

IGNITE 2027

In a world filled with noise, pressure, and uncertainty, God's voice still speaks clearly: You are called.

IGNITE Youth Conference 2027 invites young people to discover that they are called—not forgotten, random, or without purpose. God knows each person by name and calls them into a life of relationship, transformation, and mission.

This year's theme centers on the truth that God's call is **personal, powerful, and purposeful**. Before God calls us to do anything, God calls us into relationship. We are known by name, claimed by grace, and invited into God's mission.

Through worship, teaching, fellowship, and spiritual formation, youth will discover what it means to abide with Christ, be shaped by the Holy Spirit, and partner with God in bringing hope to the world.

Guiding Scripture

Isaiah 43:1 "But now, says the LORD...I have called you by name; you are mine" (CEB)

God's Call Is...Personal. Powerful. Purposeful.

A call is personal—it begins with relationship.

A call is powerful—it transforms who we are.

A call is purposeful—it sends us to partner with God in the world.
