

Commissions Queue 2017

_____To keep all commissions fair I will go in the order I receive them. If you are afraid I have forgotten about your order please let me know on the social media platform you used to order from to contact me with your concerns. Please note that I am involved in sports and I attend school so I am only able to work on the weekends therefore I cannot always complete commissions within in a short amount of time.

Commissioner Username	Social Media Platform Used	Type of order & Payment Type	Date Commissioned
