Tradition 11

Our relations with the general public should be characterised by personal anonymity. We think A.A. should avoid sensational advertising. Our names and pictures as A.A. members ought not be broadcast, filmed, or publicly printed. Our public relations should be guided by the principle of attraction rather than promotion. There is never need to praise ourselves. We feel it better that our friends recommend us.

- I would like to bring up the 3 minute sharing suggestion and not setting a timer. I think it would be good to set a timer; that way, everyone is aware of it. Some hosts do not know how to interrupt someone's share, and those people get really offended at being stopped in the middle of what they are saying. I see them leave the meeting more than stay, especially new people to our meeting. Just my opinion. VALETA S.

- I would like to propose adding an item to the upcoming meeting agenda.
  Specifically, I suggest that the Host and Co-Hosts display their role before their name.
  This will help attendees and new members easily identify who is facilitating the meeting.

5:30pm – Close

Close with the Declaration Of Unity *(found on the back side of the AA Group pamphlet)*

A Declaration of Unity

This we owe to A.A.'s future; to place our common welfare first; to keep our Fellowship united. For on A.A. unity depends on our lives, and the lives of those to come.

I Am Responsible…

When anyone, anywhere, reaches out for help,

I want the hand of A.A. always to be there.

And for that: I am responsible.
