Clever

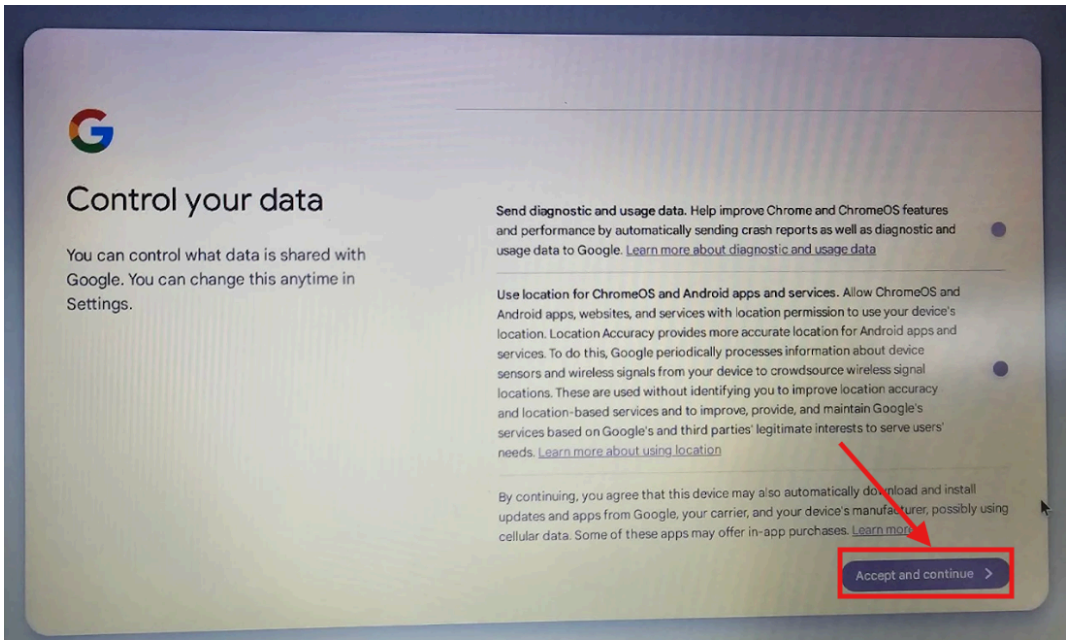

- When opening a Chromebook, students will see the following screen. Click "Enter Google Account Info"

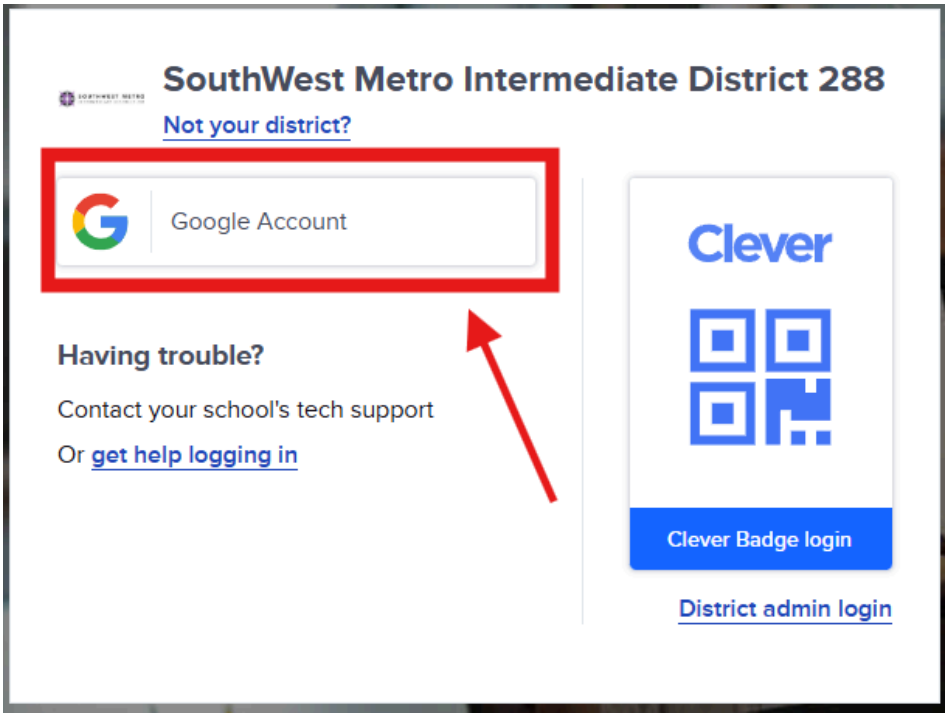

- You will see this screen. Enter the students SW Metro email username and password and click “Next”.

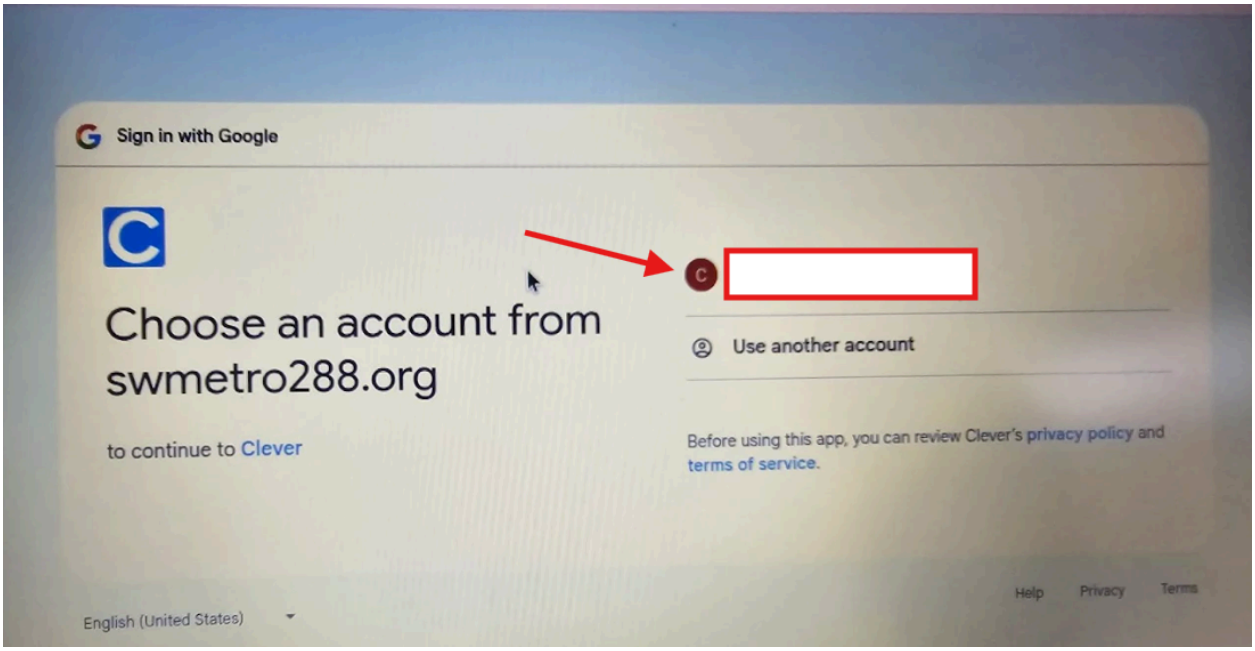

- Follow the prompts to login.

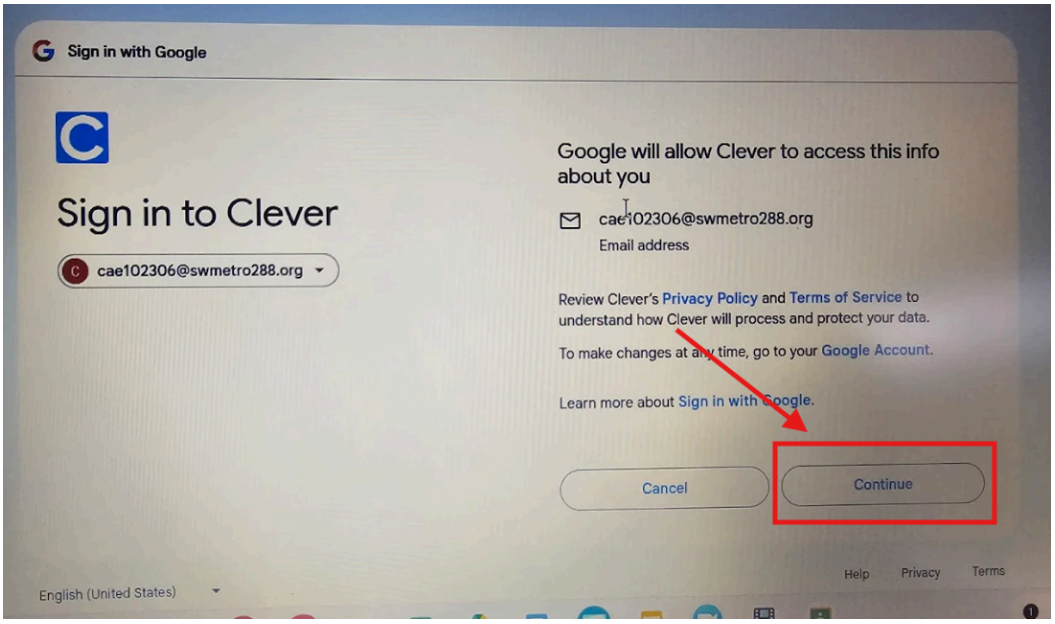

- Once you are logged into the Chromebook the browser will open, and you should see this screen. Click “Google Account”

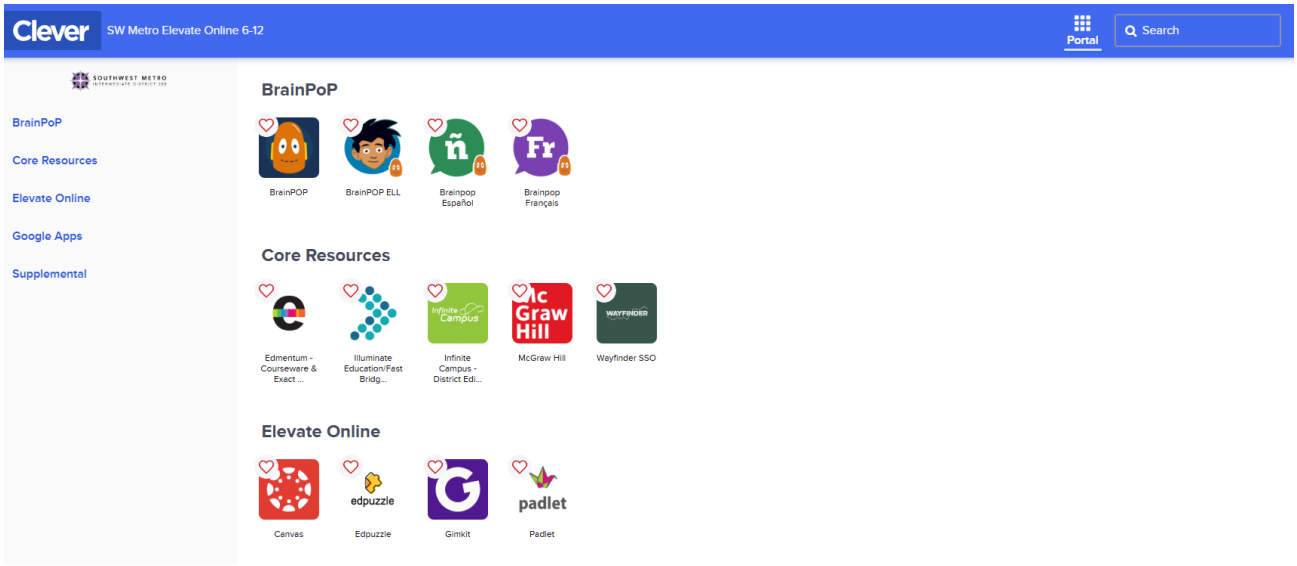

- Choose your email account

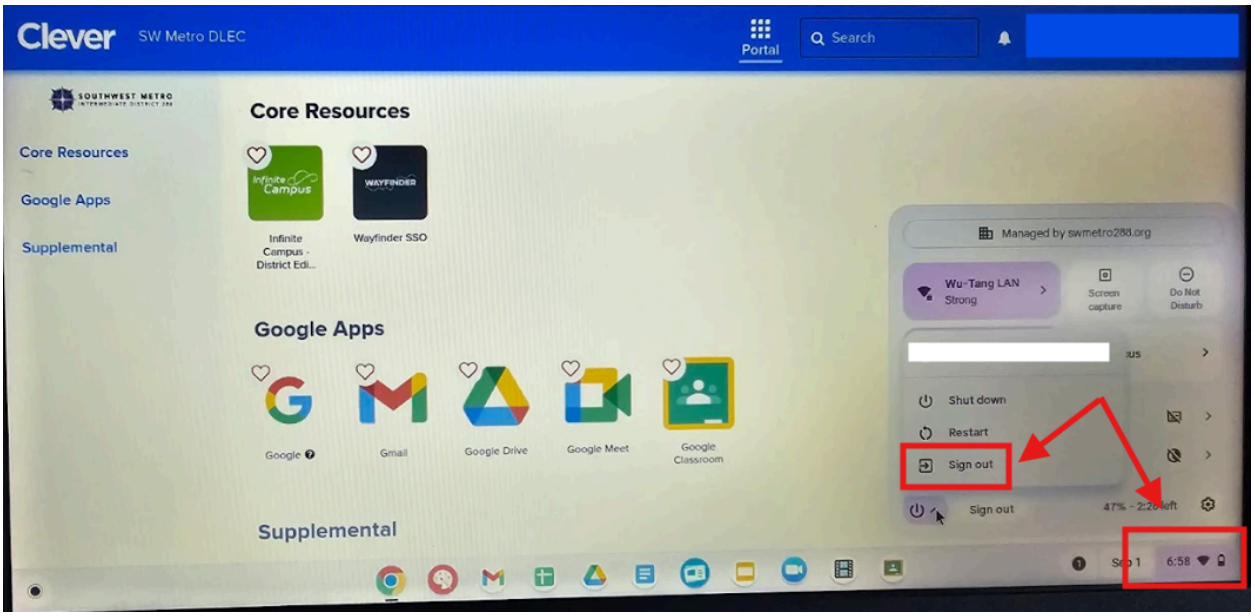

- **Follow the prompts.**

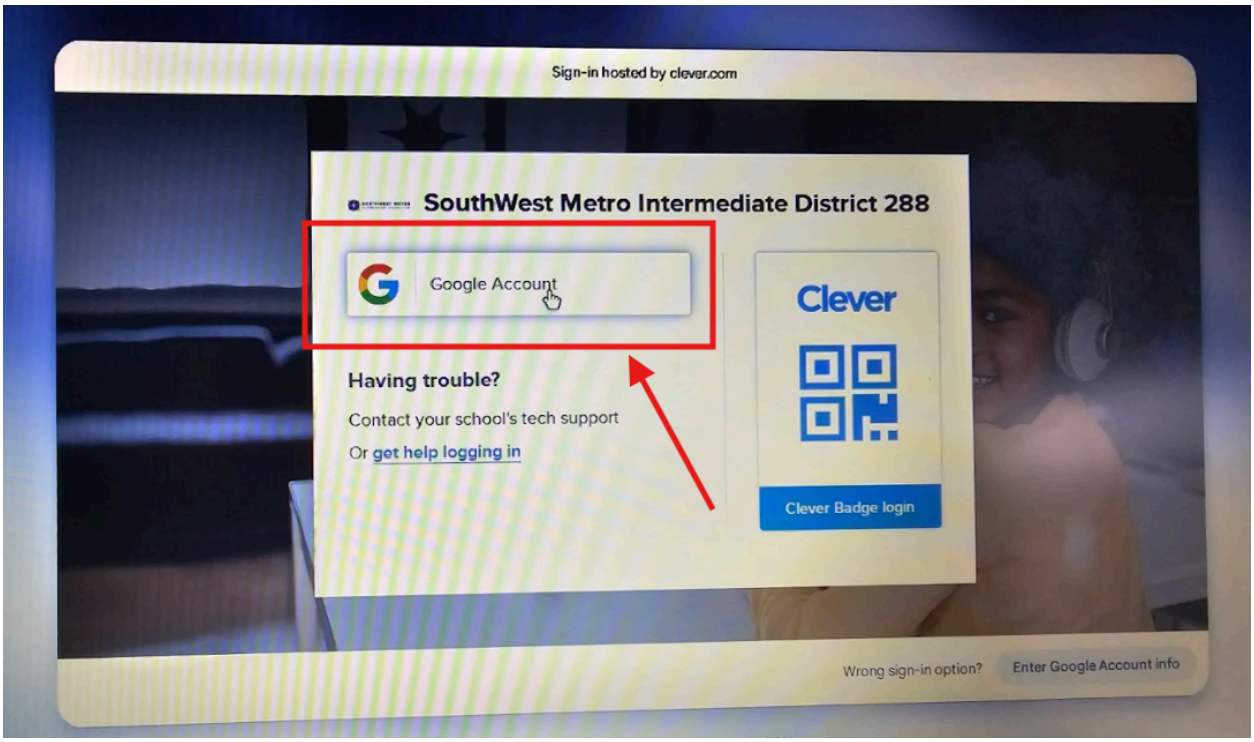

- **Once you are signed in you will see a screen like this**

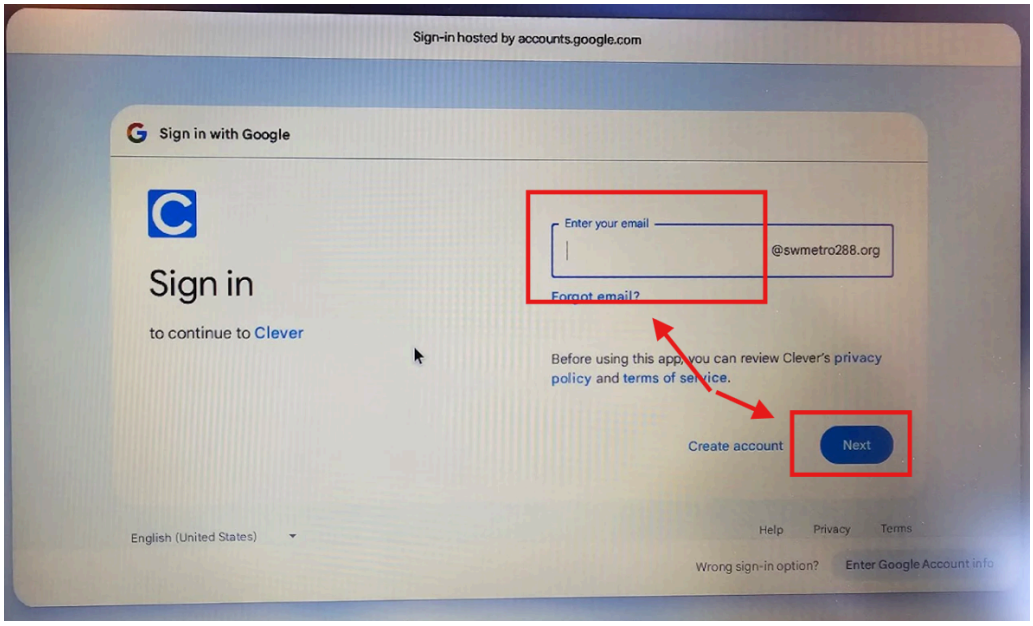

- You can now sign-out of the Chromebook

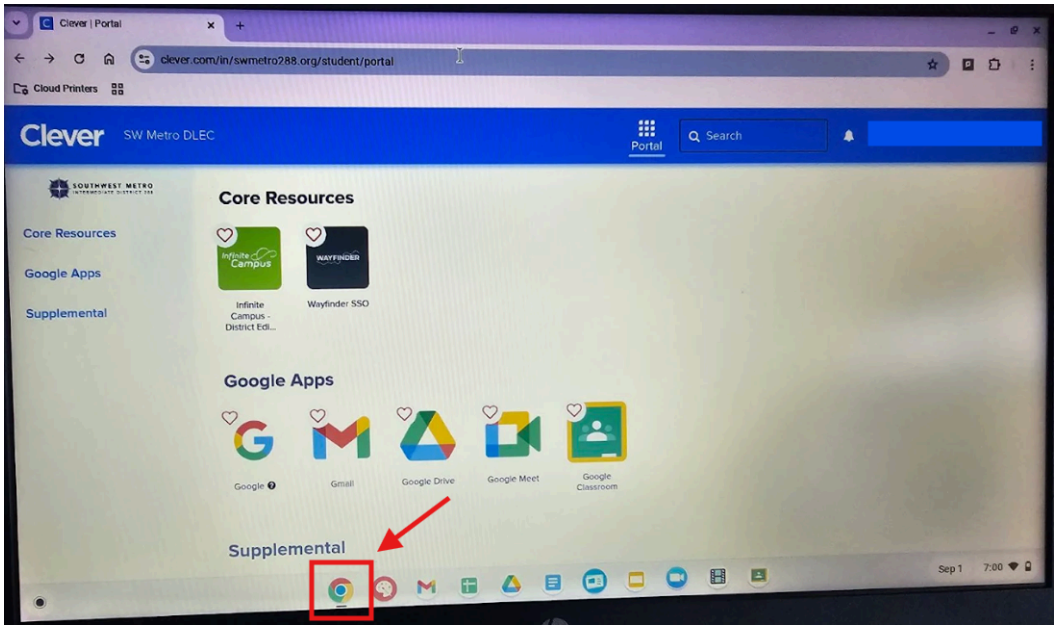

- Back on the login screen you will use the “Google Account” button this time.

- Continue with your email and password.

- Once logged in the Clever browser should automatically pop up. If it doesn't click on the Google Chrome button.

- You can now log in using the "Google Account" button on any Chromebook in the district.
