Webb meeting, 2025-03-14

Questions & Answers etc.

6 participants

Slack for communication during the Hackathon
We will use Slack for direct communication during the Hackathon. The purpose is to inform about ad hoc events, presentations, technical tips, meal times. gatherings, etc.
Rickard Rosenberg from Doctrin will send out an invitation to everyone.

Support from Better och Archetype Designer
Better will leave support for Archetype Designerby by mail, send emails to tilen.petek@better.care with subject HACKATHON: ...

Template on care plan
Hanna will ask Better if they can share some templates on care plans from the project in London.

Templates from openEHR Finland
Hanna provides us with a link to templates from openEHR Finland. Note that these templates are drafts, they will still go through a national review process in Finland. The link will be published on the project web site.
