

## Updated Revision Guides 2025-2026

If you wish to purchase revision guides for your child, Curriculum Leaders have compiled this list as recommended revision guides for students studying GCSE courses. If you have specific revision or subject queries, please direct these to your son/daughter's subject teacher. If unsure about what guide to buy, please ask your child to check with their teacher.

These books can be purchased direct from high street book stores e.g. Waterstones, or online, e.g. Amazon, Browns Books, CGP etc, we do not organise the purchase of guides through school.

**GCSE SCIENCE**

Please check carefully that any revision guide you use is for the new specification (AQA 9-1)

Triple students need separate Biology, Chemistry and Physics guides

Students studying for combined science need the AQA Trilogy revision guide

The revision cards are probably the most valuable resource and allow students and parents to check knowledge and understanding in a far more interactive and effective way.

All students have free access to past paper questions, an online textbook, seneca revision and the 'educake' self testing website.
