Intro: “ Oh, what's the matter, fossil? Too senial to make a real power grab, or?- “

Ivypool walks towards tigerstar, voicing the lyrics teasingly.

Part 1: “ You better show some respect! Check your behavior! No one speaks to Zestial that way! “

Ivypool is interrupted by Mapleshade leaping on top of a large rock, Voicing the lyrics loudly at Ivypool, who is still in Tigerstar's face.

Part 2: “ Did you expect us to sit back and take your insolent, brazen display? “

Mapleshade motions to the crowd of dark forest cats in front of the rock, leaping off and stepping between Ivypool and Tigerstar

Part 3: “ Haha! You got it twisted, I'm not the one who needs a new attitude. Maybe you missed it, “

Ivypool laughs, shoving mapleshade aside. She stares down at her while voicing the lyrics, almost as if teasing her.

Part 4: “ but im that hashtag bitch and i will do nothing less than what i please, woo! I'm the backbone of the Vee's. “
Mapleshade leaps up, attempting to slash ivypool's cheek, but failing horribly. Ivypool kicks a bit of dust against mapleshade's paws, and she looks pissed.

Part 5: “ Mad that i acted disrespectful, well its cause no one could respect this! “
Ivypool jumps up onto the rock, the blood red moon shining down on her pelt. She lifts her paw, pointing at mapleshade, who snarls.

Part 6: “ Sorry group attending, since when are overlords too scared to fight? “
Ivypool turns to the group of dark forest cats, giving them a fake sympathetic look, she rolls onto her back, laying down on the rock before slowly slipping off of it.

Part 7: “ You're long past trending, sorry babe, but i aint swiping right! You lost your relevance! “
Ivypool lands on the ground, walking over to hawkfrost and pushing him to the right, he falls down dramatically. Add a few dark forest cats in the backgrounds with goofy looks.

Part 8: “ we can't act without more intelligence.. Ugh! No wonder I'm so disrespectful, cause I could eat you lot for breakfast! “
Ivypool turns to Tigerstar as she voices the lyrics, Ivypool cringes, rolling her eyes, she walks forwards, getting back into

Tigerstar's face. He snarls, but doesn't speak a word. He looks guilty as Ivypool turns and walks off.

Part 9: “ You and the Vee’s are inane and uninformed! Smug wannabes, who don't heed when you’ve been warned! “
Mapleshade voices the lyrics, her fur bristling in anger as Ivypool circles around her.

Part 10: “ OOPS! Did I strike a nerve? Cause when i brought out the angel's head, i couldn't help but observe that your wrinkled face was turning red! “

Ivypool pauses, placing a paw over her mouth on ‘oops’. She’s smirking widely. She grabs a nearby head of Firestar, an angel, and throws it in front of Mapleshade as MapleShade cowers slightly. Her shadow looms over her, kinda resembling how Alastor’s shadow is remotely more creepy than him, Mapleshade’s eyes widen in anger, as Ivypool sits down in front of the Dark forest cats, who all seem to agree with her argument.

Part 11: “ And why are you avoiding war? That's what the guns you sell are for. Thanks to my being Respectless, One thing i'm starting to Suspect is, You know why this Angel's headless. “
A few Dark forest cats approach her, grabbing her body and holding her in place. Ivypool walks forwards, placing her paw on Mapleshade’s muzzle, claws unsheathing and drawing a bit of blood. She leans down as she voices the last few words.

Part 12: “ Do you have a disclosure? THIS MEETINGS OVER! “
Ivypool removes her paw from Mapleshade’s muzzle, smirking. Mapleshade shouts ‘ THIS MEETING’S OVER! ‘, scaring the cats holding her.

Outro: “ ... That was a productive meeting! “
Hawkfrost elbows Breezepelt, who is sitting right next to him.
