Unitarian Universalist Mental Health Network Board Position Job Description

The Unitarian Universalist Mental Health Network (UUMHN) has openings on our Board. We are seeking candidates who would like to help make a difference on mental health issues in UU congregations.

As a member of the Board, you would:

- Attend monthly Board meetings using Zoom
- Contribute to setting the future direction of the organization
- Help to lead an organizational effort in one of our focus areas: Education, Worship, Social Justice, Support Groups
- Share fiduciary responsibility for the organization, making sure we are spending our funds wisely

The positions would require about 3-4 hours per month. The commitment is to be on the Board for 2 years.

You can find out more about the UUMHN at our website www.uumentalhealth.org

You can self-nominate.

People with mental health challenges, people with disabilities, people of color, indigenous people, Hispanic/Latinx, and LGBTQ candidates are especially encouraged to apply. The UUMHN Bylaws require a majority of the Board members have lived experience with mental health challenges, but not every Board member needs to so identify.

The election for Board members will happen the first Sunday in December. Please contact us at uumhn2021@gmail.com by mid-October if you are interested.
