

Frequently Asked Questions

1. Who are we?

- a. We are a part of Whitney High School's Ecology and Wildlife Club. As part of our mission of protecting the environment, Eco Club has partnered with the non profit organization Tree-Plenish to hold a tree planting event in our surrounding communities.

2. What is Tree-Plenish?

- a. Tree-plenish helps student leaders plan annual tree-planting events to replenish used resources and offset their school's paper usage. They support these student leaders by providing them the resources needed to unite their communities behind their cause. Their ultimate goal is to promote sustainability and raise awareness about the environment.

3. How do we order and receive the trees?

- a. Saplings can be ordered through the website <http://tpevents.org/school/4107>. Trees will be distributed on April 13th through a drive-through pick up at Whitney HS.

4. When will you be hosting the event?

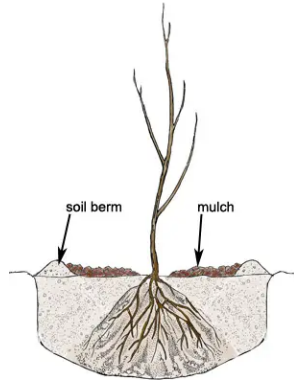

- a. The drive through pick up for the saplings is currently scheduled on April 13th. The deadline to order is March 13th

5. What type of trees are available?

- a. We are offering 3 tree species this year: [Royal Blenheim Apricot](#), [Santina Cherry](#), and [Babcock Peach](#)

6. How tall will the tree be/how will it look when it is first delivered?

- a. The sapling will be around 4-6 feet tall. It will be a bare root tree, so there will be no leaves when you first receive it. But don't worry, once the tree is planted and watered, it will begin to sprout branches and leaves. Here is a photo below:

b.

7. How much are the trees?

- a. Each sapling costs \$12.00.

8. When do I need to request a tree by?

- a. The deadline for tree purchasing is March 13th.

9. How can I help if I can't purchase a tree?

- a. If you'd still like to help us, please spread word about this event!

10. What if I have additional questions?

- a. Our event web page has more details: <http://tpevents.org/school/4107>
- b. You can contact adam_taylor@myabcsd.org for questions.
