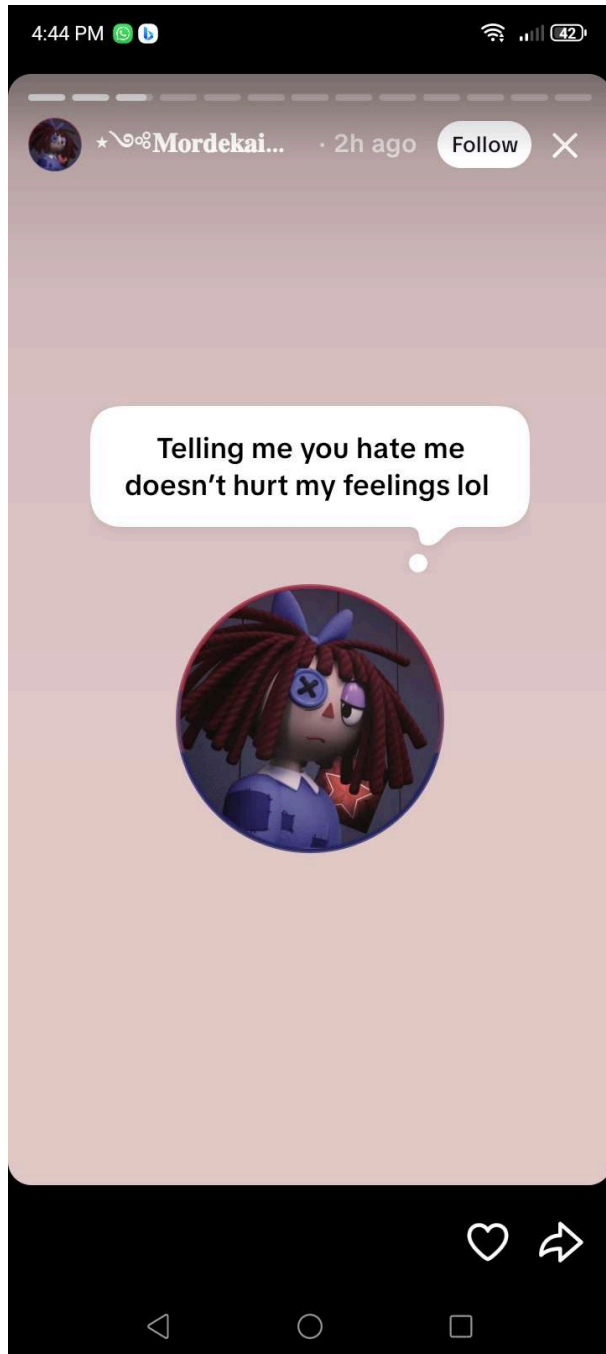

He also keeps posting selfishly about how he shouldn't be getting the bucket because he's a minor, and also saying he's not a groomer, when he clearly did all of this and tries to shove it away like it's nothing, taking the cowardly route. He is also blaming the fandom as another resort to running away from his actions.

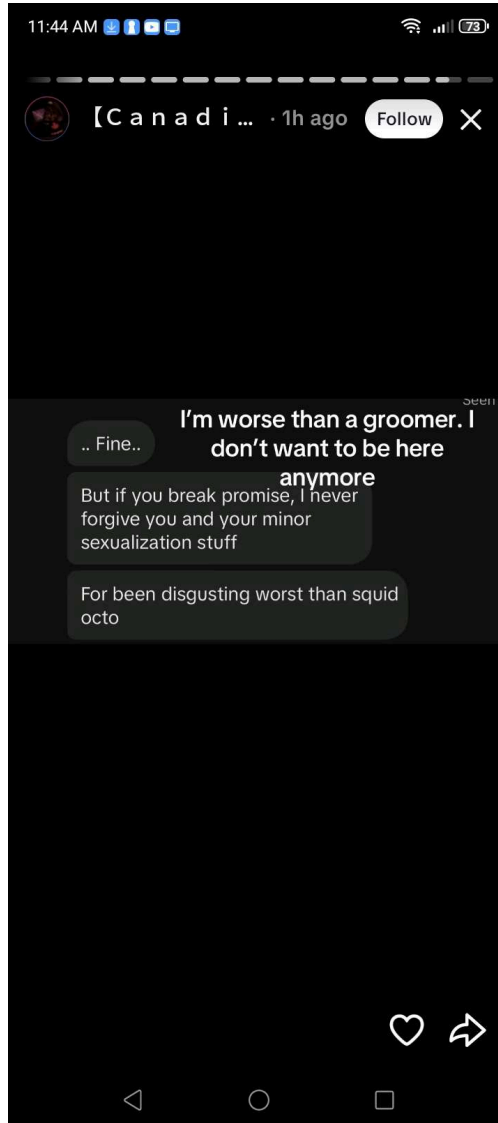

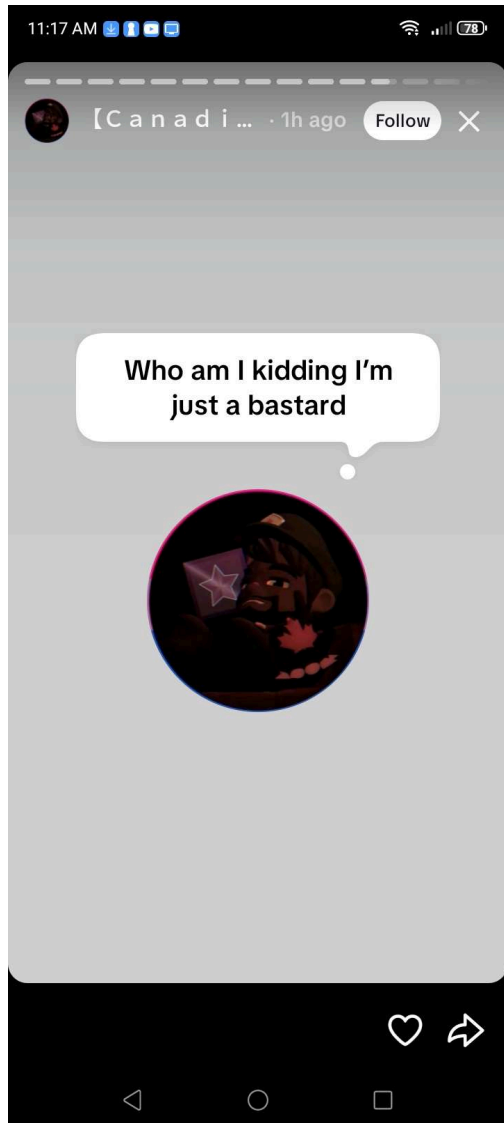

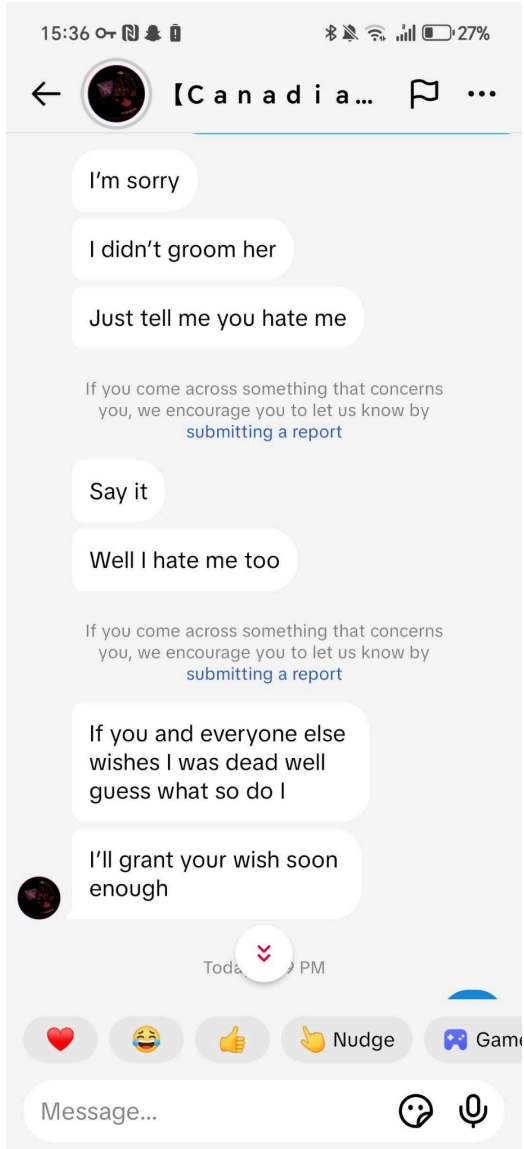

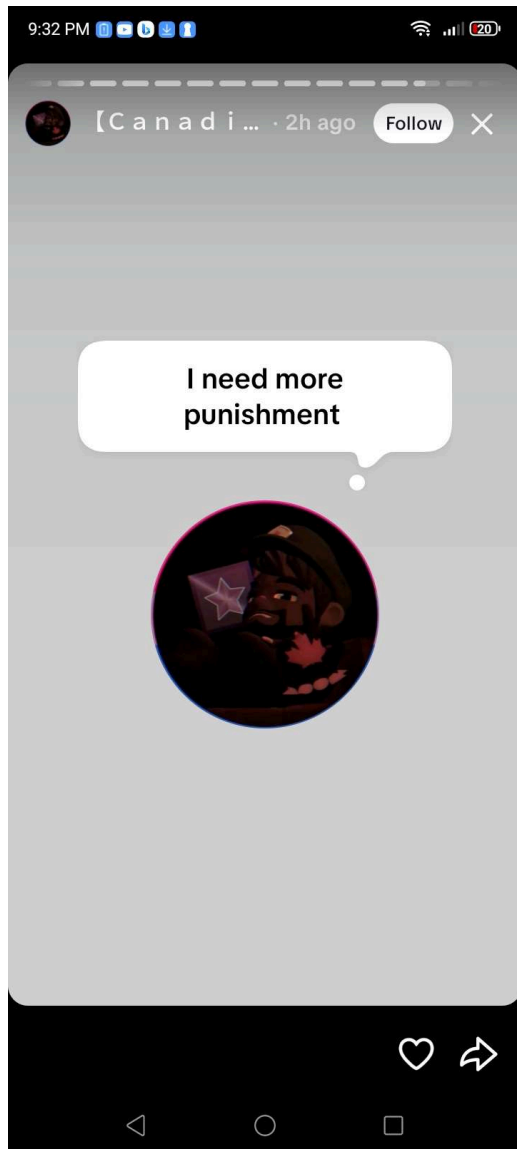

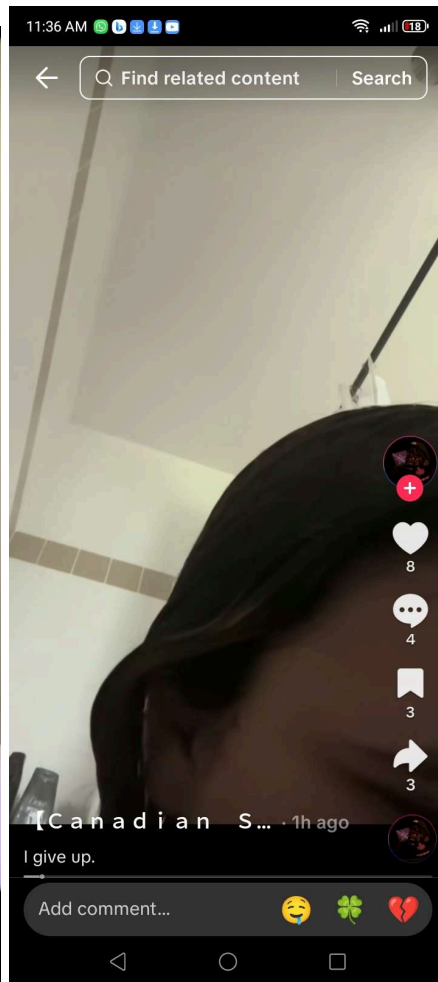

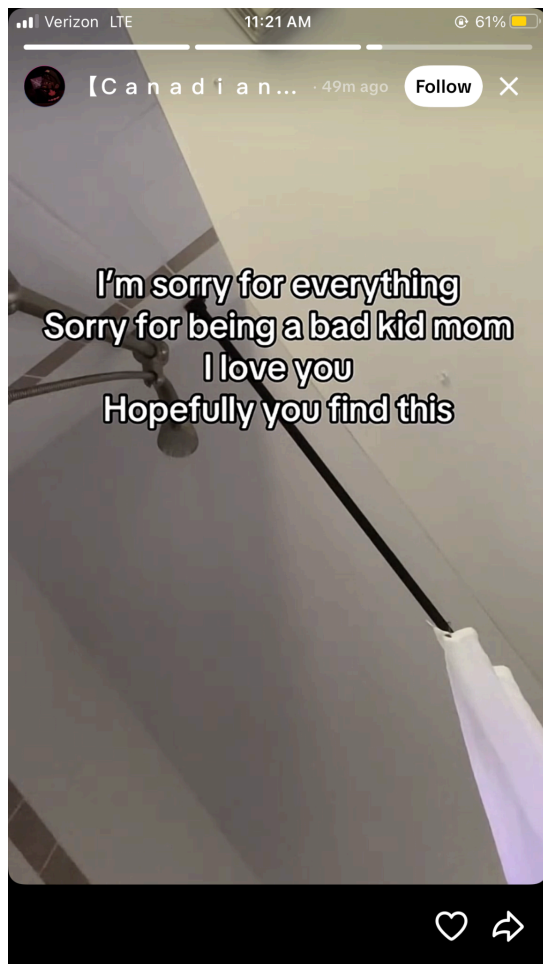

YOUR AGE DOESN'T SAVE YOU IN THESE TYPE OF SITUATIONS. ADULT OR MINOR, YOU STILL GROOMED AND TAMPERED WITH MULTIPLE PEOPLE AND THERE'S EVIDENCE OF IT. YOU CANNOT TREAT THIS LIKE YOU POSTED A HARMLESS JOKE ON THE INTERNET WHEN IT WAS MORE THAN THAT. PLUS, WASN'T HE

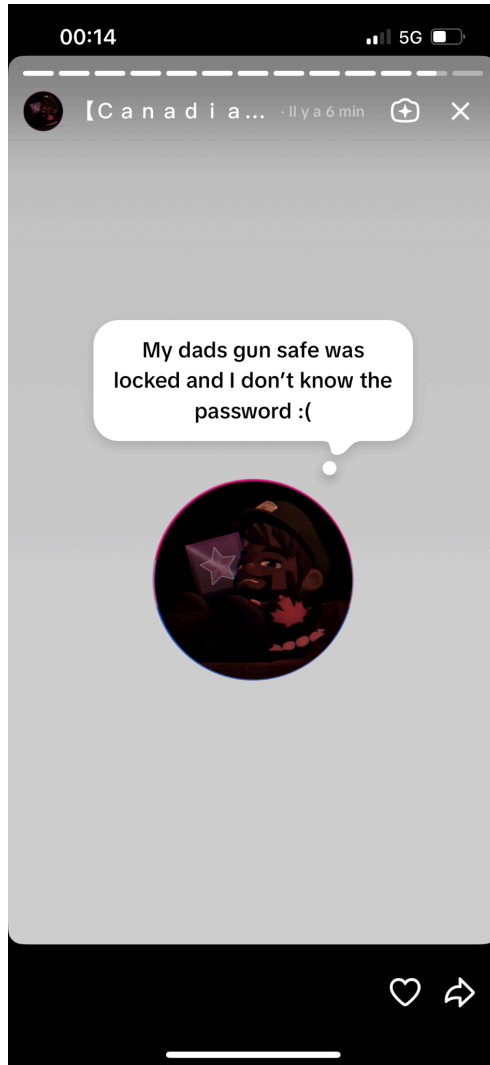

CHRONICALLY ONLINE VENTING ABOUT DYING WHEN THE ALLEGATIONS CAME IN?

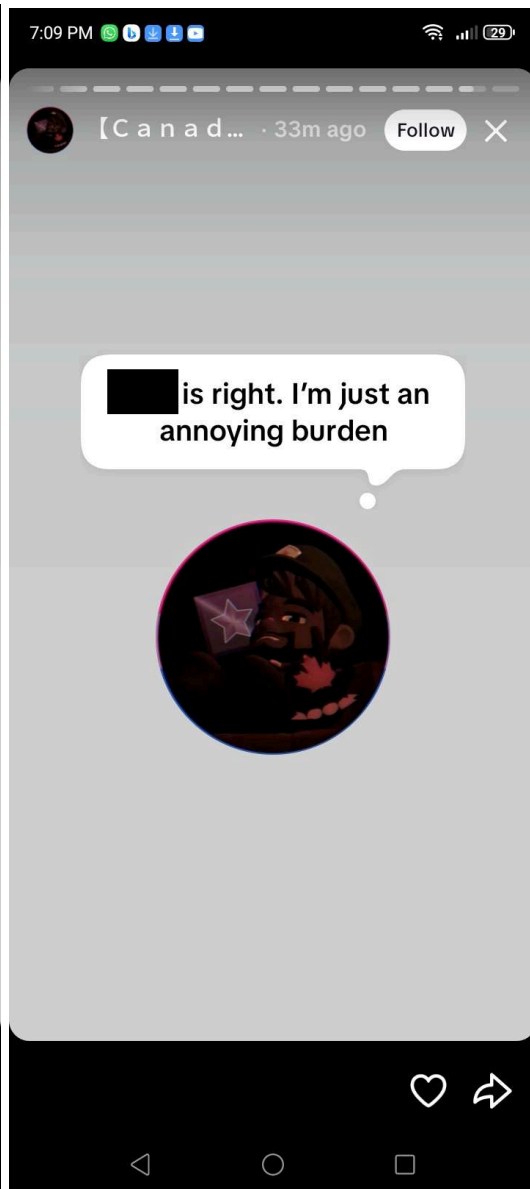

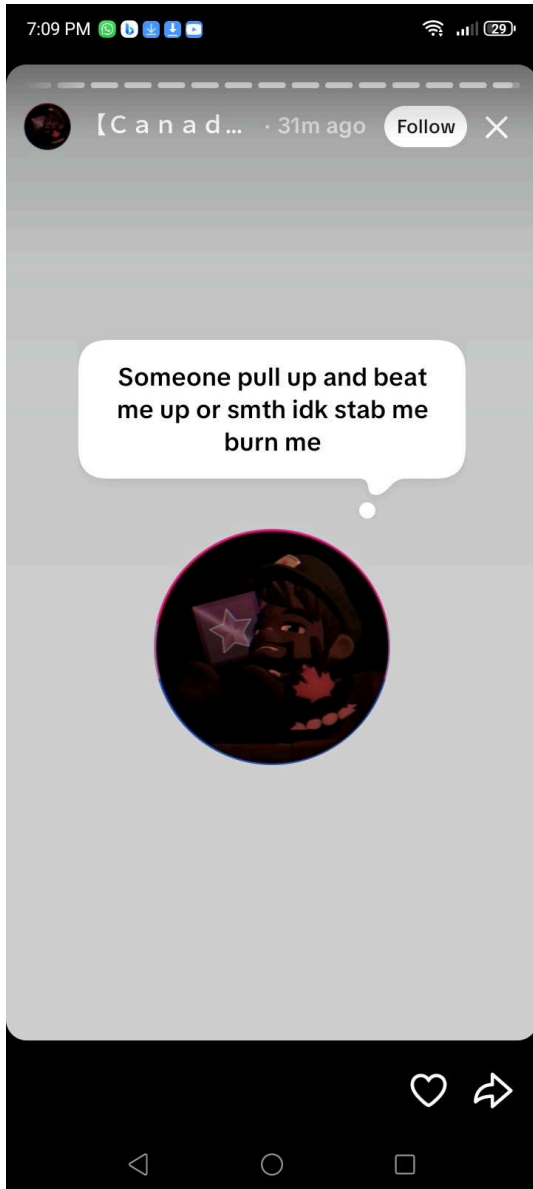

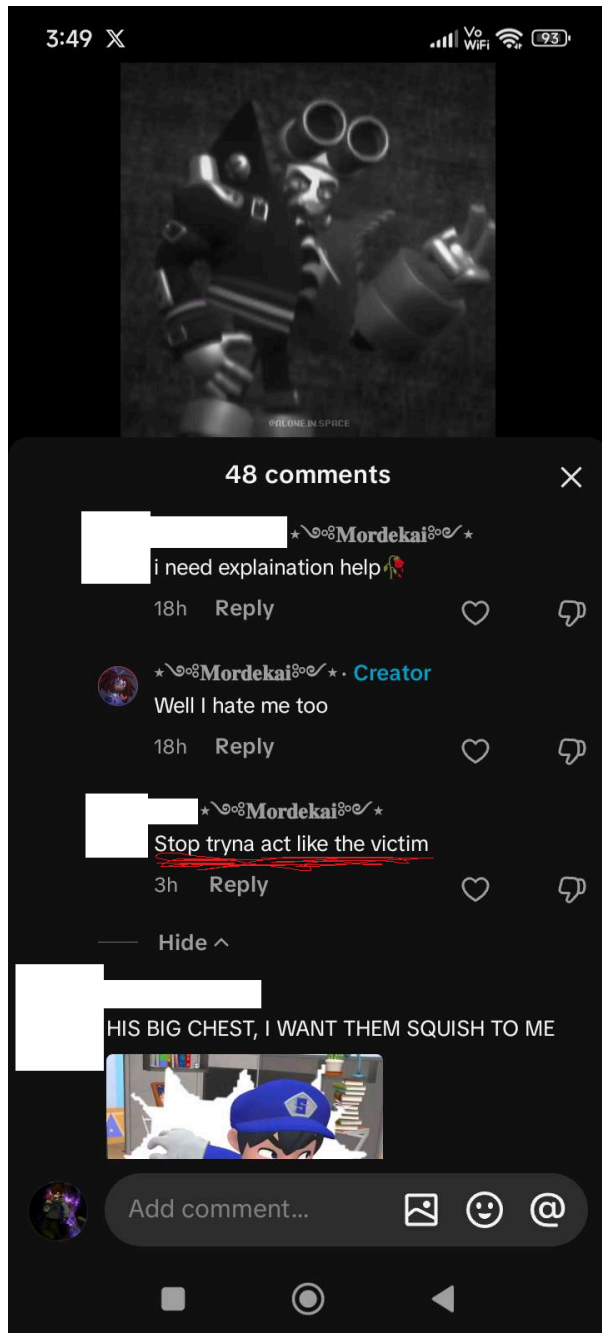

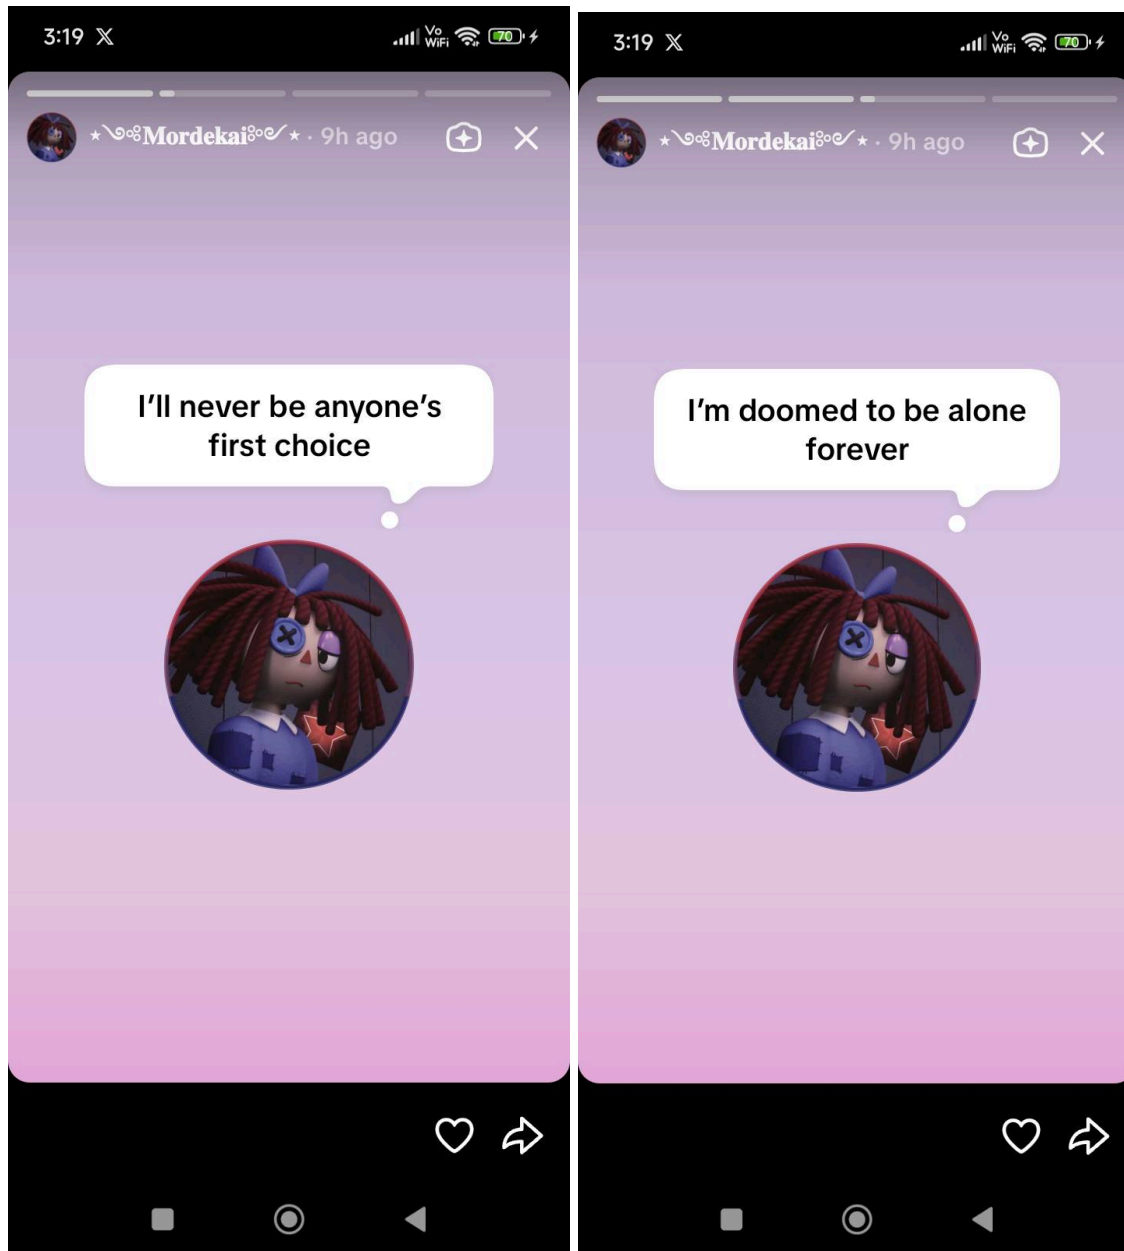

This. This is a horrific sight, BIG warning for self-harm.

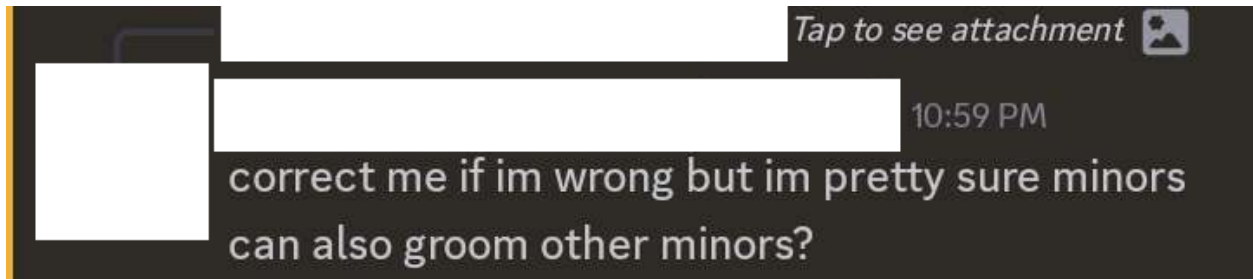

This isn't mature behavior and is in fact too disturbing for minors to deal with. All of this does not save Hex from the fact he's done all of this, and making people feel bad for this does not help either. These situations must be handled maturely and with care, not with defensive or erratic behavior. If anything, Hex fakes suicide just so everyone will feel bad for him, and has done it up to five times total.

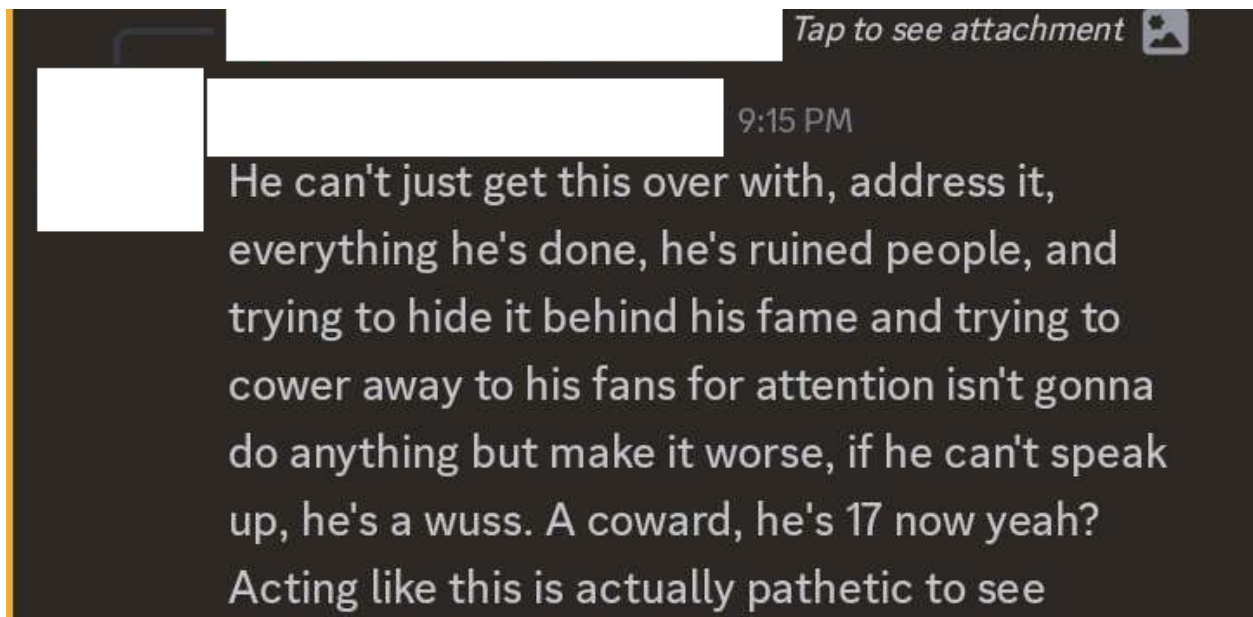

People have replied to Hex's situation with M stating TRUE facts.

Yes. They're correct. Look at this.

Anybody can be a groomer, no matter their age, gender or race

The biggest essential you must learn on the internet.

PERFECT EXPLANATION OF HEX'S BEHAVIOR.

Here's more on their defenders' responses. One really has the audacity to put D's name on public blast for this too. Disgusting.

no don't give up I still love your videos you're really cool and I love you I wish I could give you a big hugs to cheer you up Sophia good person and keep making videos and I love you be a good person and I'll be your best friend forever 😊

If someone is going to hate him, i swear, i know what he did is not right but.. stop. It doesnt change anything. it makes things worse. So. please. There is also evidence of M contacting another person. This is proof that Hex's audience is dense, blind, and a danger to M and many fandoms as a whole.

"But Hex's audience ain't dangerous!"

Did you see what happened to M when they confronted Hex? He put M's name on blast, and now they're at risk of getting a strike. HEX AND HIS AUDIENCE IS DENSE, BLIND, INTOXICATED, AND UNSAFE TO MINGLE WITH.

He's migrating to GLITCH as of right now going under the new name, Mordekai. This won't save him from what he's done.

Conclusion

Now that all of this is over and done with, here is my saying.

Hex may have BPD and may have struggled too but this is not cool of what he is doing. He has hurt all of the people he got together with because of his volatile choice to date anyone for sex to tend to his unhealed hypersexuality, and choose other people quickly forgetting about one of the sole keys of relationships; **Boundaries**. Anyone who defends him or helps him no matter what he's done is unfortunately a part of the problem too and will be hurt on their own accord just like the others due to gullibility.

The fury I feel is indescribable as I finish this document. You are not welcome in any fandom, Hex. Neither are you welcome to us as friends. I will say this in the kindest way possible: Do yourself a favor and **take a hiatus off the internet** before you get mass reported for inciting hypersexuality, grooming users, and exposing inappropriate content to minors. We will not work on helping something that hasn't improved in years, so find yourself therapy or just fall down the pit that you choose to fall in.

DO NOT HARASS ANYONE INVOLVED. IT IS A BAD EXAMPLE OF EXPOSING SOMEONE, AND YOU ARE A PART OF THE PROBLEM IF YOU'RE GONNA HARASS TO GET YOUR WAY, AS PEOPLE WILL GET THE IDEA AND HURT OTHERS. YOUR NAME ALONG WITH MORE EVIDENCE WILL BE PUT IN THIS DOCUMENT IF YOU REFUSE TO COMPLY WITH THIS RULE.
