FYOP Mentor

Term: September 2024 - April 2025

Positions Available: Approximately 125-150

Reports to: FYOP Executive Team

SUMMARY

DeGroote's First Year Orientation Program matches incoming Commerce and IBH students with an upper year Mentor who will guide and support them throughout their first year at DeGroote. FYOP also hosts various events throughout the academic year to foster Mentor-Mentee connections and help support first year students in their academic, professional and social development.

FYOP Mentors are expected to reach out to their Mentees consistently for the duration of the academic year. Mentors can provide support to their Mentees by answering questions, sharing personal experiences, and offering advice. As an FYOP Mentor, you'll have the opportunity to support and motivate first year students as they make the transition to university life at DeGroote.
