Step 1: Compete in the Dragon overworld Boss fight in Avelorn and get a bag

It is an overworld boss that both factions can compete for. The top 14 or so contributing players from the faction that wins are awarded with a bag. After the Dragon is killed, it goes into a 40 minute respawn cooldown.

Step 2: If you plan on getting any of the elder/bloody dragon cloaks, get this item from blue bags and above

Step 3: Right click it in your quest item bag to begin the quest

You will get to choose 1 reward out of the 3. Some capes require 1 of the 2 materials and the last cape requires both. **As shown before, the quest has a 3 days reset timer/character so make your choices wisely**

The common material for all capes is

which drops from green bags and above and like the quest reward materials is also **bound to player** (cannot mail/trade it)

Each riddle leads to a lvl40 champion Dryad which upon death drops its respective Heart.

Only 1 heart drops per Dryad kill and they have ~5 min respawn timer

steppe of blood past dead wood your gaze
must elevate.

Looking down on the dead woods

You might be able to pull it down from the side of High Pass but we didn't test it

Step 4: After collecting all the hearts move back to Avelorn, near where the Dragon spawns and right click at each brazier

Finally return to the Karalith Raemari in IC for your rewards. Remember to choose wisely as mentioned before.
