

Submitting a File-Upload Assignment

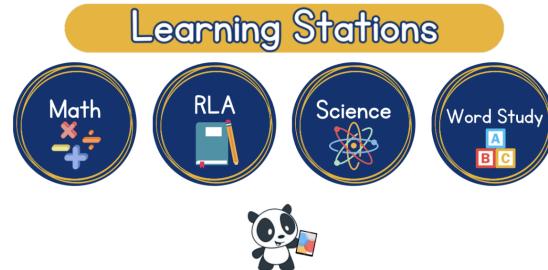

Go through Classlink and then press Canvas.

Students will click on the assignment title (or linked button) to open the assignment.

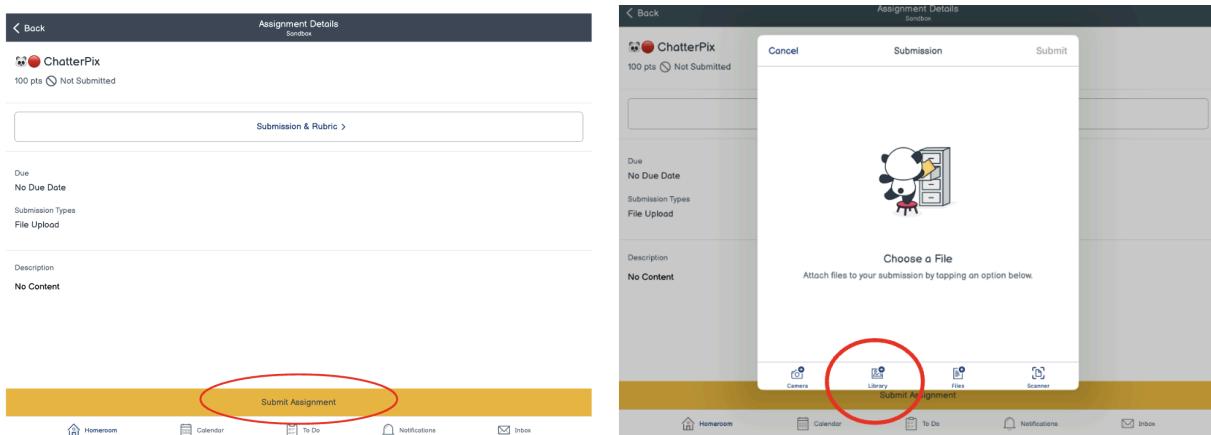

Learning Stations

OR

When the assignment opens, students will tap on the gold submit bar near the bottom of the screen and then tap on “Library”.

The students will select the file to turn in from the Camera Roll and press “Use” at the top right and then press “Submit” at the top right.
