**Seniors:**

The Massachusetts AFL-CIO Scholarship Program awards over half a million dollars in scholarship funds to graduating seniors who are seeking a college degree or job training. All high school seniors are eligible for certain awards, while others require a family union affiliation. To qualify, seniors must fill out the [online application](#) to register, then take the exam which will be offered at SHS during Flex on Monday, February 3, 2025. December 20, 2024 is the firm deadline to register! Study resources for the exam can be found [here](#).

The Senior class of Stoneham is going to be FLOCKING Stoneham houses from October 24th-November 15th! We need the families and residents of Stoneham to apply to help support our class!

You may ask, what even is flocking? Seniors from the class of 2025 are going secretly to place dozens of plastic flamingos in your front yard, leave them there for 2 days, then pick them up and move them to the next house! It will be a surprise when you get them! It is also a great gift for any child/friend of yours who lives in Stoneham! Great for a Halloween "spook" as well for your child or friend!

If your organization is interested in applying for the funds, you are invited to fill out the attached [Community Fund Form](#) with the details of your request in preparation for a meeting with the student council. For these presentations, students are welcome to bring any supporting documents or information that would be helpful to the Council members deliberations.

Appointments with the Student Council may be made on the second or fourth Friday of every month and meetings start at 7:45am in room 240. After filling out the form, the council will reach out to you via email to confirm your appointment.
