

Sponsorship Guidelines for TODOS

Benefits Dates: February 1, 2023 - January 31, 2024

What is TODOS?

TODOS: Mathematics for *ALL* is a professional organization that advocates for Equity and excellence in mathematics education for ALL students – in particular, Latina/o students. Founded in 2003 and with over 900 members from across the country, TODOS Members know that Equity and Excellence in Mathematics Matter! We promote Social Justice in Mathematics education and provide high quality resources to help reach our mission and goals.

Mission

The mission of TODOS: Mathematics for ALL is to advocate for equity and high quality mathematics for all students through social justice – in particular, Latina/o students.

Goals define the activities and products of TODOS: Mathematics for ALL:

1. To advance educators' knowledge and ability that lead to implementing an equitable, rigorous, and coherent mathematics program that incorporates the role language and culture play in teaching and learning mathematics.
2. To develop and support educational leaders who continue to carry out the mission of TODOS.
3. To generate and disseminate knowledge about equitable and high quality mathematics education.
4. To inform the public and influence educational policies in ways that enable students to become mathematically proficient in order to enhance college and career readiness.
5. To inform families about educational policies and learning strategies that will enable their children to become mathematically proficient.
