November 2022 - Data User Advisory Group Workshop

Thursday, November 3rd, 2022, 2 - 4 PM Via Zoom

Join Zoom Meeting: https://csumb.zoom.us/j/87464151521
Meeting ID: 874 6415 1521
Passcode: DUAG

Agenda

1) Opening Announcements (*Michael ~10 minutes*)

- **Data Warehouse Production Issues**
  - We've been having load plan issues in Data Warehouse production since October 29, 2022. DW team is troubleshooting.
  - Several users have reported issues accessing Data Warehouse production. If this happens to you, put in a CSUMB Data Warehouse Problem > Availability - System Outage ticket.
- **Data Warehouse Modernization Updates**
  - Term Enrollment subject area used for non-census based students enrolled by term (units taken, term and cumulative GPAs, etc.) is the first to be modernized
  - Code freeze on this area: no new development in current Data Warehouse
    - Dashboards currently using this subject area:
      - Grades Dashboard > Term and Cumulative GPAs
      - Term Enrollment Fast Facts > Enrollment Demographics (Non-Census)
      - Reports (Academic Affairs Cost Recovery for Open University, EOP GPA Distributions)
- **Data Warehouse Release Notes updates.** Highlights:
  - Gender → CA Legal Gender rename
  - Admissions Funnel and Enrollment (Overview) one pager updates (remove test scores)
  - Course Attribute, Value, GE Class Area, UR Class Area fields added to Courses and Grades dashboards
  - New Multilevel Crosstab Table on Courses > Class Schedule
  - General Education Indicator Description > APDB dashboard
  - Courses > Overview > All Courses Enrollment linked analysis group breakdown added
- **Data Exploration Open Labs -** normally every week; IAR will have some out time for presentations and conferences in November; follow link for schedule and to register

2) Overview of new Course Attribute, Course Attribute Value, GE Class Area, UR Class Area fields on Grades and Courses Dashboards (*Michael ~30 minutes*)

- Grades Dashboard subpages → Course Characteristics Filters
  - Overview
  - Pass Rates
  - DFW Grades

        - Course GPA Equity Gaps
        - Course Grade Distributions
    - Courses Dashboard subpages → Course Characteristics Filters
        - Overview
        - Class Schedule
            - Schedule - Enrollment, Capacity, Units FTES, and SFR
            - Course Fill Rates
            - Course Typically Offered
            - Last Academic Year Students Enrolled
            - NEW Multilevel Crosstab Table → Course Characteristics Filters and Group Breakdowns
        - Course Enrollment Demographics
            - Course Enrollment Demographics Trends
            - Course Enrollment Demographics Multilevel crosstab Table

3) Data Exploration Activity - Breakout Groups (*Everyone ~55 minutes*)

- In breakout groups, complete the activity and answer the questions in the Group Breakout Room Guides linked below. (*Use the link associated with your Group Breakout Room number.*)
    - **Group Breakout Room 1**
    - **Group Breakout Room 2**
    - **Group Breakout Room 3**
- Take notes directly in the document linked above as you complete the activity.
- We will share out when we reconvene as a larger group.

4) Group Report Out and Discussion (*Everyone ~15 minutes*)

5) Fall 2022 DUAG Workshop Schedule

- **Thursday, December 1, 2022 - 2PM-4PM** - Topic TBD
