ABSTRACT

Use Times New Roman Type 11; write 3-5 words; arranged alphabetically.

The abstract is written in English, containing elements of the purpose of writing, methods, results, and conclusion. Written between 200-250 characters with the formation of one paragraph that includes all of these elements. (*Times New Roman 11, Justify*).

INTRODUCTION (*Times New Roman 11, Space 1.5, Justify*)

The introduction is a background problem that describes academic anxiety, the irrelevant between ideality and reality, theoretical and applicable. In the background of the problem, the author must explain the latest research relevant to the topic to be discussed along with references. Then, in this sub, the author can define the position and significance of the writing to be addressed with research that is still relevant before. Furthermore, the writer can explain the purpose of the research and the significance of the study theoretically and pragmatically.

METHOD (*Times New Roman 11, Space 1.5, Justify*)

It should be written in paragraphs. It explains the approach of the research, the kinds of research, the data collection technique, and data analysis. They should reflect on and describe the

purpose of the study appropriately. In the next paragraph, the author must display the research framework in a concept map or diagram.

DISCUSSION (*Times New Roman 11, Space 1.5, Justify*)

Discussion is the most important part of writing a journal article. At this stage, the author must present the thesis and research findings systematically, scientifically, and factually. Explain the impact of research findings and their impact. Then the writer must compare the results with previous studies relevant to the topic of discussion.

CONCLUSION (*Times New Roman 11, Space 1.5, Justify*)

This summarizes the evidence of the main points or findings of research problems that are by the research objectives. It consists of two paragraphs (maximum).

Please do not restate findings and discussions. Provide a meeting of the overall scope of the article and a concluding remark

REFERENCES (*Times New Roman 11, Space 1.5, Justify*)

References should be cited both in the text and in the references list and should conform to the American Psychological Association (APA) 7th Edition. It should be listed in alphabetical order. Please ensure that all information in your manuscript that is taken from another source is substantiated with an in-text reference citation. A minimum of 80% of sources published 10 years recently is required for each submission. Articles in **Al Muallaqat: Journal of Arabic Studies** are suggested to be used as references.

Please note that your references must follow the American Psychological Association (APA) 7th Edition style (the editor will return your submission for your correction if you do not properly format your references). Author (s) may employ **Zotero, Mendeley, and Endnote**.
