

Let's crowdsource a catalog of digital tools that target specific skills!

We can stop bleeding red ink on worksheets by providing students with digital alternatives for class activities. Target specific skills by adding your favorite tools to this list and providing a link to the tool. You may also edit the document and add in additional rows to highlight other skills on the chart.

Skill	Edtech Tool
Typing Accuracy	• Typing Monsters Grades 3-6 • Typing Club • Typing Tutor • typingweb.com
Digital Reading	• Curriculet • Booktrack
Drag & Drop	• Edmodo Quizzes • Blendspace
Listening	• Librivox
