Afghan Adjustment

The U.S. relied on our Afghan friends and allies to help keep us safe during the 20-year occupation of Afghanistan. Now we must stand shoulder to shoulder or [#ShonaBaShona](#) with our [#AfghanAllies](#).

EVACUATE OUR ALLIES

Right now, Afghanistan sinks into a grave humanitarian crisis. The Taliban is targeting [#Afghans](#) who worked with us. We are falling tragically short on our promise to protect our allies.

Relocating some is not enough.

Temporary safety is not enough.

It's time to finish what we started.

We must [#WelcomeHome](#) our Afghan neighbors to safety in the U.S.

Afghan refugees deserve safety that lasts.

Afghans left behind to violence & persecution deserve safety - full stop.

Congress: It's time to truly [#WelcomeHome](#) our Afghan neighbors.

[#KeepThePromise](#)

Thousands of at-risk Afghans were left behind during the U.S.' chaotic withdrawal from Afghanistan. The work isn't over until they've ALL been brought to safety.

[#Advocate4Afghans](#) by calling on Congress to reintroduce the Afghan Adjustment! [#ISupportAA](#)

We cannot allow our promise to end with tens of thousands of at-risk [#Afghans](#) stranded in danger and left behind by the U.S. government. Join us in calling on Congress for the reintroduction of the Afghan Adjustment [#KeepThePromise](#) [#EvacuateOurAllies](#) [#AfghanAdjustment](#) [#ISupportAA](#)
