

## Important 2025 Senior Photo Information

Dear Parent or Guardian of the Class of 2025,

Can you believe you now have a senior in high school?! You will want to celebrate every moment of this year and that begins with their senior photo! We offer 2 options for getting that senior photo to us to use in the yearbook. **We want every senior to have a high-quality photo- regardless of cost, so we have some options you may find helpful:**

**Option 1:** Submit a photo on your own from an outside photographer to the yearbook via email: [lhsseniophotos25@gmail.com](mailto:lhsseniophotos25@gmail.com)- you **MUST SUBMIT YOUR PHOTO BY FRIDAY, SEPTEMBER 13, 2024. Please be aware that full-body photos are not allowed in the yearbook.** If you submit a full-body photo, it will be cropped to match the other waste-up photos and may result in a blurry senior photo. Additionally, please review these other requirements as well:

- No black-and-white photos allowed
- Subjects should be faced forward and looking at the camera with eyes open
- Face must be visible in the photo
- The school dress code must be honored in the photo
- No full-body photos- all senior photos should be waste up only
- No costumes

I know professional senior photos can get very expensive so we strongly encourage you to use our FREE option, option 2. We want all students to have a high-quality photo and there is a difference. We will do the work for you if you select option 2.

**Option 2:** Use the professional photographer provided by the school free of charge! We want every senior to have a professional photo in the yearbook, so we bring the photographer to you! **Kelly Weaver Photography will be at LHS on Thursday, October 3 to photograph seniors. There is no cost to have your photograph taken on campus.** Kelly will retouch all photos and submit them directly to the yearbook staff- it is so easy! The only fees would accumulate should you choose to order pictures, however, they offer discounted packages to students who get their senior photo taken on campus. **Sign up NOW for your free photo session:**

**We strongly encourage your students to come get their picture taken by Kelly Weaver on this day. It is free and will allow every senior to have a professional photo in the yearbook.**

Outside senior photos must be submitted to the yearbook via email: [lhsseniophotos25@gmail.com](mailto:lhsseniophotos25@gmail.com) by Friday, September 13, 2024

Please review the guidelines for senior photos listed above. If your photo does not meet those guidelines, you will be asked to submit a different photo.
