WHEREAS, the Steering Committee has unanimously recommended that a copy of this Resolution be passed in its meeting on 30 December, 2024 at 8:30 PM; and

WHEREAS, The Orange County Democratic Socialists of America does hereby authorise the extension of monthly general meetings from one and a half hours to two and a half hours by moving the start time of each monthly general meeting from 12:00PM to 11:00AM and by continuing to conclude general meetings at 1:30PM; and

WHEREAS, The Orange County Democratic Socialists of America take such action to allow for greater participation by general membership in discussion and debate of resolutions brought to the chapter each month, to increase the time for guest speakers to receive and answer questions from members and non-members during socialist forum formatted meetings, and to promote a higher degree of democratic process within Orange County Democratic Socialists of America;

NOW, THEREFORE BE IT RESOLVED that the present members of the chapter do hereby vote on the adoption of this new start time. Should a majority of present membership vote in favour, the motion shall pass, the start time of all general meetings will be adjusted, and the chapter's membership will be informed of the change prior to the next general meeting on 25 January, 2025.
