

THIS IS A FOLLOW UP OUTREACH:

The secret of high-converting ads for each post

Good afternoon, [name].

I am following up on yesterday's outreach about your videos.

I get it—you're busy, time's tight, and creating engaging content appears difficult.

Imagine your videos capturing viewers by using AI-generated videos and increasing conversion rates by adding a winning ad formula to grow your business.

Let's talk about your goals on a call. I'll reveal the winning ad formula's secret to increasing your conversion rates. or stay put.
