The assignment can be found [HERE](#).

Instructions:

1. Choose a week AND topic, then sign up below
 - a. Be sure to first check the schedule to ensure no one else has already chosen that topic or date
 - b. You may present alone or with a partner (that you've pre-arranged)
 - c. Ensure you are in the correct section's signup

Important:

1. You are signing up for the week, not a particular day. The expectation is that you'll be ready to present by the time your week is up.
