

NerdyOtaku/HariKuran's TOS

My TOS can be found on my invoices and down below:

- No refund will be given past the sketch stage of a commission. I send WIP's and do changes upon request. If you get a refund past this point it will be because I am unable to finish the commission and you will also receive any progress I have made on your piece.
- I send out a WIP for each stage of the commission, please make sure you tell me of any changes you want before I move on!
- When ordering a sketch of any kind please keep in mind that edits are going to be very limited, these are quick for a reason. They also shouldn't be overly complicated with the ideas.
- When ordering commissions, keep in mind that if I have already started and you want to completely change the idea, I will be charging an additional 50% of the original price. If you are past the sketch stage and want a major change it will result in a charge of 75%.
- Smaller edits are fine (ex. Missed markings), but are limited as well. I will charge a fee for any changes beyond at least 5. The charge will depend on the commission type and how many edits there will be.
- I have the right to decline any commission I will not feel comfortable with, I will provide a list farther down on the things I will not do.
- All of my art is to have proper credit when and wherever it is posted. This could be a simple "Art by HariKuran" or an actual link to any of my art pages.
- Please check my list below before commissioning me, and if you are unsure about what I am okay with please message me first about it.
- If you are commissioning me, please expect an invoice from me on paypal, unless you are from Etsy or Patreon. I will only accept tips via a paypal me link or kofi, this is to ensure safety on both ends.

- I have the right to post any and all finished commissions (as well as any WIP's) to any of my social pages. If you want your commission private please mention it to me when you commission me, I am willing to work with you on that..

Things I will draw:

- NSFW
- Fetishes (If you don't see it in my no's, feel free to ask but I am willing to draw most.)
- Ferals, so long as they are able to speak and think like a person
- Gore (I can draw a wide range, but I do prefer the more tame stuff)
- SFW cubs
- Humans (I am willing to draw them, but I am not great at them)
- Pregnancy/ chubby characters

I will draw most things, again always feel free to ask before commissioning me.

Things I will NOT draw:

- Scat
- Incest of any kind
- Underaged NSFW
- Any feral stuff that is with a feral that doesn't "act" humanlike
- Politics of any sorts
- Nazi's
- Necrophilia/ Death
- ABDL
- Fan art of underaged characters (I don't care if they are aged up, it's still a no!)

My lists will be constantly changing as I go, some of my No's are from past experiences. I am pretty open when it comes to what I will draw and what I won't draw.
