Welcome North Creek Families!

It is with excitement that we welcome you and your family as you embark on this adventure. We are thrilled to have you join the North Creek Family! I am Casey Wescott, the proud principal of North Creek Elementary.

North Creek Elementary is more than just a school; we are a family. Together, we celebrate each success, big or small, and support one another through every challenge. We believe in the power of positivity and kindness, which is why we embrace the philosophy of being "Bucket Fillers." Kindness, encouragement, communication, and support help fill the buckets of those around us, creating a community built on relationships and respect.

We appreciate and are thankful for our partnership with parents. Here's to a fantastic start and a fulfilling journey at North Creek Elementary School.

Sincerely,

Casey Wescott & North Creek Staff
