

Fall 2024 SVVS After School eCredit

The St. Vrain eCredit Recovery program provides students the opportunity to recover essential credits from failed courses allowing them to get back on track to graduate with their class. This hybrid program offers the best of online learning and combines it with face-to-face instruction and support from core content teachers.

Requirements of SVVS After School eCredit Program:

1. **Mandatory Attendance:** A strict daily attendance policy is enforced. If a student misses 3 classes of scheduled e-Credit, they are at risk of being dropped from the program. We have limited spots available for students to utilize, and every year, we have students that sit on a waiting list to take advantage of this amazing opportunity.
2. **Class Progress.** Students can work at their own pace and have the opportunity to exit the program as soon as they have finished a course.
