

Babe? Are you here? **[door open]** I was wondering what you wanted for dinner to-oh. **[chuckle]** I gave you one rule, baby. If you can hold out and wait till after we are done eating together, I was going to give you a present for not touching yourself all day. It seems that someone couldn't keep his hands to himself, could he? **[slow footsteps]** You already started something, might as well continue. Spread your legs for me, let me see how wet you are...Absolutely soaked, just like a slut. You got this wet all by yourself, puppy?...What were you thinking about?...Mmmm, it seems that someone is embarrassed. You probably should have thought about that before you decided to break one of the rules. So needy, baby boy. Couldn't even go 12 hours without touching yourself. I bet you were getting close, weren't you? Trying to make yourself cum quickly so that I wouldn't know. Your plan almost worked except you forgot one thing, babe. I always know when you've touched yourself. **[chuckle]** Since you were so desperate, why don't you keep touching yourself. Show me what you were doing... Now isn't the time to be shy. I've given you an order, be a good boy and do what you're told, baby.

[wet noises start] That wasn't so hard, was it? Does your hand feel good? Circling your clit like that. Going to shove some fingers inside your pussy as well? Or maybe your ass? I know that my boy is a slut and loves being filled up. Go on, take a finger or two and push it inside yourself. I know you can handle that much considering I've given you much more than that. **[chuckle]** That's a good boy. Show me how you like your pussy fucked, baby boy. Keep your legs spread as wide as possible while you finger yourself. Two fingers inside yourself and another playing with your clit. Go on, stroke it for me. Mmm, that's it. Thatta boy. How does it feel, puppy?

...It feels good? I bet it does. There's no reason to feel embarrassed in front of me. I know what a slut you are. You couldn't help yourself even if you wanted to. You tried so hard to be good today and still you couldn't last without touching yourself. So fucking needy, baby. What on earth could have gotten you so worked up? Was it because I wore a dress that was a little too short and a little too low cut without panties? Could that be the culprit? I'm just trying to teach you patience, puppy. If you had waited, you would have gotten something better than this. But because you were so fucking wet, you gave in because it felt good. I bet you thought you were sneaky about it, like I wouldn't be able to tell you had orgasmed when you came downstairs. Acting the part of a well behaved angel. Five minutes had passed since you asked to go to the bathroom and you weren't even in there, baby boy. You were thinking with your cunt and not your brain, weren't you?

Yeah, of course you were. Poor little slut. Always thinking with that pussy of yours. Whatever it takes to get fucked and filled, right? There really is no other purpose for you. Just a three holed whore who needs someone to hold the leash to your collar. It's a good thing you are hot when you are pathetic like this because I have half a mind to tell you to stop touching yourself and punish you. Be grateful that the part that wants you to keep going won out. I just love watching my boy touch himself. Keep fingering that greedy pussy of yours and needy clit, slut. If you want me to touch you instead of just watching, it is something you are going to have to earn. That's what you get for being naughty, baby. See, I had this scene planned for tonight but those plans have been ruined because someone couldn't keep their hands to themselves. Too much of a slut to wait even a little bit. Pussy dripping with need watching me bend over and seeing my pussy peek out from underneath my short little sundress. **[chuckle]**

Were you imagining how I taste, puppy? Maybe you were thinking about rubbing my clit with your own two fingers still wet with your own slick. Maybe I was fucking you with a strap or you were fucking me with one. I am so curious as to what fantasy you conjured in that little brain of yours that was too much and drove my boy to disobey me. I know you're a slut but I thought I trained you better than this. It's apparent that I need to be firmer with you, don't I? I've been too lenient with you, boy. I won't be in the future. For all intents and purposes, this is your last day of freedom. I've been letting you act on your whorish nature for too long without reprimanding it. If only you could have kept your legs shut, baby boy. You wouldn't be in this position.

[chuckle] Look at you, baby. Doing such a good job of touching yourself for me. Keep going and make yourself cum, understand?...**[chuckle]** Of course you understand that, slut. It's a good thing you are sweet and handsome because with your one track mind, it's hard to get you to think about something other than cumming. Don't even try to deny it. You are in this situation because of yourself. You could have had my hands touching you. My mouth, sucking your clit. My fingers in your cunt. I could have even held a vibrator to you and fucked you with a strap but instead, you have to settle for your own hands under my watchful eyes. Look at me, boy...Good. What color are you?...I love hearing that you are green, baby boy. Keep touching yourself like the desperate slut you are. It feels so good, all this humiliation and degradation makes you burn inside. But it only adds more fuel to the fire, doesn't it? It's not like you can deny that you are a slut. I haven't touched myself today and I'm doing just fine but you were losing your mind, weren't you?...Speak up, slut. I didn't quite hear you. When I ask a question, I expect a clear answer. So try again.

...That my good boy. Playing with yourself so well for me. Fingers inside your cunt while you stroke that clit of yours. My mouth is water at the sight of your clit. I want to feel it in my mouth. Roll my tongue around it, suck it, kiss it, make you squirm and scream. **[chuckle]** It's a shame that you won't be getting that today because you ruined it for yourself. This is what you get instead. This is what you deserve, baby boy. You have to earn my loving touch. There is nothing more that I would like to do then touch you right now, boy. Feel your skin under my warm hand, feel every twitch of muscle as you get closer to cumming. But I can't do that because this is about teaching you a lesson. More importantly, this is about reminding you of your place. You're mine and I'll make sure you understand that by the end of the night, puppy.

Awww, don't look like that, baby. You asked for this. I'm not going to do anything to you that you don't deserve. After all, you are just a pathetic little slut who can't keep his hands to himself. That's something that can be fixed with training. I understand you were just testing me to see how much you could get away with but if I'm not strict with you now, then you are going to keep pushing. If I give you even an inch, you'll go an entire mile, baby boy. This is for your own good. So be a good boy, trust me, and pick it up for me. You can go faster than that. Scissor inside yourself. Feel how soaking you are. That's your own desperation, slut. When I don't play with you for just a few hours, that's how much you burn with desire. You can't help it. You are just a dumb little slut, aren't you?

...That's what I thought. So good for me, boy. Fucking that pussy of yours with your fingers, playing with your clit just like a proper slut. So handsome when you are naked and exposed like this. You're getting close, aren't you, baby boy?...**[chuckle]** Since you were going to cum with or without my permission, what does it matter if I give it to you? If you need to cum, then cum. It'll be your first orgasm of the night. While you were touching yourself, I was thinking how to properly remedy the treatment of a naughty boy like yourself. Then it came to me. I'll just overstimulate you until you hate your own clit and you are begging me to stop. I'll keep playing with you until you can barely feel anything. Aw, poor puppy. That has to be the most pathetic look you've ever given me. It's what you deserve, baby. While I love punishing you, it's clear that I've given you too much leeway. I need to be strict with you again. Keep your slutty nature to a minimum. It's the only way you will learn to keep your hands away from your greedy pussy and throbbing clit. I need to make it almost painful for you. It is clear that that is the only way you will learn. I might also add a bit of numbing spray just for good measure. Wouldn't want you getting any ideas in that head of yours. **[chuckle]**

Oh, such a good boy. Go on and cum for me, slut. I know you want to. I can see how close and desperate you are. Don't fight it or draw it out longer than it needs to be, boy. You won't be able to prolong your inevitable punishment by doing that. If anything, you are just going to be helping me and my job the more you touch yourself while trying to deny yourself your own orgasm. It would be best if you just let go and came for me. Be a good boy, cum for me. Make me proud, puppy. Cum on your own two fingers just like that. That's a good boy. So good for me. So handsome when you let go and cum just like that. Love seeing you like this. So vulnerable and sexy and mine. I love you so much, baby boy.

[footsteps] Aww, look at my fucked out little slut. Breathing heavily while you look into my eyes. That's a good boy. Keep looking at them. We aren't done, yet. Not by a long shot. In fact, now it's my turn to touch you exactly how you were touching yourself. I bet I can make you cum faster than your own fingers can.

[PATREON]

[chuckle and shuffling] Ah, ah, ah, keep your legs open for me, boy. You had such a hard time keeping them shut earlier, what seems to be the problem now? Are you dreading something? All I'm going to do is touch you exactly how you like. Isn't that what you wanted?

[wet noises started] Am I touching you too soon after you came? What color are you?...Still green? Then, that's too bad, baby boy. It seems you need to take your punishment like a good puppy if you want to end up back in my good graces again. Good boys listen to the rules and get rewards for doing so. Bad boys have to get punished. After all, if I don't correct this behavior now, you are going to start thinking you can get away with more. Your orgasms are mine, puppy. Your pleasure is mine, baby boy. You take what I give you and thank me for it because you want to be a good slut for me. You want to be my good slut, don't you?...That's what I thought. That's why I'm touching you so sweetly. Rubbing your clit, fingering your pussy, just how you like it. I was just watching you do exactly this and now, I get to be the one to put my hands on you. Doesn't it feel good to have earned my touch? You are slowly getting back on my good side despite disobeying. Think you are going to be able to make me proud, baby boy?...Oh, I know you are. You are such a good boy for me. You just need a little bit of a reminder of who is in control, that's all. You aren't the one with the power here. You are the pathetic slut in this situation, boy. Look me in the eyes.

Good boy. I know your clit is sensitive right now so if it gets to be too much let me do. You don't have to take it just because you want to make me proud. Only continue if you want to, puppy. Do you want me to keep going?...I figured as much. My good boy wants to take his punishment in full because he knows what he did was wrong. Such a sweet little puppy. Melt into my touch. My slender fingers reaching inside you, crooning around, massaging that g-spot of yours while the other strokes your clit. I can see you are trying your best to keep looking into my eyes but keep going down to my cleavage. Is it distracting, baby? Is too much of my cleavage hanging out directly in front of you that you just can't help it?

...[**chuckle**] Maybe for your next orgasm, I'll dove fuck you. My nipple playing with your clit until you cum. I had other plans for your next orgasm but maybe if you can be an extra good slut for your second orgasm, then I'll dove fuck my boy. Only one of my tits being taken out of the top of my dress, using the hardened red bud to flick your clit, because that's all you deserve. If you had behaved yourself, I would already be naked by now. But you decided to touch yourself sneakily when I explicitly told you to wait until after dinner. Now you have to deal with being my naked and exposed slut while I'm still dressed up all pretty for you. You weren't even clever about your lie, saying you were going to the bathroom and then touching yourself in our room. Thinking with your pussy so much that you didn't even think to touch yourself in the bathroom so I wouldn't know what you were doing. Probably hoping to be caught so you could be punished like the filthy slut you are. [**chuckle**] Such a desperate boy for me already. Are you still that sensitive, baby boy?

...Aww, poor puppy. It's a shame that that doesn't matter. It doesn't matter if you are close to cumming or want me to stop. You wanted to touch yourself. You wanted to cum. All I'm doing is helping, little slut. I'm giving you exactly what you want, puppy. Aren't you happy?...Oh, it feels like it is starting to be too much? Then you better cum quickly. Should I speed up? Shove my fingers inside your desperate cunt even more. Keep that steady pace while stroking your clit. I wish I had more than just two arms right now because I would want a third to grab your chin and force you to look me in the eyes. Fuck. Just look at you. So fucking hot, slut. You look so amazing like this. All desperate and pathetic, legs spread and shaking, breathing shallow, more moans than words at this point. It's amazing how quickly you surrendered considering this is exactly what you wanted. I'm not doing anything that you didn't do to yourself, baby. I'm touching you exactly how you were touching yourself. I'm fingering you exactly how you were fingering yourself. What makes this time any different?

..What was that? I didn't quite catch that. It sounded more like some strained noise a puppy would make than words that a human would. Is the slut losing all ability to think and speak? Pitiful. Absolutely pitiful, puppy. Luckily for you, you look your best when you are broken and desperate. I know you are close again, slut. Being touched so expertly after orgasming so soon, it's almost too much for the slut, isn't it? You can't tell if you want to cum and get it over with or if you want to draw it out so that your clit doesn't get overstimulated so quickly. But it's not up to you, boy. It's up to me. I'm the one in control. I'm the one who makes decisions for you. Make me proud, puppy. Cum for me. Cum for a second time. Cum while my fingers work, tip you over the edge and make you orgasm again. This is exactly what you wanted, isn't it? Don't fight it. Cum for me. Just like that. Good boy. Love feeling your pussy clench down on my fingers and your clit move while you cum. Feel so fucking good, puppy. Took everything I gave you so well. Making me prouder and prouder by the minute. Do you think you can take another orgasm or do you want to tap out?

..One more orgasm, then you will have taken your punishment like a good boy and be back on my good side. I think you deserve a little bit more of a challenge for your final one. I want to watch you do all the work. Straddle my thigh, baby. **[shuffle]** Thatta boy. Now I can look at your cute face and even kiss you while you make yourself cum by grinding against my soft thigh. **[kissing]** What are you waiting for, slut? Go on. Start rocking yourself against my thigh. I know your clit must be so sensitive by now but procrastination is only going to make things worse for you. I can make you orgasm a fourth or fifth time if you would prefer if you want to take a 5 minute break

[humping starts] That's what I thought. I'll even guide your hips for you. Press you down a bit so that your clit drags painfully sweet against me. That's it, my boy. Doing so good for me. Look at you. Making me so proud. I'm so fucking turned on watching you like this, puppy. It's probably a good thing I didn't wear panties because I would have ruined them with how wet you are making me. I could feel it dripping down my inner thigh when I walked over here. What a site you are to behold. So fucking hot hot, puppy. You feel so good, against my thigh. Though, how are you still so wet? I would think that by now you wouldn't be able to produce any more lubricant but then I forgot you aren't normal, you are a slut. You have a one track mind that is loving getting to be fucked like this, aren't you? It feels so fucking good, it is bordering on painful, which makes it better, doesn't it, boy?

...Yeah, I know my boy well. This is what you needed, isn't it? To be reminded of your place. You just couldn't keep your hands to yourself, could you, baby boy? You had to touch your wet pussy because you kept fantasizing about me and look where it got you. Grinding against my thigh on your third orgasm in a row, on the verge. If you need to cry puppy, you can cry. I know how sensitive you are. You are such a good boy for me. Making me so happy and proud of you. Taking your punishment so well, just like a proper slut. You are doing everything right. It feels good to be put back into your place underneath me, doesn't it? Even if you are on top of me as my hands guide your hips across my thigh, you are still being obedient. What a good puppy you are. Keep rocking your hips, just like that. It feels too good, doesn't it?

Awww poor slut. You got exactly what you wanted, exactly what you asked for, and now that you have it, you don't want it. Don't be stingy, boy. You should be happy that not only am I touching you, but I'm helping you get off again. Three orgasms in a row is a lot for anybody but you can handle it, can't you?...Be honest with me, baby. What color are you right now?...I thought as much. You seem to be enjoying the pain of this a little too much. Can't tell if you are in pain or pleasure with how sensitive you are right now, every nerve ending set ablaze and being rubbed raw. I bet you would be able to cum from just that painful pleasure you are feeling right now. In fact, I know you can do it. I've seen my puppy slut do it enough times to know that it's possible. Going to keep being a good boy for me and make yourself cum while grinding against me, right?

...That's what I thought. One more orgasm, boy. That's all I'm asking. You've taken everything so well. Such a good boy for me. I know you're already close again. Everything is too much for you. It's a lot for a dumb slut like yourself. You wanted to feel good, you wanted to cum, but not like this. Probably can't even think straight right now. All you are thinking about is making it stop while your impending orgasm keeps building against your better judgment. My hands constantly helping you move as you grind trying to get more friction but wincing whenever you get it. It's too much, isn't it, boy?...Aww, what a pathetic little slut you are. Being so good for me despite wanting to stop. I know your body is telling you to stop, that you don't have to continue, but you want to. Love when you get like this. So fucking good for me, puppy. Want to make me the happiest person in the world right now?...Of course you do because you are such an amazing slut for me. I want you to bring yourself to the edge of orgasm. Can you do that for me, puppy? Yeah, just like that. Keep going. Good boy. **[chuckle]** I can feel my entire thigh is coated with your slick. It makes it that much easier to glide against me, doesn't it? It's so fucking hot to have such a desperate boy in my lap like this.

Keep going. Bring yourself right to the edge. Just like that. Doing such a good job for me. I know, it's a lot. I know you've come twice already. But the third time's the charm. Taking your punishment so well for me. Such a good slut for me. Keep going puppy. Keep dragging your clit against my thigh. Look at me. Yeah, just like that. Aw, your eyes are glazed over. That's my good puppy. Sink into the feeling. Melt against my body while my hands keep working your hips. You want to cum and don't want to cum at the same time, don't you?...Fuck. Your voice is absolutely wrecked. It sounds so fucking sexy, slut. I love how you come apart like this. Like putty in my hands waiting to be molded into whatever I want you to be for the evening. What a good boy I have grinding in my lap. Why don't you show me just how good you can be and orgasm against my thigh. Cum for me, puppy. Show me that you are a slut that learned your lesson and cum against my thigh for me. Just like that. Good boy. What a good puppy. That's what I wanted to see. So fucking good for me.

[peppered kisses] I'm so proud of you, baby. What color are you?...Yeah? Good. I'm glad you are still green but you are also still deep in subspace. But that's okay, puppy. I'm going to take care of you. Here, let me rearrange us so that you are laying next to me. Want to hold my good boy in my arms and I know how much you love being the little spoon. **[shuffling]** Isn't that better?...Told you. **[chuckle]** Now is my boy sorry for touching himself without permission?...That's what I thought. And did you learn your lesson?...Very good. You are forgiven, puppy. **[kiss]** I love you very much. **[kiss]** You did such an amazing job for me. **[kiss]** You made me so proud, baby. I'm so lucky to have you not only as my partner but as my sub, you know that? **[kiss]** I love you, baby. But don't fall asleep on me. We still have dinner to make, remember?...**[chuckle]** I know you're tired but we aren't ordering takeout. Why don't you stay here in bed and I'll make dinner and bring it upstairs for the both of us? We can eat dinner in bed, cuddling, and watching tv. How does that sound?...Sounds like a plan. **[kiss]** Be good while I'm gone. If I come back here and find you touching yourself, three orgasms is going to look like nothing next to the hitachi I'll be tying to your leg. **[chuckle // footsteps fade out]**
