

SERIES OVERVIEW

The Bible is more than just a big book with teeny tiny words that was written a super long time ago! The Bible specifically tells us in 2 Timothy 3:16 that, "All Scripture is inspired by God and is useful to teach us what is true and to make us realize what is wrong in our lives. It corrects us when we are wrong and teaches us to do what is right." As we read scripture, we connect with God. The Bible is God's Word and God wants to speak to us! It's our job to listen to what he says, by taking time each day to engage with scripture.

THIS WEEK'S OVERVIEW

We are recapping the series, by hitting highlights from every week and having some fun while we do!

WELCOME / SETUP

5 MINUTES

Hey Kids on the Move!

- *(Do whatever you need to do to be comfortable as well as make the kids in your environment feel welcome and connected.)*
- I am so glad you guys are here! We are going to have a lot of fun today.

Four Things That You Need To Know

- We want you guys to have the most fun possible, but to do that, there are 4 things that you need to know! (4 Things Bumper)
- 1. Love God. That means when one of our leaders is talking about God, we are listening and not distracting others. When we are worshiping, we are being respectful and worshiping God thanking Him for how good He is. When we are praying, we are being respectful and not talking to others.
- 2. Love Others. That means we are going to make sure that we are treating people how we want to be treated!
- 3. Obey The First Time. If a leader asks you to do something. You obey the first time.
- 4. Have Fun! So be singing and dancing with us and cheering for your team during game time!
- If you guys can do that, give me two thumbs up. Awesome!

Setup

- Today is a bit of a different service. We are doing a recap weekend for our series, "The Book For Me!"
- We will be looking at some of the highlights of the series and having a lot of fun along the way!
- So, we will be playing a lot of games, but that's not all! We have something awesome to show you guys!
- This is a team competition!! To make this team competition special, have some brand-new teams for you: The Lizard Wizards, The Jammin' Salmon, the Awesome Possums, and the Kickin' Chickens (Team Name Slides)
- Now, all of these teams are awesome and I'm sure some of us want the same team names. So, we figured the only fair way to pick our team names was by competing for first choice of your team as well as scoring some points on your way to winning the recap weekend!!

GAME: REVERSE CHARADES

10 MINUTES

What you need: Slides of things to act out.

Objective: Be the first to guess what the image wins the round.

How to play:

- Here in a second, we are going to split the room into unnamed teams.
- Then, we will call one champion forward to represent their team.
- A word will pop up on the screen behind the representatives. (The champion may not look at the screen.)
- It will be the teams job to act out the word they see on the screen without saying any words or making any sounds!
- *First winner gets to choose their team first! Repeat until the last team chooses or gets the last team!*

RECAP WEEK 1

2 MINUTES

Week 1 we looked at the STORY of the Bible.

- The Bible is 66 different books written by several different authors but it's telling one unified story that is all about Jesus!
- It goes a little like this: God first created a great world (*Show clip of built Lego set and reference week 1's illustration*) and humans wrecked it.
- After that we were broken and couldn't fix the broken world. We needed a savior!
- That's where Jesus comes in! He is our savior from our sins.
- And one day he will come back and make all things new and make all things perfect!
- Our verse was Matthew 6:10, "Your kingdom come your will be done, on earth as it is in heaven!" (Verse slide)
- It's a pretty great story! The best of all time, actually!
- So that was week one! Now let's play another game!

GAME: OUT WITH THE OLD AND IN WITH THE NEW

10 MINUTES

What you need: Ping pong balls, jars, bucket of water, cups

Objective: Be the first team to pour enough water in the jar that all the ping pong balls fall out.

"Week 2 we talked about how when we fill our minds with God's word it forces the bad stuff out. Much like this game!"

How to play:

- Here in a second, I will pick 10 people from each team to come line up behind their bucket of water.
- When I say go, the first player in line will take the cup and scoop out as much water as they choose. They will then take that water all the way to their jar in the center of the play area and dump the water into the jar.
- Then they will run back to their team and hand the cup to the next person in line.
- The game will continue like this until all of the ping pong balls fall out of one team's jar because it has been refilled with the new water! That team will be the winners!
- Get it? Out with the old, in with the new?!

- Let's play!!

(For added difficulty, try making an obstacle course that they have to go through while holding their cup of water.)

RECAP WEEK 2

3 MINUTES

- Week 2 we looked at our brains (*Show brain*)
- What we put in our brain matters! When we watch only junk, listen to junk, and talk about only junk it dirties our minds!
- Junk can be songs that fill your mind with things you shouldn't be thinking about!
- Video Games, Movies, and TV shows can all be junk that you are putting in your brain if they are about things that go against God's Word!
- The Bible says that God's Word renews and cleans your mind.
- Our verse was "Don't live the way the world lives. Let your way of thinking be completely changed. Then you will be able to test what God wants for you. And you will agree that what he wants is right. His plan is good and pleasing and perfect!" Romans 12:2 (Verse slide)
- It's like a brain washing!

(Do a point recap)

GAME: WHERE'S WALDO

10 MINUTES

What you need: Game Slides

Objective: Be the first to find waldo

How to play:

- Here in a second, we are going to split the room into teams.
- Teams compete to be the first to find waldo.
- First Team gets points for their team

RECAP WEEK 3

3 MINUTES

- Week 3, we looked at how there is a lot going on in our lives and all around us. But God wants us to be close to Him, to know Him and have a relationship with Him.
- The Bible helps us do that! It gives us a clearer picture of who God is.

- So, like we tried to find waldo, zooming in helped a lot!
- The Bible helps us zoom in on God and know about Him. When we learn about what God did and especially all the great things Jesus did, it shows us about God and helps us grow closer to Him.
- “Come close to God, and He will come close to you!” James 4v8a (Verse slide)
- Teams compete to be the first to find waldo.

GAME: SWORD DRILLS

10 MINUTES

What you need: Bibles

Objective: Be the first to find the verse

How to play:

- Here in a second, I am going to call out a scripture reference. Scripture references are how we can search for specific verses. A reference is made up of the name of the book, the chapter, and the verse number that a specific verse is found in.
- Once I call out the verse reference, the race is on. The opponents will search through the Bible to find the verse that I called out. The first one to find the verse will be the winner. Once you’ve found it, we will read the verse out loud together.
- Helpful hint to all you beginners... In the front of the bible, there is a page called the table of contents that will help you find where the book of the bible is found.
- Let’s get to the first verse...

RECAP WEEK 4

3 MINUTES

- Week 4 we talked about how we can best use the Bible.
- It’s like a sword! We can use it to strike back at the devil! (*Show sword*)
- “The word of God is alive and active. It is sharper than a two-edged sword.” (Hebrews 4v12-9 Verse slide)
- The devil likes to attack us, well we get to attack him when we use the word of God
- When the devil attacks, fight back!

FINAL SCORES

2 MINUTES

- Tally the scores and make a big deal out of the winner!
