Mission Statement: The Mission of Carlmont High School is to provide a supportive learning environment that allows all students to achieve success in academics and careers. A Carlmont education fosters a community of creative thinkers who are confident and collaborative in a rapidly changing society. Above all, we aspire to provide students with the skills they need to make positive contributions to their community and the world.

School Community

Carlmont, a California Distinguished School, is a four-year comprehensive public high school in the Sequoia Union High School District and fully accredited by the Western Association of Schools and Colleges (WASC). The school is located on 42 acres in the Belmont-San Carlos Hills about 30 miles south of San Francisco and north of San Jose.

There are 2396 students enrolled in the 2025-2026 school year across 9th – 12th grades. Carlmont students come from Belmont, San Carlos, Redwood City, Redwood Shores and East Palo Alto communities with the following approximate race/ethnic background: 38% White, 33% Asian, 15% Hispanic/Latino, 1 % African-American, .9% American Indian/Alaska Native, and 12% two or more backgrounds.

Specialty Programs

- Biotechnology Institute (BTI) is a three-year, cross-curricular program that offers science-themed English and social studies classes as well as a series of courses in biotechnology. Though students in the BTI program are precluded from taking AS/AP English and AP Social Studies, they take three years of community college science and often take other AP classes and advanced math.
- Media Arts Studies (MAS) is a pathway that fulfills English and Career Technical Education. A graduate from the pathway will possess skills necessary to find a job and succeed in communications, journalism, graphic design, and more.
- Advancement Via Individual Determination (AVID) is a four year course designed to prepare students for success at a four-year college. AVID focuses on the writing, inquiry, collaboration, organization, and reading skills of our students. Participating in AVID could require students to have 7 periods.
- Computer Science Pathway consists of 3 year-long classes: Mobile Apps Development, Structure & Interpretation of Computer Programs in Python, and AP Computer Science A: Java.
- Students Offering Support (SOS) is an extracurricular peer leadership program. Student leaders provide educational presentations, peer counseling & community outreach to address mental health challenges in adolescence.
- The English Language Learner program (ELL) supports students new to the US with their academic, social, and emotional adjustment. The support team consists of a Bilingual Resource Teacher, instructional aides and an ELL counselor.
- CTE classes are available in Business, Marketing, Entrepreneurship, Digital Photo, Digital Filmmaking, Graphic Design &Illustration, Advanced Computer Science, Mobile Apps, Digital Journalism, Biotech and Biomanufacturing.

CLASS OF 2026 GRADUATION REQUIREMENTS
