

## **Greendale School District COVID 19 Testing - Guide For Families**

Through a partnership with Hayat Pharmacy and the Department of Health Services (DHS), **onsite COVID-19 testing is available free of charge for Greendale Schools students and staff members that have either been in close contact with a positive case of COVID-19 or have symptoms of COVID-19.**

**District testing is by appointment only. Please contact your student's school office to request an appointment.**

- Greendale High School 414-423-0110
- Greendale Middle School 414-423-2800
- Canterbury Elementary 414-423-2770
- College Park Elementary 414-423-2850
- Highland View Elementary 414-423-2750

Testing takes place at Greendale High School. [See this map for testing location.](#) You must have a scheduled appointment, and parents must accompany their students to be tested. When you arrive for testing, please wait in your car and the person administering the tests will call you when they are ready for you to go inside to be tested. The tester works to remain on schedule as much as possible.

Please pre-register your student with COVID Connect for testing at this link <https://register.covidconnect.wi.gov>. This pre-registration needs to be completed each time your student is tested.

### **Why is my child registered with COVID Connect?**

COVID Connect is the website that will be used to register your student for the test and allow the test results to be sent to you. This can be completed at <https://register.covidconnect.wi.gov>. This information will include, but not be limited to, the following:

- Full Legal Name
- Date of Birth
- Contact Information (Phone, Email and Address)
- Demographic Information (Gender, Race and Ethnicity)
- Symptom Status

Onsite testing staff can answer your questions regarding the test process. Once the test is completed, a text message will be sent to the registered phone number. A second text message will be sent once results are ready instructing you to login to COVID Connect to view the results. You will also receive an email with a secure link to access the test results. You will be able to view and print all test results. You can also call the COVID Testing Results Hotline at 1-866-419-6988 for results. If your student is experiencing COVID-19 symptoms or is unvaccinated and is a close contact to someone positive for COVID-19 please email a copy of

the test result to your school office and the district COVID-19 email address that is monitored by the District Nurse [covid@greendaleschools.org](mailto:covid@greendaleschools.org). This will enable your student to be cleared to return to school. The test result is needed prior to your student returning to school.

If you or your child are currently experiencing symptoms, please continue to use best health practices and isolate at home. If your student is experiencing COVID-19 symptoms, DO NOT SEND THEM TO SCHOOL until you receive a negative test result and are cleared to return.
