

Hello Panther Fans. I am Jennifer Ferretti, the high school Special Education case manager. I grew up in Lincoln and attended the University of Nebraska at Lincoln. I am currently working on my masters through Chadron State College. During the summer I love spending time with my 3 children. Riley is 9, Marcella is 6, and Reagan is 9 months. We enjoy going to the zoo, swimming, and finding any sort of mischief we can get into while my husband is at work.

A fun fact about me is that I was on the UNL Marching Band Flagline.
