Please put the LINK to your work here, not the actual work. (Hint: Click File > New at the top left of this page, paste the text of your work into that document. Then, follow these directions below to share the link here:)

1. Once your piece is uploaded to Google Docs, there are 2 paths to get the link that you'll paste here: click the blue "Share" button in the top right corner, OR click File in the top left corner, then click Share.
2. A pop-up will appear. At the bottom, click on "Restricted" and change that to "Anyone with the link."
3. To the right of "Anyone with the link," click "Viewer" and change to "Commenter."
4. Click "Copy Link" at the bottom left.
5. Click "Done."
6. Come back to this document and paste your link below :)
