

Job Posting: Sales Manager

Santa Cruz Permaculture Farm is a coastal 26.5 acre educational farm established in 2022. We grow exceptional fruits, flowers, vegetables, and herbs while enhancing biodiversity, regenerating soils and watersheds, and educating the next generation of food system leaders. Learn about our courses and farm at santacruzpermaculture.com.

Job Description: The Sales Manager works closely with the farm owner and a team of farm managers to oversee and ensure the smooth running and success of our CSA Farm Box subscription service, farmers markets, and wholesale channels. The Sales Manager is the face of the farm to our partner producers and customers, handling customer service, and communicating with customers via newsletters, etc. The position also prepares for and oversees the packing and loading of 70+ boxes weekly (and growing), and runs our farmers market booth on weekends. The Ideal Candidate is organized, has strong computer/office skills, can self manage well, has a passion for food and farming, loves improving efficiency and systems, and can handle annoying customers with grace. While certain parts of the job are independent, a large part of the position entails working with other managers or directing the packing team, which requires building relationships and an understanding of the whole farm's operations. Excited by the idea of splitting your time between the physical work of managing the on-farm CSA pack and farmers markets, and digging in at the office? Good at self management, but enjoy working on a team? This job might be for you. If you're passionate about building a sustainable food system and ready to take your farming career to the next level, we'd love to hear from you!

Location: Highway 1 just ten minutes north of Davenport at 640 Cabrillo Highway, Pescadero.

Schedule: 5 days/week (36 hours/week) Thursday to Monday. Alternatively, for the right candidate, the position could be 3 days/week (24 hours/week) on Thursday, Friday and Monday, if you do not want to run our weekend farmers markets.

Compensation:

- Competitive pay based on experience. \$18-20/hour depending on experience and ability to be self-directed.
- While we do have on-site housing, it is very limited. Please mention in your application if you are interested in on-farm housing, or if your acceptance of the position would be dependent on housing.
- Possibility for unpaid leave during winter.

- Up to 5 days paid sick leave annually.
- We often have extra produce to share with employees.
- Work in a beautiful location surrounded by nature and like-minded individuals in a vibrant, supportive farming community.
- Opportunity to deepen knowledge and practice in permaculture and regenerative farming. This includes both “learning on the job” as well as participation in our courses outside of work hours.

Qualifications

- Must have 2+ years experience working on a mixed vegetable farm, previous experience with CSA, or other applicable sales/management experience.
- Basic Spanish language skills: many on-farm staff are solely Spanish-speaking.
- Willingness to work in a dynamic and fast paced work environment, both with a team and independently, and keep track/records of moving parts.
- Be punctual.
- Have reliable transportation.
- Communicate your needs proactively.
- Receive and give feedback gracefully, and integrate constructive feedback.
- Avoid taking time off during peak season (June-October).
- Verizon is the only cell service that works on the farm and it's highly recommended.
- Familiarity with permaculture, and Santa Cruz Permaculture
- CA Driving License
- Clean driving record
- Able to lift and carry 50 pounds
- Strong organizational, communication, and collaboration skills
- High level of attention to detail and time management
- Dependable with thorough follow through; Trustworthiness
- Ability to work within a team and with a high level of autonomy
